FOR THE MUNICIPAL YEAR ENDING DECEMBER 31, 1927

WARRANT FOR ANNUAL TOWN MEETING

Monday, March 14, 1927

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables in the Town of Needham, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in town affairs, to meet at the Town Hall in said town on Monday, the fourteenth day of March, 1927, at forty-five minutes past five o'clock in the forenoon, then and there to act upon the following articles, viz.:

Article 1. To choose by ballot the following town officers: One moderator for one year; one town clerk for one year; three selectmen for one year; one member of the board of health for one year; one member of the board of health for two years; one member of the board of health for three years; one sewer commissioner for one year; one sewer commissioner for two years; one sewer commissioner for three years; one assessor for three years; one member of the department of public welfare for three years; one member of the department of public welfare for one year (to fill vacancy); one collector of taxes for one year; one town treasurer for one year; two constables for one year; two members of the school committee for three years; one water commissioner for three years; one water commissioner for one year (to fill vacancy); one trustee of Memorial Park for three years; two trustees of the Public Library for three years; one tree warden for year; one park commissioner for three years; one member of the town planning board for five years; one commissioner of trust funds for three years.

and on Monday, the twenty-first day of March, 1927, at seven-thirty o'clock in the afternoon, then and there to act upon the following articles, viz.:

Article 2. To choose and appoint all other town officers in such manner as the Town may determine.

Article 3. To hear and act on the reports of town officers and committees.

Article 4. To see what action the town will take relative to unexpended balances and deficiencies of 1926.

Article 5. To see what disposition the Town will make of the money received from dog licenses.

Article 6. To see what sums of money the Town will appropriate for the necessary town charges and expenses.

Article 7. To see if the Town will authorize the treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

Article 8. To see what action the Town will take relative to the salaries of its Town officers.

Article 9. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Article 10. To see if the Town will vote to appoint a Committee to procure plans for a Junior High School building and recommend a location for the same or pass any vote or votes relative thereto.

Article 11. To see if the Town will appropriate the sum of $15,000 for the construction of Central avenue, provided the county and the department of public works, division of highways, each allot an amount equal to one-half of this appropriation for said construction, or take any action relative thereto.

Article 12. To see if the Town will accept Coolidge avenue from Great Plain avenue to Harris avenue, under the provisions of law authorizing the assessment of betterments, as laid out by the Selectmen and according to a plan on file with the Town Clerk, on petition of Percy E. Wye and others.

Article 13. To see if the Town will appropriate the sum of $8,500 for the construction of Coolidge avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 14. To see if the Town will accept Washington avenue from Great Plain avenue southerly a distance of approximately 1,050 feet, under the provisions of law authorizing the assessment of betterments, as laid out by the Selectmen and according to a plan on file with the Town Clerk, on petition of William Regan and others.

Article 15. To see if the Town will appropriate the sum of $6,500 for the construction of Washington avenue, under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 16. To see if the Town will accept Washburn Avenue as a Town way as laid out by the Selectmen and according to a plan and profile on file with the Town Clerk and numbered 1927–1.

Article 17. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed by David Murdoch and David Simon giving to the Town a parcel of land located at the corner of Nehoiden and May streets, containing about 251.2 square feet as shown on a plan dated February, 1927, and numbered 1927–3 and on file with the Town Clerk.

Article 18. To see if the Town will appropriate the sum of $8,500 to pay its share of the expense of a new bridge over the Charles River at the boundary line between Needham and Dover on Charles River street and the expenses incident thereto, as ordered by the County Commissioners.

Article 19. To see if the Town will appropriate the sum of $3,000 for the widening and construction of Greendale avenue as laid out by the County Commissioners beginning at land owned by Maud G. Barton to a point ending at the corner of Greendale avenue and Kendricks road opposite land owned by George Benzie, or take any action relative thereto.

Article 20. To see if the Town will authorize its Selectmen to take by right of eminent domain for municipal purposes, to wit: for the purpose of taking therefrom materials necessary for the construction, repair, or improvement of public ways, as provided in General Laws Chapter 82 Section 38, a certain parcel of land containing twenty (20) acres more or less (said parcel being subject to a right of way passing over the same) together with a right to use in common with others a passageway 40 feet wide continuing Pine Grove street northerly a distance of 254 feet more or less to land now or formerly of Taylor, and together with the right to use in common with others a cart path leading from Hillside avenue to

said parcel and marked "Travelled way," all shown on a plan marked 1927–5 on file with the Town Clerk, and appropriate the sum of $6,500 for the payment of any damages awarded as such for said taking.

Article 21. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed from the owners of the property containing twenty acres more or less (said parcel being subject to a right of way passing over the same) together with a right to use in common with others a passageway 40 feet wide continuing Pine Grove street northerly a distance of 254 feet more or less to land now or formerly of Taylor and together with the right to use in common with others a cart path leading from Hillside avenue to said parcel and marked "Travelled way," all shown on plan marked 1927–5 on file with the Town Clerk, conveying to the Town any and all right, title, and interest remaining in the owners of said property after the taking of the same by right of eminent domain, subject, however, to the right in others to use said passage way and cart path.

Article 22. To see if the Town will authorize its Selectmen to take by right of eminent domain for municipal purposes, to wit, for the purpose of municipal storage, a certain parcel of land with the buildings thereon (a portion of said parcel being subject to a right of way leading from Great Plain avenue to Garden street), said parcel containing 28,800 square feet more or less and shown on a plan marked 1927–6 on file with the Town Clerk, and appropriate the sum of $35,000.00 for the payment of any damages awarded as such for said taking.

Article 23. To see if the Town will vote to issue its serial bonds or notes to an amount not exceeding $35,000.00 under General Laws Chapter 44 for the purpose of providing funds for the payment of any damages awarded as such for the taking of a certain parcel of land with the buildings thereon by right of eminent domain for municipal purposes, to wit, for municipal storage, said parcel being shown on a plan marked 1927–6 on file with the Town Clerk.

Article 24. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed from the owners of the property containing 28,800 square feet more or less and shown on a plan marked 1927–6 on file with the Town Clerk conveying to the Town any and all right, title, and interest remaining in the owners of said property after the taking of same by right of eminent domain, subject, however, to the right in others to use the right of way shown on said plan.

Article 25. To see if the Town will appropriate the sum of $1,000.00 for the purpose of constructing one or more dry-wells or subdrains to dispose of water collecting in the low area in the southwesterly part of Memorial Park, or pass any vote or votes relative thereto.

Article 26. To see what sum of money the Town will appropriate for the construction of particular sewers and house connections.

Article 27. To see what action the Town will take relative to making charges for draining particular sewers directly into the South Metropolitan District sewer.

Article 28. To see if the Town will appropriate the sum of $5,458.49 to reimburse the Sewer Construction Account for uncollectable sewer assessments in 1926 made against Town property, or pass any vote or votes relative thereto.

Article 29. To see if the Town will appropriate the sum of $19,000 of the receipts from sewer assessments and payments made in lieu thereof for the purpose of extensions of the common sewers under the direction of the Sewer Commissioners or pass any vote or votes relative thereto.

Article 30. To see if the Town will amend its by-laws by adding to Article II thereof the following:

Section 8. Plans and descriptions of all common sewers belonging to the Town, with a true record of the charges of making and repairing said sewers and all assessments therefor, shall be kept in the office of the Sewer Department under the care and in the custody of the Sewer Commissioners.

Article 31. To see if the Town will vote to amend Article II of the by-laws by adding thereto the following section:

Section 4A. The Selectmen annually in April shall appoint a town engineer at a fixed salary, who shall have authority to appoint such assistants as the town engineering work requires, subject to the approval of the Selectmen. The Town engineer shall have charge of all Town engineering. The Town engineer shall have charge of and shall preserve, arrange and index, so as to be readily accessible to the public, all plans, surveys, field notes, records, documents and inventories connected with the engineering department of the Town. He shall keep accurate records showing in detail the operation and cost of his department, and a fair and equal distribution of such cost among the several Town departments in proportion to the amount of work done for each. The Town engineer shall each year submit to the Selectmen, in time for publication in the annual Town report a statement showing in detail the work of the engineering department for the year and the names and compensation of all persons employed. The Selectmen shall have power to remove the Town engineer at any time and appoint his successor.

Article 32. To see if the Town will appropriate the sum of $450 to pay the cost of installing the automatic electric traffic signal now in operation at the intersection of Great Plain avenue and Webster street, or pass any vote or votes relative thereto.

Article 33. To see if the Town will authorize its Selectmen to demolish or otherwise dispose of the old house located on Town property known as the Fisher lot, and make an appropriation for this purpose, or pass any vote or votes relative thereto.

Article 34. To see if the Town will authorize its Selectmen to install one street light on Avery street on petition of Harold Warren and others.

Article 35. To see if the Town will authorize its Selectmen to install three street lights on Washington avenue on petition of J. H. Sturtevant and others.

Article 36. To see if the Town will authorize its Selectmen to install two street lights on Newell avenue on petition of Charles Weber and others.

Article 37. To see if the Town will authorize its Selectmen to install one street light on Ledge street on petition of Edward Daley and others.

Article 38. To see if the Town will authorize its Selectmen to install two street lights on Fairview Terrace on peitition of George Pidgeon and others.

Article 39. To see if the Town will authorize its Selectmen to install one street light on Wilshire park on petition of Wilbert G. Blades and others.

Article 40. To see if the Town will authorize the appointment of a committee of five to ascertain the cost and to develop and recommend a plan of financing for the street development as set forth in the report of the Planning Board for 1926 and to report not later than the annual Town Meeting in 1928, or pass any vote or votes relative thereto.

Article 41. To see if the Town will appropriate the sum of $500 for the use of the Committee appointed under Article 40 or pass any vote or votes relative thereto.

Article 42. To see if the Town will vote to change from a single residential district to a business district, the district on the southerly side of Central avenue and bounded as follows: northerly by Central avenue, easterly by Webster street, southerly by land of the Town of Needham, westerly by land now or formerly of John M. Hodge, on petition of William Regan and others.

Article 43. To see if the Town will vote to change from a single residential district to a business district, the district on the easterly side of Great Plain avenue and bounded as follows: westerly by Great Plain avenue, northerly by Mt. Vernon avenue, easterly by land of Regan and Daley, southerly by Birds Hill avenue, on petition of Eric W. Malmstrom and others.

Article 44. To see if the Town will vote to change from a single residence district to a business district the area on the west side of Highland avenue bounded as follows: Southerly by land of Samuel S. and Bertha A. Smith, and land of William H. Wye, westerly by land of the New York, New Haven and Hartford Railroad Company, northerly by land of the William Carter Company, and easterly by Highland avenue, on petition of B. D. May and Joseph Willett.

Article 45. To see if the Town will vote to pay the sum of nine hundred dollars to Katherine Gross of Needham as compensation for damages incurred by her resulting from an injury to her minor son, David Gross, received by him in physical exercises in the Needham High School on petition of David Murdoch and others.

Article 46. To see if the Town will vote to instruct the Selectmen to petition the Legislature for a special act to enable the Town of Needham to pay a sum not exceeding nine hundred dollars to Katherine Gross of Needham as compensation for damages incurred by her resulting from an injury to her minor son David Gross received by him in physical exercises in the Needham High School.

Article 47. To see if the Town will appropriate the sum of $1,000 for the celebration of the Fourth of July, 1927, or pass any vote or votes relative thereto, on petition of the Needham Post No. 14, American Legion and others.

Article 48. To see if the Town will authorize and direct the Moderator to appoint a committee of five citizens to have charge of the celebration of the Fourth of July, 1927, with authority to expend any money appropriated by the Town for such celebration or pass any vote or votes relative thereto.

Article 49. To see if the Town will vote to have the reports of its officers, the proceedings of this and subsequent Town Meetings, and the Valuation List of the Assessors, printed and distributed, or pass any vote or votes relative thereto.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before said meeting and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham, aforesaid, this twenty-third day of February, A.D., 1927.

ALFRED J. MERCER,
WM. P. BROWN,
HENRY D. BLACKMAN,
Selectmen of Needham.

Needham, March 5, 1927.

Norfolk, ss.

By virtue of this warrant, I have this day, notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant, in not less than twenty public places in said Town, more than seven days before the time of holding said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and Officer's return.

Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE ANNUAL TOWN MEETING

March 14, 1927

Pursuant of the foregoing warrant a meeting of the inhabitants of the Town of Needham, qualified to vote in elections and in town affairs was held in the Town Hall in said Town on Monday, March 14, 1927, at forty-five minutes past five o'clock in the forenoon.

The meeting was called to order by the Moderator.

Voted, To omit reading the articles in the warrant.

The return of the officer who notified and warned the inhabitants was read by the Town Clerk.

Voted, To proceed to ballot for the following town officers, viz:

One moderator for one year; one town clerk for one year; three selectmen for one year; one member of the board of health for one year; one member of the board of health for two years; one member of the board of health for three years; one sewer commissioner for one year; one sewer commissioner for two years; one sewer commissioner for three years; one assessor for three years; one member of the department of public welfare for three years; one member of the department of public welfare for one year (to fill vacancy); one collector of taxes for one year; one town treasurer for one year; two constables for one year; two members of the school committee for three years; one water commissioner for three years; one water commissioner for one year (to fill vacancy); one trustee of Memorial Park for three years; two trustees of the Public Library for three years; one tree warden for one year; one park commissioner for three years; one member of the town planning board for five years; one commissioner of trust funds for three years.

Pursuant to Chapter 54, Section 21, of the General Laws the Selectmen having appointed Mary E. Fitzgerald, Ethel W. Curren, Myra R. Kingsbury, Mabel E. Nason, J. F. Buckley, James F. Ryan, Charles M. Donahue, and William C. Payne as tellers they were sworn to the faithful discharge of their duties by the Moderator.

The ballots prepared for use at this election by the Town Clerk were then delivered to the ballot clerks and their receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by Chapter 54, Section 48, of the General Laws.

The ballot box was publicly opened by the Moderator and shown to be empty. The box was then locked and the key delivered to George Twigg, the officer in attendance.

The polls were opened at forty-five minutes past five in the forenoon and kept open until eight o'clock in the afternoon.

Additional tellers were appointed as required by Chapter 54, Section 48, of the General Laws as follows:

William E. Mullan	Ruth Fanning
Vera C. Halstead	Garnet W. Earle
Josephine Bois	Helen Mathey
Sarah A. L. Kennedy	Blanche D. Wright
Samuel Kingsbury	Angela Overton
Julia T. Mullan	Ozias H. McMurdie
Elise A. Chandler	Helen S. Courtenay
William W. Hewett	E. Maude Bryer
Inez M. Southworth	Edgar A. Chandler
Abraham Cohan	William G. Courtenay
James F. Daly	Amelia S. Wagner

S. Mabel Mackenzie

and they were severally sworn.

As the ballots were taken from the box they were audibly counted by the Moderator, at 1.30 o'clock four hundred and fifty ballots were taken from the box, at 4.30 o'clock three hundred ballots were taken from the box, at 7.15 o'clock three hundred and fifty ballots were taken from the box, and at 8 o'clock when the poll was declared closed by the Moderator two hundred and ninety-six ballots were taken from the box making the total number of ballots cast twelve hundred and ninety-six (1296) ballots.

The total number of votes cast by men seven hundred forty-seven (747) and by women five hundred forty-nine (549).

A canvass of all votes given was made as required by law. Upon the completion of the canvass of all votes cast the results of the voting was declared by the Moderator to be as follows, viz:

Blanks 279

and David E. Mann was declared elected a member of the Board of Hea th for two years.

For Board of Health (for one year)

Ray C. Hall 965
Blanks 331

and Ray C. Hall was declared elected a member of the Board of Health for one year.

Immediately after the election the Town Clerk was sworn to the faithful performance of his duties by the Moderator and immediately afterwards the Moderator was sworn to his duties by the Town Clerk.

After the results of the vote had been declared, the ballots cast, the undistributed ballots and also the check lists were sealed up, endorsed by the election officers and placed in the custody of the Town Clerk.

Adjourned at 10.05 P.M. Monday, March 14, 1927.

CLARENCE E. FOSS,
Town Clerk.

ANNUAL TOWN MEETING FOR THE TRANSACTION OF BUSINESS

March 21, 1927

Pursuant of the foregoing warrant the inhabitants of the Town of Needham, qualified to vote in Town affairs, met in the Town Hall in said Town on Monday, March 21, 1927, at 7.30 o'clock in the afternoon.

William G. Moseley, Moderator, in the chair

Margaret O. Chase, Myra R. Kingsbury, Charles M. Donahue, George W. Holt, and Dana L. Southworth were appointed checkers by the Board of Selectmen and sworn to the faithful performance of their duties. Check lists were used and 87 women and 329 men were checked on the lists as being present, a total of 416 voters.

The warrant and the return of the officer who served the same was read.

Proceeded to take up the articles under the warrant.

Article 2. To choose and appoint all other necessary Town Officers in such manner as the Town may determine.

Under this article the following Town officers were elected:

Highway Surveyors and Town Agents: Henry D. Blackman, Alfred J. Mercer, and William P. Brown.

Surveyors of Lumber: Alfred Parker and Howard A. Flewelling.

Measurers of Wood and Bark: Joseph Willett, James H. Whetton.

Public Weighers: Joseph Willett, Armand J. Mathey, Alexander McKay, James H. Whetton, Arthur H. Whetton, Bertha E. Coburn, Nellie Burkett, William G. Price, Henry K. Morse, Nicholas A. O'Brien, John Beahan, Frederick A. Whetton, and John A. McWade.

The moderator appointed as members of the Finance Committee to serve for three years: Fred L. Greely, Edward L. Morss, and Eben W. Smith.

Article 3. To hear and act on the reports of Town Officers and Committees.

No reports submitted by committees.

Article 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1926.

Voted, That all unexpended balances of 1926 appropriations be returned to the treasury.

Voted, That the sum of $15,200 be appropriated for deficiencies and overdrafts of 1926, this amount to be taken from the accumulated revenue on hand December 31, 1926.

Article 5. To see what disposition the Town will make of the money received from dog licenses.

Voted, That the money received from Dog Licenses, namely, $1202.92 be appropriated for the use of the Public Library.

Article 6. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Under this article the following appropriations were made, each item being voted on separately, viz:

Voted, That the sum of $3,184.50 be appropriated for the Selectmen's Department.

Voted, That the sum of $800 be appropriated for the Town Clerk's Department.

Voted, That the sum of $6,525 be appropriated for the Assessors' Department.

Voted, That the sum of $2,750 be appropriated for the Tax Collector's Department.

Voted, That the sum of $1,375 be appropriated for the Treasurer's Department.

Voted, That the sum of $1,850 be appropriated for the Accounting Department.

Voted, That the sum of $250 be appropriated for the Finance Committee.

Voted, That the sum of $1,030 be appropriated for the election and registration expenses.

Voted, That the sum of $5,000 be appropriated for Town Hall and grounds.

Voted, That the sum of $22,141 be appropriated for the Police Department, $19,235 of which shall be for salaries, and $2,906 for maintenance and equipment.

Voted, That the sum of $23,669.50 be appropriated for the Fire Department, $20,044.50 of which shall be for salaries of the Department and the Board of Fire Engineers, and $3,625 for maintenance and equipment.

Voted, That the sum of $4,802.38 be appropriated for the Fire Alarm Department.

Voted, That the sum of $145 be appropriated for the Forest Warden's Department.

Voted, That the sum of $3,000 be appropriated for the Inspection Department.

Voted, That the sum of $5,500 be appropriated for the Moth Department, $3,500 of which shall be for work on public property and $2,000 for work on private property.

Voted, That the sum of $1,500 be appropriated for the Tree Warden's Department.

Voted, That the sum of $300 be appropriated for the committee in charge of the Town Nursery.

Voted, That the sum of $6,491.20 be appropriated for the Board of Health.

Voted, That the sum of $1,950 be appropriated for the removal of garbage.

Voted, That the sum of $5,650 be appropriated for the Sewer Department.

Voted, That the sum of $3,698.94 be appropriated for the Town's assessment for the maintenance of the Norfolk County Hospital.

Voted, That the sum of $12,000 be appropriated for the Department of Public Welfare.

Voted, That the sum of $1,100 be appropriated, $200 of which shall be for State Aid, $300 for Military Aid, and $600 for Soldier's Relief.

Voted, That the sum of $61,000 be appropriated for the Highway Department.

Voted, That the sum of $13,000 be appropriated for sidewalks, $6,000 of which shall be for General Construction and Repairs, and $7,000 for permanent construction of which approximately one-half shall be assessed as betterments and paid by the abutters.

Voted, That the sum of $9,000 be appropriated for Snow Removal.

Voted, That the sum of $18,500 be appropriated for Street Lighting.

Voted, That the sum of $189,675 together with the income from the Dwight School Fund be appropriated for the School Department.

Voted, That the sum of $2,500 be appropriated for Vocational Tuition.

Voted, That the sum of $6,488.38 together with the income from the Barr and Greenwood Funds, be appropriated for the Public Library.

Voted, That the sum of $1,150 be appropriated for the Park Department.

Voted, That the sum of $3,000 be appropriated for the Trustees of Memorial Park.

Voted, That the sum of $400 be appropriated for the Town Planning Board.

Voted, That the sum of $100 be appropriated for the Board of Survey.

Voted, That the sum of $3,230 be appropriated for insurance premiums.

Voted, That the sum of $14,000 be appropriated for interest on Temporary Loans.

Voted, That the sum of $73,190 be appropriated for Municipal Indebtedness, $46,400 of which shall be for bonds maturing in 1927, and $26,700 shall be for interest on Funded Loans.

Voted, That the sum of $400 be appropriated for the upkeep of Soldiers' Graves.

Voted, That the sum of $300 be appropriated for the observance of Memorial Day.

Voted, That the sum of $4,635 be appropriated for printing and distributing the Town reports, expenses of Dog Officer, Certification of Town notes, Engineer's fees, legal expenses, damage awards and other unclassified items.

Voted, That the sum of $2,500 be appropriated for the Reserve Fund.

Article 7. To see if the Town will authorize the treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1927, and to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year. Vote declared unanimous.

Article 8. To see what action the Town will take relative to the salaries of its Town officers.

Voted, That the salaries of all elected Town officers be the same as in 1926.

Article 9. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Voted, That all poll and personal property taxes shall be paid on demand and all other taxes on or before the first day of October, 1927.

Interest at the rate of six per cent (6%) per annum shall be charged from October 15, 1927, on all taxes not paid on or before the first day of November, 1927. The Collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December, 1927.

(The above shall be printed on the tax bills.)

If in the judgment of the Collector, in consequence of removal, or any other circumstance, any tax should be collected before the first day of October he is fully authorized to serve his warrant in the collection of such tax at any time.

The Collector shall guarantee to collect the full amount of all taxes legally assessed and committed to him for collection (except such sums as may be abated by the Assessors) and shall pay the said taxes together with the accrued interest thereon over to the Town Treasurer from time to time as he collects the same and shall pay the full amount of all taxes committed to him for collection together with the accrued interest thereon, except such sums as may be abated over to the Town Treasurer, on or before April 1, 1928, and shall turn over his completed warrant together with all papers relating to the same to the Town Clerk not later than July 1, 1928.

The Tax Collector shall receive one-half of one per cent of the tax warrant for collection of the taxes for the year 1927 payable monthly as and when same are collected, this compensation shall include all expenses except payment of the Tax Collector's bond.

Article 10. To see if the Town will vote to appoint a Committee to procure plans for a Junior High School building and recommend a location for the same or pass any vote or votes relative thereto.

Voted, That a Committee of Seven be appointed by the Moderator, at least two of whom shall be members of the School Committee, to investigate the needs for junior high school facilities and to report a plan of action to the Town at any Town meeting after October 1, 1927, or at the annual Town meeting in 1928.

Article 11. To see if the Town will appropriate the sum of $15,000 for the construction of Central Avenue, provided the county and the department of public works, division of highways, each allot an amount equal to one-half of this appropriation for said construction, or take any action relative thereto.

Voted, That the Town appropriate the sum of $15,000 for the construction of Central Avenue, provided the County and the Department of Public Works, Division of Highways, each allot the sum of $7,500 for said construction.

Article 12. To see if the Town will accept Coolidge Avenue from Great Plain Avenue to Harris Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk on petition of Percy E. Wye and others.

Voted, That the Town accept Coolidge Avenue from Great Plain to Harris Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 13. To see if the Town will appropriate the sum of $8,500 for the construction of Coolidge avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the sum of $8,500 be appropriated for the construction of Coolidge avenue from Great Plain avenue to Harris Avenue, under the provisions of law authorizing the assessment of betterments, as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 14. To see if the Town will accept Washington Avenue from Great Plain Avenue southerly a distance of approximately 1,050 feet under the provisions of law authorizing the assessment of betterments, as laid out by the Selectmen and according to a plan on file with the Town Clerk, on petition of William Regan and others.

Voted, That the Town accept Washington avenue from Great Plain Avenue southerly a distance of approximately 1,050 feet, under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 15. To see if the Town will appropriate the sum of $6,500 for the construction of Washington Avenue, under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the sum of $6,500 be appropriated for the construction of Washington Avenue from Great Plain Avenue southerly a distance of approximately 1050 feet, under the provisions of law authorizing the assessment of betterments, as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 16. To see if the Town will accept Washburn Avenue as a Town way as laid out by the Selectmen and according to a plan and profile on file with the Town Clerk and numbered 1927–1.

Voted, That the Town accept Washburn Avenue as a Town way as laid out by the Selectmen and according to a plan and profile on file with the Town Clerk and numbered 1927–1.

Article 17. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed by David Murdoch and David Simon giving to the Town a parcel of land located at the corner of Nehoiden and May streets, containing about 251.2 square feet as shown on a plan dated February, 1927, and numbered 1927–3 and on file with the Town Clerk.

Voted, That the Selectmen be and are hereby authorized to accept on behalf of the Town a deed by David Murdoch and David Simon giving to the Town a parcel of land located at the corner of Nehoiden and May streets, containing about 251.2 square feet as shown on a plan dated February, 1927, and numbered 1927–3 and on file with the Town Clerk.

Article 18. To see if the Town will appropriate the sum of $8,500 to pay its share of the expense of a new bridge over the Charles River at the boundary line between Needham and Dover on Charles River street and the expenses incident thereto, as ordered by the County Commissioners.

Voted, That the sum of $8,500 be appropriated to pay the Town's share of the expense of a new bridge over the Charles River at the boundary line between Needham and Dover on Charles River street and the expenses incident thereto, as ordered by the County Commissioners.

Article 19. To see if the Town will appropriate the sum of $3,000 for the widening and construction of Greendale avenue as laid out by the County Commissioners beginning at land owned by Maud G. Barton to a point ending at the corner of Greendale Avenue and Kendricks road opposite land owned by George Benzie, or take any action relative thereto.

Voted, That this article be dismissed.

Article 20. To see if the Town will authorize its Selectmen to take by right of eminent domain for municipal purposes, to wit: for the purpose of taking therefrom materials necessary for the construction, repair, or improvement of public ways, as provided in General Laws, Chapter 82, Section 38, a certain parcel of land containing twenty (20) acres more or less (said parcel being subject to a right of way passing over the same) together with a right to use in common with others a passageway 40 feet wide continuing Pine Grove street northerly a distance of 254 feet more or less to land now or formerly of Taylor, and together with the right to use in common with others a cart path leading from Hillside avenue to said parcel and marked "Travelled way," all shown on a plan marked 1927–5 on file with the Town Clerk, and appropriate the sum of $6,500 for the payment of any damages awarded as such for said taking.

A motion to accept was declared lost (Yes 100 — No 72).

Article 21. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed from the owners of the property containing twenty acres more or less (said parcel being subject to a right of way passing over the same) together with a right to use in common with others a passageway 40 feet wide continuing Pine Grove street northerly a distance of 254 feet more or less to land now or formerly of Taylor and together with the right to use in common with others a cart path leading from Hillside Avenue to said parcel and marked "Travelled way," all shown on plan marked 1927–5 on file with the Town Clerk, conveying to the Town any and all right, title, and interest remaining in the owners of said property after the taking of the same by right of eminent domain, subject, however, to the right in others to use said passage way and cart path.

Dismissed.

Article 22. To see if the Town will authorize its Selectmen to take by right of eminent domain for municipal purposes, to wit, for the purpose of municipal storage, a certain parcel of land with the buildings thereon (a portion of said parcel being subject to a right of way leading from Great Plain Avenue to Garden Street) said parcel containing 28,800 square feet more or less and shown on a plan marked 1927–6 on file with the Town Clerk, and appropriate the sum of $35,000 for the payment of any damages awarded as such for said taking.

A motion to accept carrying an appropriation of $30,000 was declared not carried.

Article 23. To see if the Town will vote to issue its serial bonds or notes to an amount not exceeding $35,000 under General Laws, Chapter 44 for the purpose of providing funds for the payment of any damages awarded as such for the taking of a certain parcel of land with the buildings thereon by right of eminent domain for municipal purposes, to wit, for municipal storage, said parcel being shown on a plan marked 1927–6 on file with the Town Clerk.

Dismissed.

Article 24. To see if the Town will authorize its Selectmen to accept on behalf of the Town a deed from the owners of the property containing 28,800 square feet more or less and shown on a plan marked 1927–6 on file with the Town Clerk conveying to the Town any and all right, title, and interest remaining in the owners of said property after the taking of same by right of eminent domain, subject, however, to the right in others to use the right of way shown on said plan.

Dismissed.

Article 25. To see if the Town will appropriate the sum of $1,000 for the purpose of constructing one or more dry-wells or subdrains to dispose of water collecting in the low area in the southwesterly part of Memorial Park or pass any vote or votes relative thereto.

Voted, That the sewer commissioners be and are hereby ordered to abate forthwith the nuisance created by them on Memorial Park by reason of the construction to the drain in the sewer trench, and that the premises be restored to as good condition as they were in before the sewer was put in and that the expense of the same be charged to the Sewer Department.

Article 26. To see what sum of money the Town will appropriate for the construction of particular sewers and house connections.

Voted, That the sum of $10,000 be appropriated for the construction of particular sewers and house connections.

Article 27. To see what action the Town will take relative to making charges for draining particular sewers directly into the South Metropolitan District sewer.

Voted, That this article be dismissed.

Article 28. To see if the Town will appropriate the sum of $5,458.49 to reimburse the Sewer Construction Account for uncollectable sewer assessments in 1926 made against Town property, or pass any vote or votes relative thereto.

Voted, That this article be dismissed.

Article 29. To see if the Town will appropriate the sum of $19,000 of the receipts from sewer assessments and payments made in lieu thereof for the purpose of extensions of the common sewers under the direction of the Sewer Commissioners or pass any vote or votes relative thereto.

Voted, That the sum of $19,000 of the receipts from sewer assessments and payments made in lieu thereof be appropriated for the purpose of extensions of the common sewers under the direction of the sewer commissioners.

Article 30. To see if the Town will amend its by-laws by adding to Article 11 thereof the following:

Section 8. Plans and descriptions of all common sewers belonging to the Town, with a true record of the charges of making and repairing said sewers and all assessments therefor, shall be kept in the office of the Sewer Department under the care and in the custody of the Sewer Commissioners.

Voted, That the Town By-Laws be amended by adding to Article 11 thereof the following:

Section 8. Plans and descriptions of all common sewers belonging to the Town, with a true record of the charges of making and repairing said sewers and all assessments therefor, shall be kept in the office of the Sewer Department under the care and in the custody of the Sewer Commissioners.

Vote declared unanimous.

Article 31. To see if the Town will vote to amend Article 11 of the by-laws by adding thereto the following section.

Section 4A. The Selectmen annually in April shall appoint a town engineer at a fixed salary, who shall have authority to appoint such assistants as the town engineering work requires, subject to the approval of the Selectmen. The Town engineer shall have charge of all Town engineering. The Town engineer shall have charge of and shall preserve, arrange and index, so as to be readily accessible to the public, all plans, surveys, field notes, records, documents and inventories connected with the engineering department of the Town. He shall keep accurate records showing in detail the operation and cost of his department, and a fair and equal distribution of such cost among the several Town departments in proportion to the amount of work done for each. The Town engineer shall each year submit to the Selectmen in time for publication in the annual Town report a statement showing in detail the work of the engineering department for the year and the names and compensation of all persons employed. The Selectmen shall have power to remove the Town engineer at any time and appoint his successor.

Voted, To amend Article 11 of the Town By-Laws by adding thereto the following section:

Section 4A. The Selectmen annually in April shall appoint a town engineer at a fixed salary, who shall have authority to appoint such assistants as the town engineering work requires, subject to the approval of the Selectmen. The Town engineer shall have charge of all Town engineering. The Town engineer shall have charge of and shall preserve, arrange and index, so as to be readily accessible to the public, all plans surveys, field notes, records, documents and inventories connected with the engineering department of the Town. He shall keep accurate records showing in detail the operation and cost of his department and a fair and equal distribution of such cost among the several Town departments in proportion to the amount of work done for each. The Town engineer shall each year submit to the Selectmen, in time for publication in the annual Town re-

port a statement showing in detail the work of the engineering department for the year and the names and compensation of all persons employed. The Selectmen shall have power to remove the Town engineer at any time and appoint his successor.

Article 32. To see if the Town will appropriate the sum of $450 to pay the cost of installing the automatic electric traffic signal now in operation at the intersection of Great Plain Avenue and Webster street, or pass any vote or votes relative thereto.

Voted, That the sum of $508.63 be appropriated to pay the cost of installing the automatic electric traffic signal now in operation at the intersection of Great Plain avenue and Webster street.

Article 33. To see if the Town will authorize its Selectmen to demolish or otherwise dispose of the old house located on Town property known as the Fisher lot and make an appropriation for this purpose, or pass any vote or votes relative thereto.

Voted, That the Selectmen be authorized to demolish or otherwise dispose of, the old house on Town property known as the Fisher lot.

Article 34. To see if the Town will authorize its Selectmen to install one street light on Avery street on petition of Harold Warren and others.

Voted, That the Selectmen be authorized to install one street light on Avery street.

Article 35. To see if the Town will authorize its Selectmen to install three street lights on Washington avenue on petition of J. H. Sturtevant and others.

Voted, That the Selectmen be authorized to install three street lights on Washington avenue.

Article 36. To see if the Town will authorize its Selectmen to install two street lights on Newell avenue on petition of Charles Weber and others.

Voted, That the Selectmen be authorized to install two street lights on Newall Avenue.

Article 37. To see if the Town will authorize its Selectmen to install one street light on Ledge street on petition of Edward Daley and others.

Voted, That the Selectmen be authorized to install one street light on Ledge street.

Article 38. To see if the Town will authorize its Selectmen to install two street lights on Fairview Terrace on petition of George Pidgeon and others.

Voted, That the Selectmen be authorized to install two street lights on Fairview terrace.

Article 39. To see if the Town will authorize its Selectmen to install one street light on Wilshire park on petition of Wilbert G. Blades and others.

Voted, That the Selectmen be authorized to install one street light on Wilshire Park.

Article 40. To see if the Town will authorize the appointment of a Committee of Five to ascertain the cost and to develop and recommend a plan of financing for the street development as set forth in the report of the Planning Board for 1926 and to report not later than the annual town meeting in 1928, or pass any vote or votes relative thereto.

Voted, That the substance of this article be referred to the Town Engineer for study and report.

Article 41. To see if the Town will appropriate the sum of $500 for the use of the Committee appointed under Article 40 or pass any vote or votes relative thereto.

Voted, That this article be dismissed.

Article 42. To see if the Town will vote to change from a single residential district to a business district, the district on the southerly side of Central avenue and bounded as follows: northerly by Central Avenue, easterly by Webster Street, southerly by land of the Town of Needham, westerly by land now or formerly of John M. Hodge, on petition of William Regan and others.

Voted, That the district on the southerly side of Central Avenue, bounded as follows, northerly by Central Avenue, easterly by Webster Street, southerly by land of the Town of Needham and westerly by land now or formerly of John M. Hodge, be rezoned from a single residential district to a business district. (Yes 86—No 7).

Article 43. To see if the Town will vote to change from a single residential district to a business district, the district on the easterly side of Great Plain Avenue and bounded as follows: westerly by Great Plain Avenue, northerly by Mt. Vernon avenue, easterly by land of Regan and Daley, southerly by Birds Hill Avenue, on petition of Eric W. Malmstrom and others.

Voted, That this article be dismissed.

Article 44. To see if the Town will vote to change from a single residence district to a business district the area on the west side of Highland Avenue bounded as follows: Southerly by land of Samuel S. and Bertha A. Smith and land of William H. Wye, westerly by land of the New York, New Haven and Hartford Railroad Company, northerly by land of the William Carter Company, and easterly by Highland Avenue, on petition of B. D. May and Joseph Willett.

Voted, That the district on the west side of Highland Avenue, bounded as follows, southerly by land of Samuel S. and Bertha A. Smith and land of William H. Wye, westerly by land of the New York, New Haven and Hartford Railroad Company, northerly by land of the William Carter Company, and easterly by Highland Avenue, be rezoned from a single residential district to a business district. (Yes 157—No 3.)

Article 45. To see if the Town will vote to pay the sum of nine hundred dollars to Katherine Gross of Needham as compensation for damages incurred by her resulting from an injury to her minor son, David Gross, received by him in physical exercises in the Needham High School on petition of David Murdoch and others.

Voted, That this article be dismissed.

Article 46. To see if the Town will vote to instruct the Selectmen to petition the Legislature for a special act to enable the Town of Needham to pay a sum not exceeding nine hundred dollars to Katherine Gross of Needham as compensation for damage incurred by her resulting from an injury to her minor son, David Gross received by him in physical exercises in the Needham High School.

Voted, That this article be dismissed.

Article 47. To see if the Town will appropriate the sum of $1,000 for the celebration of the Fourth of July, 1927, or pass any vote or votes relative thereto, on petition of the Needham Post No. 14, American Legion and others.

Voted, That the sum of $1,000 be appropriated for the celebration of the Fourth of July, 1927.

Article 48. To see if the Town will authorize and direct the Moderator to appoint a Committee of Five citizens to have charge of the celebration of the Fourth of July, 1927, with authority to expend any money appropriated by the Town for such celebration or pass any vote or votes relative thereto.

Voted, That a Committee of Five citizens be appointed by the Moderator to have charge of the celebration of the Fourth of July, 1927, and that said committee be authorized to expend any money appropriated by the Town for such celebration.

Article 49. To see if the Town will vote to have the reports of its officers, the proceedings of this and subsequent Town Meetings, and the Valuation List of the Assessors, printed and distributed, or pass any vote or votes relative thereo.

Voted, That the proceedings of the 1927 annual and subsequent Town meetings, the reports of the Town officers, and the valuation list of the assessors, be printed and distributed in the same way as in 1926.

At 11.10 P.M. it was

Voted, That this meeting be now dissolved.

Attest:

CLARENCE E. FOSS,
Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

Monday, October 17, 1927

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables in the Town of Needham, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs to meet at the Town Hall in said Town, on Monday, the seventeenth day of October, nineteen hundred and twenty-seven, at forty-five minutes past seven o'clock in the afternoon, then and there to act on the following articles, viz:

Article 1. To see if the Town will authorize the Water Commissioners to extend the water main, under a six per cent ten-year guarantee, to the property being developed on Oak Hill, Needham Gardens, Fairfield Street and DeLue Street, or to any of these properties, and appropriate money therefor, or pass any vote or votes relative thereto.

Article 2. To see if the Town will authorize the Water Commissioners to extend the water main in Cedar Street from Central Avenue to the Wellesley line and appropriate money therefor, or pass any vote or votes relative thereto, on petition of Wilson H. Cranton and others.

Article 3. To see if the Town will vote to issue its notes or bonds to an amount not exceeding $30,000 in accordance with the provisions of General Laws, Chapter 44, Section 8 (4) and the acts in addition or amendment thereto, for the purpose of extending the water mains, and authorize and instruct the Water Commissioners to raise additional funds by revising and increasing the water rates so that the payment of said notes and interest may be taken from the earnings of the Water Department, or pass any vote or votes relative thereto.

Article 4. To see if the Town will authorize the Selectmen to install two street lights on Warren Street extension, south of the railroad tracks, on petition of Carlton G. McIntosh.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said Town at least seven days before said meeting, and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham aforesaid, this 4th day of October, A. D., 1927.

HENRY D. BLACKMAN,
ALFRED J. MERCER,
WM. P. BROWN,
Selectmen of Needham.

Needham, October 9, 1927.

Norfolk, ss.

By virtue of this warrant, I have this day, notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant, in not less than twenty public places in said Town, more than seven days before the time of holding said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and Officer's return.
Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF SPECIAL TOWN MEETING

Monday, October 17, 1927

Pursuant of the foregoing warrant a meeting of the inhabitants of the Town of Needham, qualified to vote in elections and in town affairs was held in the Town Hall in said town on Monday, October 17, 1927, at eight o'clock in the afternoon.

The meeting was called to order by the Moderator, William G. Moseley. Margaret O. Chase, Myra R. Kingsbury, Charles M. Donahue, George W. Holt and Dana L. Southworth having been appointed as checkers by the Board of Selectmen were sworn to the faithful performance of their duties. Check lists were used and 12 women and 83 men were checked on the lists as being present a total of 95 voters.

The warrant and return of the officer who served the same were read.

Proceeded to take up the articles under the warrant.

Article 1. To see if the Town will authorize the Water Commissioners to extend the water main under a six per cent ten-year guarantee, to the property being developed on Oak Hill, Needham Gardens, Fairfield Street and DeLue Street, or to any of these properties, and appropriate money therefor, or pass any vote or votes relative thereto.

Voted, That the Town authorize the Water Commissioners to extend the water mains, under a six per cent ten-year guarantee, to the property being developed on Oak Hill, and that the sum of two thousand dollars ($2,000) be appropriated therefor.

Voted, That the Town authorize the Water Commissioners to extend the water mains, under a six per cent ten-year guarantee to the property being developed in Needham Gardens and that the sum of ten thousand dollars ($10,000) be appropriated therefor.

Voted, That the Town authorize the Water Commissioners to extend the water mains under a six per cent ten-year guarantee, to the property being developed on Fairfield Street and that the sum of nineteen hundred dollars ($1,900) be appropriated therefor.

Voted, That the Town authorize the Water Commissioners to extend the water mains under a six per cent ten-year guarantee to the property being developed on DeLue Street and that the sum of twenty-seven hundred dollars ($2,700) be appropriated therefor.

Article 2. To see if the Town will authorize the Water Commissioners to extend the water main in Cedar Street from Central Avenue to the Wellesley line and appropriate money therefor, or pass any vote or votes relative thereto, on petition of Wilson H. Cranton and others.

Voted, That the Town authorize the Water Commissioners to extend the water mains in Cedar Street from Central Avenue, to the Wellesley line and that the sum of fifty-two hundred dollars ($5,200) be appropriated therefor.

Article 3. To see if the Town will vote to issue its notes or bonds to an amount not exceeding $30,000 in accordance with the provisions of General Laws, Chapter 44, Section 8 (4) and the acts in addition or amendment thereto, for the purpose of extending the water mains, and authorize and instruct the Water Commissioners to raise additional funds by revising and increasing the water rates so that the payment of said notes and interest may be taken from the earnings of the Water Department, or pass any vote or votes relative thereto.

Voted, That this article be dismissed.

Article 4. To see if the Town will authorize the Selectmen to install two street lights on Warren Street extension, south of the railroad tracks, on petition of Carlton G. McIntosh.

Voted, That the Selectmen be and hereby are authorized to install two street lights on Warren Street extension, south of the railroad tracks.

At 8.22 o'clock P.M. it was

Voted, That this meeting be now dissolved.

CLARENCE E. FOSS,
Town Clerk.

NOTICE

The attention of parents is called to the law relating to the registering of Births. The present requirements are as follows:

Chap. 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent . . . who neglects so to do for ten days after the time limited therefor, . . . shall forfeit not more than five dollars for each offense.

Attention of Physicians and Midwives is Called to Chapter 280, Sec. 1, Acts of 1912

Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish to parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

NOTICE

Persons who intend to be joined in marriage in this Commonwealth shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk of registrars of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

Chapter 151, Section 29, Revised Laws

If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage, a certificate or declaration of their marriage, including the facts relative to marriage which are required by law, and for neglect thereof shall forfeit ten dollars.

DEATHS REGISTERED IN 1927

CLARENCE E. FOSS,
Town Clerk.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF SELECTMEN

FOR THE YEAR 1927

NEWTON
GARDEN CITY PRESS, INC.
1928

REPORT OF BOARD OF SELECTMEN

To the Inhabitants of the Town of Needham:

The following is submitted as the two hundred and fifteenth annual report of the Board of Selectmen.

Organization

Henry D. Blackman, *Chairman*
Alfred J. Mercer, *Secretary*
William P. Brown

S. Mabel Mackenzie, *Clerk to the Board*

Francis J. Stanwood, *Agent*
Insurance, Distribution of State Aid, Military Aid, and Soldiers' Relief

Frederick I. Kingsbury, *Agent*
Care of Graves of Soldiers and Sailors of the U. S. Army and Navy

Town Hall and Grounds

The appearance of the outside of the building was much improved by two coats of paint. This year it is hoped that a beginning may be made upon painting the inside of the building. Attention is called to the necessity for making provision for the "Roll of Honor" which is now upon the walls of the first floor corridor.

The Board recommends the expenditure each year of a moderate appropriation for needed repairs and improvements, in order to avoid an accumulation of repairs which would involve at a future date a very large expenditure, and in order that the building may be kept in a condition which will reflect creditably upon the Town.

The condition of the switchboard which operates the main hall lights has been a source of anxiety for some time, and concern for the safety of the hall while the present board is in use was increased when a recent occurrence requiring emergency aid from the Edison Company demonstrated clearly the danger of continuing longer the existing antiquated apparatus. The Board of Selectmen urgently recommends the installation at the earliest possible date of a new switchboard.

Highways

An unusual situation caused by the numerous sewer connections and the laying of several miles of gas pipes has made it difficult to keep the streets in a condition satisfactory to those using them. The Board feels that both the Sewer Department and the Gas Company have done excellent work in resurfacing their trenches. As the larger portion of this work has been done, it is expected that conditions will be improved this year.

Carrying out the decree of the County Commissioners, Great Plain Avenue was widened from the railroad track to Nehoiden Street. The whole width of the street was built in this section.

Special attention has been given this year to the outlying streets which are thoroughfares to the adjoining towns. Many of these have been resurfaced with gravel and tarvia.

The completion of the widening and straightening of Great Plain Avenue between Bond's corner and Harris Avenue, it is felt is a much needed improvement.

During the construction by the State of Highland Avenue, by co-operating with the State Department of Public Works, the northeast corner of Webster Street and Highland Avenue was constructed at a small expense to the Town. This was done in accordance with a plan of the widening and straightening of Webster Street as laid out by the County Commissioners in 1925.

The construction of Great Plain Avenue is recommended from the railroad crossing in Needham Square to Pickering Street. Up to the present time most of the work done in the square has been repair work. Considering the income to the Town from the abutting property and the amount of use given the Square by all citizens, it seems that the time has come to have a modern street.

Drainage

The rapid growth of the Town is giving rise to the necessity of giving serious consideration to the better disposal of surface water. One of the gravest problems to be solved is that of Needham Square. It is necessary to properly dispose of the water in the Square before the street is permanently constructed. After a careful survey by the Engineer of the contours and profiles of the surrounding territory, it was decided to follow the natural water course through Lincoln Street, connecting with a drain on Warren Street. This was done according to a plan submitted by the Engineer.

Another serious problem has been brought about by the closing by the Sewer Department, as directed by the last Town Meeting, of the sub-drain of the sewer at Needham

Heights, which formerly emptied at the northwest corner of Memorial Park. Steps should be taken to relieve the situation at Needham Heights, where the ground water is presenting a serious problem to the store and other property owners in the section. The Board of Selectmen recommends that action be taken this year to permanently remedy this drainage condition.

Sidewalks

The granolithic work was completed at a much earlier date this year than in the past.

Further extension of suitable sidewalks in outlying sections on our main arteries of travel has been continued in order to protect pedestrians.

Bridges

The construction of Pierce Bridge over the Charles River was completed this year, together with a retaining wall, which was not included in the estimated cost of the bridge, but was considered necessary. The cost of construction was well within the estimated expense. The bridge is of the latest style construction and differs from the other bridges.

Snow Removal

The rapid growth of the business section of the Town has caused a decided increase in the amount of snow removal work required. The amount of appropriation necessary to give a satisfactory result is always uncertain. In the near future it will probably be necessary to add to the equipment already available and to replace with more modern apparatus some of the old machinery.

Street Lighting

The twenty-year contract for street lighting made with the Edison Electric Illuminating Company of Boston expires next October. Needham is the last town to continue with the Edison Company on the contract basis, under which only 32 c. p. lamps are used. The Board has been notified that at the expiration of the contract it will be necessary to use the 80 c. p. lamps which are in use in other cities and towns. The increased cost for these lamps is small in proportion to the whole cost of street lighting and to the increased efficiency which will result from their use. In view of this the Board of Selectmen recommends the abandonment of the contract for its few remaining months, and beginning April first, the adoption of the new schedule which will greatly increase the amount of illumination upon the streets.

Engineering Department

On account of the inability to get a report from the office of the Attorney-General on the by-law authorizing the appointment of a Town Engineer, the Board has not been able to make much progress in establishing an engineering department. The engineering work has been carried on as nearly as possible in accordance with the intent of the by-law.

Transportation

The transportation situation has been a very much discussed problem since last year. The Transportation Committee, together with Mr. Rich, worked out a plan in regard to the steam railroad service which has been in operation for some time and which we feel has been very satisfactory.

Having solved the problem of steam transportation the matter of electric car and bus service was taken up.

On May 18, 1926, the Middlesex & Boston Street Railway Company made application for a license to operate motor vehicles for the carriage of passengers for hire on public ways, replacing with a motor bus their then existing street car line.

On April 15, 1927, a conference was held with Mr. Rich, Transportation Counsel, and a group of prominent citizens from Needham Heights. At this conference the Middlesex & Boston situation and its relation to a Chestnut Hill line was fully discussed. Following this a group of the citizens present at that conference made, with a view to obtaining if possible some bus service to Chestnut Hill, a thorough study of the situation and were convinced that such a service is at the present time impossible to obtain.

Several other conferences were held in regard to this matter; one in Boston, one in Newton, and in other places. At these the full Board of Selectmen was usually present together with members of the transportation committee and leading citizens.

On July 19, 1927, Mr. Drew, president, and Mr. Hanson, general manager, of the Middlesex & Boston, met the Board for further discussion. At this time it had been definitely decided by a majority of the Board that no concession with regard to a Chestnut Hill line could possibly be obtained from the Middlesex & Boston.

It perhaps should be explained at this point that the Middlesex & Boston have a contract with City of Newton giving to that Company exclusive right to operate buses in Newton and providing that no permit can be obtained from the Newton City Council without a release by the Middlesex & Boston of its rights to operate the particular line for which the permit is requested. The street railway company explained that its position in refusing to permit such a license

to be granted to a local operator is that such a bus line would be competitive and it, the Middlesex & Boston, could not afford to allow it to operate.

At the conference on July 19, 1927, it was agreed that the Board of Selectmen would consider at its next meeting the proposal of the Middlesex & Boston, viz.; that if a license was granted it for one year, it would extend its fare zone to Newton Highlands station making a ten-cent fare from Needham to Newton Highlands, and continuing the five-cent fare for school children.

On September 13, 1927, a majority of the Board voted to notify the Middlesex & Boston that a license would be granted on the above terms.

On November 22, 1927, a petition with 700 signatures was presented requesting that the permit be not granted unless satisfactory arrangements could be made for a Chestnut Hill line which would include a five-cent fare to Needham Heights and other considerations. Mr. Drew and Mr. Hanson were again invited to meet the Board, which they did on November 29th at which time other petitions were presented. Representing the petitioners a gathering of about fifty persons appeared and the whole matter was gone over and discussed in detail and at length.

The majority of the Board of Selectmen after carefully considering the situation were of the opinion that the agreement reached with the Middlesex & Boston was the best obtainable and that the interests of the Town could not be advanced by further delay. On December 6, 1927, a license to operate motor buses was granted to the Street Railway Company.

On December 20, 1927, a hearing was held before the Department of Public Utilities at the State House in Boston upon the application of the Middlesex & Boston for a certificate of public convenience and necessity for the operation of motor buses in Needham. It was requested at the hearing by those appearing to oppose the granting of the permit that the Department make an investigation. Several days later two investigators from the Public Utilities Department made thorough investigation of the situation and examination of the records relating to the whole matter. Very shortly after this notice was received from the Middlesex & Boston that the permit from the Public Utilities had been received.

Motor buses were put in operation January 1, 1928.

The term of Mr. Edgar J. Rich as Transportation Counsel expired in August, 1927, and the Board did not feel that conditions required his further retention. Mr. Rich agreed, however, to be available if possible at any time in the future that the Town might want his services.

Law Department

No legal proceedings have been instituted against the Town during the year, and several of the old cases have been disposed of. There are, however, still pending the following cases:

Case	Cause of Action	Year
Mary A. Storey, *et al.*	Damages for the discontinuance of Day Street	1919
George Fred Williams	Damages for the discontinuance of Day Street	1919
Frances A. Williams	Damages for the discontinuance of Day Street	1919
Clara M. Holmes	Damages for falling on High School steps	1921

The above cases are on the so-called inactive list.

Case	Cause of Action	Year
Babson Institute	Abatement of taxes	1924
Babson Institute	Abatement of taxes	1925
Babson Institute	Abatement of taxes	1926
Babson Institute	Abatement of taxes	1927

All the Babson cases have been referred to a Commissioner who has been hearing the evidence and will doubtless report his findings to the Superior Court within a few weeks. Similar cases are also pending against the Town of Wellesley and are being tried with the Needham cases.

Case	Cause of Action	Year
Lemage Ramey	Taking of land for sewers	1926

The foregoing list contains all cases now pending against the Town.

The Town, through its Building Commissioner, is the complainant in an Equity suit, asking for injunction against violation of the Zoning By-laws.

Fire Alarm

The new system of fire alarm recommended by the Board last year has been put into operation and it is believed will be an improvement in the efficiency of the department. It is intended to continue with the program as outlined last year, so that in the near future the Town will have a modern and adequate fire alarm system.

In conclusion the Board of Selectmen wish to thank all Town Officers for their co-operation at all times and in all matters.

HENRY D. BLACKMAN,
ALFRED J. MERCER,
Board of Selectmen.

MINORITY REPORT OF WILLIAM P. BROWN

To the Voters of Needham:

While concurring in general with my colleagues in the foregoing report, I cannot endorse the section referring to transportation. It has therefore been impossible for me to sign the report with them. I wish to state, however, that if the Town were properly protected, I had no objection to the substitution of buses for electric cars. With the citizens as a whole, I believed it was the logical development, but the Town should have received the fullest protection.

As a member of your Board of Selectmen and also of the Board's Transportation Committee, I have been in very close touch with the entire situation, and feel certain that had the Board continued its own policy of 1926, it could have secured for the Town material concessions, including a five-cent fare between Needham and Needham Heights and a direct line to Chestnut Hill. Furthermore, in my opinion, the Town has not been properly protected financially.

While several conferences were held with the Middlesex & Boston officials, and one with a body of citizens from Needham Heights (this latter upon the invitation of the citizens) I do not recall that any hearings were held, although a hearing, or Special Town Meeting, was petitioned for, by citizens.

It was my desire that a public hearing should be called; the majority, however, ruled otherwise. I am unable to agree with my colleagues in believing that no attention should be paid to a petition signed by 2,032 residents and voters, urging the Selectmen not to grant a bus permit to anyone until satisfactory arrangements had been made for a line to Chestnut Hill, including a five-cent fare to Needham Heights and a sixty-cent, twelve-trip workingman's ticket to the Newton line. The voters plainly indicated their wishes and I believe that the Selectmen, elected to represent and to serve the voters, should have acted accordingly. No mention of the petition is made in the majority's *original* report.

The Middlesex & Boston should properly pay a material part of the cost of street reconstruction over their route, not simply the cost of replacing an old-time gravel road, useless today. The ten-cent fare to Newton Highlands station, of value to us only on the few occasions when we wish to connect with Boston & Albany trains, is negligible as an offset to the thousands of dollars which road-building and snow removal will cost. The individual tax-payer must make many trips before his savings will pay his increased taxes.

Notwithstanding the contract between the Middlesex & Boston and the City of Newton, I am confident that it was possible to secure three valuable concessions:

A five-cent fare to Needham Heights.
A line to Chestnut Hill.
A substantial payment for road reconstruction.

At the time the bus permit was granted, conditions had in no way changed from those existing during the two preceding years; no new facts had, to my knowledge, been introduced that would warrant any change in the Board's attitude. For this reason and because I felt that a petition carrying over 2,000 names should not have been disregarded and because I felt that all facts should have been presented to the voters at a public hearing, I could not feel justified in signing the bus permit nor the majority report of the Board.

Respectfully submitted,

WILLIAM P. BROWN.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

I hereby submit the report of the Highway Department for the year 1927.

The streets are generally in good condition. During 1926 and 1927 over four miles of streets have been gravelled and tarred and while this has been done, permanent construction has not been neglected for as much bituminous macadam has been built in each of these years as in any previous year.

The widening of Great Plain Avenue west of Railroad to Nehoiden Street was completed and the whole road rebuilt making a good addition to the square.

Fisher Street from Railroad to Central Avenue was laid out, graded and built, something that had been needed for years.

Rosemary Street at the Library from Highland Avenue to Railroad was built, the poles and grass plot being removed. This was a much needed improvement.

Charles River Street, the hill leading from Grove Street towards the river, a source of trouble after every storm, was built.

South Street from Livingston's to Dedham Avenue was built this year putting South Street in good condition from Great Plain Avenue to Dedham Avenue.

The corner at Lorraine's on Great Plain Avenue was completed doing away with a bad corner.

A part of Norfolk Street near Railroad Bridge was in bad condition and this was rebuilt.

Bituminous Construction 1927

Great Plain Avenue from Railroad to Nehoiden Street	3,300 sq. yds.
South Street	1,650 sq yds.
Charles River Street	1,266 sq. yds.
Rosemary Street	900 sq. yds.
Lorraine's Corner	600 sq. yds.
Fisher Street	3,000 sq. yds.
Norfolk Street	600 sq. yds.

Gravel Work Done This Year

Greendale Avenue from Great Plain Avenue to Lyons Bridge	1,525 linear feet
Carter Street, Upper Falls	700 linear feet
Marked Tree Road from High Rock Street to Central Avenue	1,650 linear feet
Cedar Street	1,650 linear feet
Charles River Street	500 linear feet

Street Surfacing

There was a total of 43,570 gallons of Tarvia B used for street surfacing. A larger quantity will be required this year.

Streets Built Under the Betterment Act

Coolidge Avenue	2,770 sq. yds.
Washington Avenue	2,325 sq. yds.

Granolithic Sidewalks

Maple Street to Oak Street west side, High Street from Webster Street to Hunnewell Street, Great Plain Avenue from Garden Street to Nehoiden Street, Gordon Road south side, Central Avenue, Vara's Corner, Upper Falls, Prince Street, west side.

As far as the Superintendent of Streets is aware, all applications for granolithic sidewalks were cleaned up.

Gravel Sidewalks

Nearly two miles of gravel sidewalks were built this year.

Webster Street from Rosemary Street to Mellen Street	850 linear feet
Brookline Street north side	600 linear feet
Highland Avenue from Preston Mitchell's to Webster Street	450 linear feet

Oak Street	400 linear feet
Manning Street east side	1,380 linear feet
Pleasant Street	250 linear feet
Norfolk Street	650 linear feet
Grant Street	350 linear feet
Chestnut Street east side from Cottage Street to Fletcher's	1,500 linear feet
Greenwood Avenue	1,050 linear feet
Hillside Avenue	500 linear feet
Dedham Avenue	1,560 linear feet

A sidewalk was started on north side of Dedham Avenue and should be continued to South Street principally on account of the swimming hole in summer. A total of 1,560 feet was built leaving 1,800 feet to be built.

Bridge

Pierce Bridge at Charles River Street was built this year and it was necessary to build a retaining wall on account of the relocation of the bridge, the necessary funds being taken from the Highway appropriation.

Fences

Walls and fences at Blacksmith's Pond, Nehoiden Street were rebuilt. A new fence was constructed on Rosemary Street at the lake and quite a lot of necessary filling was done which is a decided improvement.

State, Town and County Under Chapter No. 90
Central Avenue

A large section of this street was built this year, Hunnewell Street to Hurd's Corner, 5,324 sq. yds. and from Great Plain Avenue to Marselli's 3,700 sq. yds. 2,300 feet of drain was laid on this street running from Mahoney's on Great Plain Avenue to High Rock Street ranging in size from 10 to 15 inches. A lot of ledge was encountered both on drain and street but the distance required by the state engineer in charge was reached, the work meeting with the approval of both state and county.

Drainage

A drain was laid on Greendale Avenue and High Street. An easement was given by K. H. Partelow and W. H. Carter. Nine hundred seventy-five feet of 12 and 15-inch pipe, 6 catchbasins, and one manhole. This drain removed a bad condition which has existed for years.

Great Plain Avenue from brook to Pickering Hollow. One thousand one hundred and fifty feet of 12-inch pipe, 5

catchbasins. The abutters furnished the pipe, the town the labor. This drain should be extended to Nehoiden Street.

Howland Street Drain

One hundred twenty feet of 36-inch pipe, 2 catchbasins, was laid at the foot of Pleasant Street and across Howland Street. Some of this Howland Street brook should be piped each year.

Lincoln Street Drain

A drain was constructed on Highland Avenue, Great Plain Avenue, Dedham, Lincoln Street of 1,511 feet of 12 and 18-inch pipe, 21 catchbasins, 5 manholes, to take the water from the square to the Howland Street brook. With the completion of this drain the Square is now ready for rebuilding.

Norfolk Street Drain

In conjunction with John T. Morse, Jr., a drain was constructed on Norfolk Street, 75 feet of 10-inch pipe, 2 catchbasins.

Crusher

The crusher was used again in 1927 and again proved its worth furnishing most of the stone used on town work.

I would like to call the attention of the Board to the following:

	1925	1927
Money expended from General and Special Appropriations	$101,480	$99,656
Average number of men carried on payroll April 1 to Dec. 1 ..	22	38

showing that at least $16,000 more was paid to resident labor during 1927.

A detailed financial report of this Department will be found in the Accountant's report.

Recommendations

I would like again to call your attention to the gravel situation. I believe this is one of the first things which should receive the town's attention. During 1927, $1,902.74 was paid for gravel in the bank.

I also recommend the purchase of a five-ton truck. Something should be done about getting a municipal garage. If no other solution of this problem can be found then enough money should be provided for the Highway Department to build a suitable building for its uses on the lot now owned by the town on Howland Street.

Needham Square should be built this year at least from Railroad to Highland Avenue. It is at present one of the worst places in the town, giving a bad impression to anyone going through.

Fisher Street, from South Street to the Railroad, should be rebuilt.

West Street from Highland Avenue and High Street to Greendale Avenue should be built if sewer construction does not interfere.

Hunnewell Street from Hillside Avenue to Highland Avenue should be rebuilt this year. Car tracks through the Heights Square should be removed. Also car tracks on Great Plain Avenue west of Central Avenue.

Webster Street should be widened and rebuilt. A section should be done each year until the whole is completed.

A drain will have to be built this year on Ellicott Street.

A new system of drainage will soon have to be considered for Needham Heights Square. Until that is done, I would suggest that the underdrain of the sewer be again opened.

I wish to thank your Honorable Board for your continued co-operation and support.

The other departments of the town have been very willing to co-operate at all times with the Highway Department and I wish to take this opportunity of expressing my appreciation for the help they have given.

To the men of the department, who have by their loyalty and support helped in making this the most constructive year of this department, I wish to extend my sincere thanks.

JOHN OVERTON,
Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

January 31, 1928.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my annual report for the year ending December 31, 1927.

The addition of two new men to the force this year has made it possible to keep the office covered for twenty-four hours a day. The work of the police, however, grows steadily with the growth of the Town and the increase of automobile travel. New duties are constantly being assigned to the Department. Much extra work has been caused this year by the issuing twice within that period of a restraining order

on dogs. In connection with the licensing of dogs the Department investigated a list of fifty names of owners of unlicensed dogs, turning over to the Town Clerk more than fifty dollars of license money, of which seventeen dollars was paid by one owner of four unlicensed dogs.

In connection with this subject I would like to call attention of dog owners to the difficulty caused to the police in locating owners of dogs whose collars are unmarked or improperly marked. A dog is not properly licensed according to the requirements of the statutes until the owners name and address and the license number is placed on the collar or harness.

A request has been made for an officer to be regularly on duty in the North Needham district from 7.30 P.M. to about 9.00 P.M. This officer could be used after that hour in the vicinity of the Square, making two officers in the Square from twelve to 4.30 A.M. This would make it possible for one officer to answer calls without leaving the office uncovered or the square unprotected. I therefore recommend the addition of one man to the force this year.

Parents are asked to co-operate by instructing their children to obey the traffic officers and watch their signals. The officers are doing all in their power to protect the children and to keep the streets as safe as possible for them. Children should be warned against crossing in the middle of the street where there is no officer, and against dodging out from behind other cars without looking to see if any vehicle is approaching.

The number of cases in court for violation of the automobile laws is increasing every year. This is perhaps partially due to the growing number of automobiles on the roads. The Police earnestly request that the automobile drivers cooperate with them by driving with care and complying with the automobile laws, in order that the traffic in the highways of the Town may be kept orderly and as safe as it is possible to make it.

The Town was fortunate this year in having but one fatal automobile accident, although there were a number of serious accidents.

Following is the record of the court cases handled during the year:

Number of cases	249
Number of males	240
Number of females	9
Number of residents	93
Number of Non-residents	156
Number of juveniles	5
Number of adults	244

Causes of Arrest

Breaking and entering	3
Violation of Automobile Law	115
Drunkenness	54
Violation of Town By-laws	17
Deserting wife and children	1
Neglect of wife and children	9
Keeping an unlicensed dog	3
Indecent exposure	1
Larceny	9
Disturbing the peace	7
Assault and battery	2
Illegal sale of liquor	3
Attempt larceny	1
Vagrant	3
Exposing and keeping intoxicating liquor	3
Unlawful manufacture of liquor	1
Illegal transportation of liquor	6
Failing to pay wages	1
Being a neglected child	5
Violation of probation	2
Causing false alarm	2
Default	1
Total	249

Disposition of Cases

Number of fines imposed	157
Released on probation	17
Placed on file	33
Discharged	12
Dismissed for want of prosecution	3
Turned over to Boston Police	2
Sent to State Farm	4
Sentenced to House of Correction	5
House of Correction, suspended sentence	4
State Hospital	1
Default	5
Probation	6
Warrants served for other towns	128
Number of doors found open	100
Search warrants for liquor	6
Accidents where reports were made	64
Total amount of fines imposed	$3,499 50
Amount of fines received by the Town	1,404 50
Amount of automobile fines	2,095 00

In conclusion, I wish to thank the officers in the department for the goodwill and loyalty which they have shown during the year, and to express to the Board of Selectmen and the citizens of the Town my appreciation of their co-operation and support.

Respectfully submitted,

NORMAN MacKENZIE,
Chief of Police.

REPORT OF THE SUPERINTENDENT OF FIRE ALARM

Needham, Mass., January 17, 1928.

To the Honorable Board of Selectmen:

Gentlemen:—The report of the Superintendent of Fire Alarm for the year ending December 31, 1927, is herewith submitted.

The year 1927 has been a very busy year for this Department, during the year the overhead wires on Central Avenue, from Hurd's Corner to Hunnewell Street and at several other places throughout the town have been changed on account of the transferring of the telephone and electric light wires. Five red light domes have been placed over fire alarm boxes to better designate their locations at night. A marked improvement has been made by installing two fire box pedestals with red lights, which are also wired and arranged for the use of a green light for the police service when required by the Police Department. These pedestals are similar to the one located in Needham Square, and have been placed at the corner of Great Plain Avenue and Pickering Street and at Highland Avenue and West Street. Three old style fire alarm boxes have been replaced with modern type boxes. Six Shunt type fire alarm boxes have been connected into the system and located near schoolhouses ready to connect with an interior school signaling system. Six modern type boxes have been connected into the system at important locations, one being in the Glover Hospital. A number of fire alarm boxes have been changed to poles on which an electric light is also attached, by this method the box can be more readily seen at night time, besides a red dome can be readily attached when desired.

The above work has been done in accordance with the recommendation made by the Special Committee acting on

fire alarm matters last year and adopted by the Finance Committee which later was voted by the citizens of the town.

All boxes have been frequently tested, the boxes have also been painted and the poles on which they are attached have been painted with a red band, in order to be more discernible. Necessary tree trimming has been done and the system is in good operating condition and free from grounds.

The system has been maintained by the permanent men of the Fire Department under the direction of the chief. Mr. Robert E. Thompson rendered valuable service as assistant superintendent until he resigned on August 15, 1927, after which date Mr. Harold R. Sullivan succeeded to this position and ably carried on this branch of work.

Recommendations for the coming year

I desire to make the following recommendations:

1. That three old style fire alarm boxes be replaced with modern type successive and non-interfering boxes, in accordance with the plan submitted last year which was adopted by the Finance Committee.

2. That three new fire alarm boxes be installed at the following locations:

Kingsbury Street near Fair Oaks Park
Ellicott Street and Sargent Street
Green Street and South Street

Two of the above locations are now on the running card s Phantom locations.

3. That six red domes be placed on electric lights over fire alarm boxes at locations to be decided by the Department.

4. That two fire alarm box pedestals equipped with lights be located at

Highland Avenue and May Street
Highland Avenue and Rosemary Street (near Library)

These pedestals to be similar to those installed last year.

5. I deem it of the utmost importance to have all the school houses in our town connected with the town fire alarm system and at the same time provide means for notifying teachers and scholars in the building in case of a fire.

Last year fire alarm boxes of the type which can be tripped from the interior of the school by teachers or scholars were placed near schoolhouses, so that we can now arrange to have the school apparatus installed, and provide this very essential method of signaling in order to better safeguard the young children in our public schools.

The High School Building which is a fire resisting building and in which the older school children of the town attend, is the only building which is connected with the town fire alarm

system. The other schools (four of which are wooden buildings and of old building construction, designed and built before the town's building laws were adopted), need to be provided with the safest means of notifying our Fire Department in case of FIRE in order to protect the smaller children in these buildings. Every effort should be made to carry this important work into effect, so that in case of fire or panic assistance can be rendered from the Fire Department outside of the building immediately, as every second is serious in cases of emergency.

I should like to see all the schools arranged with the best signaling devices as soon as possible; it may, however, be advisable to have four of the wooden buildings first equipped, these are the Eliot, Dwight, Harris, and Kimball, and I recommend that steps be taken this year to do this work.

The above is in part in accordance with my talks and demonstrations of the operation of fire alarm boxes to the teachers and children in the several schools of the town shortly following Fire Prevention Week during October of last year.

6. In the report of the Special Committee last year it was stated that "Plans should be made for the extension of the Mutual Aid System Alarm, which already connects Needham and Wellesley" and I am pleased to report that I have taken up the subject matter with the Chief of the Fire Department of Newton, Mr. Clarence W. Randlett, and he is ready to co-operate on this Mutual Aid System with our town. This will mean the extension of a circuit from the Newton line on Highland Avenue to the Fire Headquarters at Needham, besides making a connection at the Fire Station at Needham Heights, so that the Newton signals can be received at both engine houses.

The Needham signal line will be extended by the city of Newton from the town line on Highland Avenue to the Fire Station at Newton Upper Falls and later to the Fire Headquarters at Newton Centre so that the Needham signals can be received at the Newton stations.

The Mutual Aid Service should sooner or later also be connected with the Dedham Fire Department, so that all municipalities which border on Needham will be connected by a system which will help each other in case of necessity and in accordance with a pre-arranged plan made by those in charge of the Protective Departments.

7. The upkeep of the system will be substantially same as last year, there will be an added expense for charging the storage batteries caused by the cutting out of the Middlesex & Boston Street Railway current, and using the Edison service.

I desire to thank the members of the Board of Selectmen and the members of the various Departments of the town, also the members of the Fire Department who have assisted in carrying on the work of the Fire Alarm System.

Respectfully submitted,

T. ROBERT QUINLAN,
Superintendent of Fire Alarm.

REPORT OF THE BOARD OF ENGINEERS OF THE FIRE DEPARTMENT

Needham, Mass., December 31, 1927.

To the Honorable Board of Selectmen:

Gentlemen:—The Board of Engineers respectfully present the report of the Fire Department for the year ending December, 31, 1927, the 42nd of the department.

The Manual Force

The manual force of the Fire Department consists of forty men as follows: The permanent force, Chief of Department, one lieutenant, and six men; the call force, twenty-seven (27) men as follows: two (2) assistant chiefs, four (4) captains, one (1) lieutenant, and twenty (20) men including one "bunker," a fireman with sleeping quarters at Station 2, where he is available for quick response with the full paid men on night alarms. Exclusive of this organization are five substitutes.

During the year one permanent man resigned from the Department; Robert E. Thompson, driver of Combination 1, and who, in addition to his duties as fireman, was assistant superintendent of fire alarm. Mr. Thompson resigned August 10. Harold R. Sullivan of Ladder 1 was appointed assistant superintendent by Superintendent of Fire Alarm, T. Robert Quinlan. On April 30, Leo Brady was appointed substitute firemen for John F. Braceland, Engine 1, who was granted sick leave. Mr. Brady was later advanced to fill the vacancy caused by Mr. Thompson's resignation and John F. Keith was appointed to the substitute position on August 18. One man, Richard M. Salomone appointed April 30, was added to the permanent force this year.

Apparatus

The apparatus of the Department consists of four pieces of

motor and one horse drawn, as follows: One (1) White combination hose and chemical and one (1) American-La France Ladder truck at Station 1; one (1) White combination pump hose, and chemical at Station 2; while the horse-drawn combination hose and chemical wagon is stationed at Charles River; and one (1) chief's car. The motor apparatus is in good mechanical condition and requires no extensive repairs with the exception of Engine 1.

This latter piece of apparatus must be repainted and refinished this year to preserve it and save it from damage incident to the natural exposure of service. With the exception of needed minor repairs, the motor is in good condition. The pump is in need of overhauling. Engine 1 has not been painted and the pump has not been repacked in the nine years this piece of apparatus has been in service.

Hose

There is at present 5,200 feet of serviceable $2\frac{1}{2}$ inch hose in the Department; also 750 feet of chemical hose. An additional 500 feet of $2\frac{1}{2}$ inch hose should be purchased the coming year.

Fire Stations

The two wooden fire stations, years old, are in as good condition as can be expected, with the exception of straightening an outside wall, painting not in the past year's program, and minor repairs.

During the past year apparatus floor interiors have been painted at the two stations and at Station 2 further improvement has been made by a wall and ceiling covering of wall board. Sewer connection has been made at Station 2, and the floor has been levelled and straightened. The painting, work of putting up wall board, and the digging of the sewer ditch to the street line, was done by the permanent men of the department.

Fire Prevention

Consistent attention to fire prevention has been continued as an important part of fire department work. During the past year 405 building inspections have been made and recorded under the direction of Chief Quinlan. In addition to this number of complete inspections, frequent inspections have been made of premises in the mercantile districts. Inspection tours through various manufacturing plants of the town have been made by the several companies.

During fire prevention week test drills were witnessed at all the schools where talks on the importance of preparedness and prevention were given by Chief Quinlan and others.

This was followed by an actual demonstration of the exact method of sending in an alarm for fire from boxes such as are in use in Needham.

Drills

Bi-monthly drills with the apparatus were held in May, June, July, August, and September. During the year all the firemen availed themselves of the opportunity to hear Assistant Chief Henry Fox of Boston in an instructive talk on fire department work; as well as Chief George Johnson of Waltham, and Chief Clarence W. Randlett of Newton, who answered questions on fire fighting problems. Later in the year, Dr. Fields Warren, pathologist at the Palmer Hospital, Boston, delivered a valuable lecture to the firemen on "Smoke and Gas and How to Meet Them."

Fire Loss

Fire prevention work is encouraged by the exceptionally low fire loss of the year, which is estimated at a total of but $16,822 on buildings and contents.

Hydrants

As last year, the department has kept the hydrants cleared of snow. The coming year, through arrangement made with Commissioner William A. Mann, the Boy Scouts have assumed the responsibility of keeping the hydrants clear on the residential streets, and this will be of material help.

Recommendations

The Board recommends that the body, with chemical tank and ladders, of the horse drawn apparatus now at Charles River be mounted on a chassis and put in use as a forest fire and general service piece; and that next year a light motor truck be installed at Charles River. Until this is done the Board believes a light single wagon may be made to suffice.

The Board recommends that to facilitate the movement of apparatus under mutual aid that fire alarm connection with Newton be installed the coming year.

The Board urges a serious consideration of new quarters for the fire department and believes that a committee should be appointed to make a study and report to a future town meeting.

The Board recommends salary allowance for a man for six months beginning April first.

Summary for the Year

The total of alarms for the year was 233, of which 177 were bell and 56 were still. There were 18 out-of-town calls,

as follows: 16 to Wellesley, one to Dover, Westwood and Dedham, and one to Westwood. Four of the bell alarms were second alarms, 10 were false, 17 were needless, two were Boy Scouts Calls, and one was a no-school signal.

Four calls were made upon the department in emergencies other than fire, as follows: one in a case of carbon-monoxide gas poisoning; and three engine calls, one to clear cellar under flood conditions and twice to clear water for street department.

The amount of hose used during the year was 19,650 feet, the number of gallons of chemical used was 1,151; and there were 1,318 feet of ladders raised in the extinguishment of fires.

There were a total of 177 fires during the year, and these, exclusive of 23 chimney fires, classified as follows:

Frame Buildings	26
Woods, Brush, and Grass	112
Automobiles	8
Miscellaneous, including dumps, etc.	8

Probable causes of fires, exclusive of five undetermined are as follows:

Back fire (auto)	3
Burning rubbish	26
Burning grass and brush	7
Careless smoking	22
Children	4
Chimneys	23
Chimneys (sparks from)	3
Electric wiring (short circuit)	4
Electric range	1
Fireplace (defective)	1
Furnace pipes	1
Heating sulphur kettle	1
Hot ashes	2
Incendiary	32
Lightning	4
Locomotive (sparks from)	27
Oil burner	2
Oil heater	3
Rekindle	4
Steam pipes	1
Steam shovel (sparks from)	1

From a study of the causes, it is apparent as last year, that a large percentage of the fires were preventable. The Board again calls this to attention and wishes to emphasize that a realization of this by the people of Needham will prevent many of the fires with the consequent endangering of life and property.

The amount of value, insurance, and estimated loss by fire is as follows:

*Value of buildings at risk	$89,613 00
Value of contents at risk	125,500 00
Total	$215,113 00
Insurance on buildings	$116,088 00
Insurance on contents	65,000 00
Total	$181,088 00
Loss on buildings	$9,281 00
Loss on contents	7,541 00
Total	$16,822 00
Insurance paid on buildings	$10,200 94
Insurance paid on contents	8,966 00
Total	$19,166 94

*Assessed value.

The Board thanks the School Department for its co-operation particularly in fire prevention work, and wishes to express appreciation of the courtesy shown by all town departments. Thanks are due to the departments of Wellesley, Newton, and Dedham for efficient aid.

Respectfully submitted,

Chief T. ROBERT QUINLAN, *Chairman*,
Assistant Chief DANA L. SOUTHWORTH, *Clerk*,
Assistant Chief GEORGE W. HOLT,
Board of Engineers, Needham Fire Department.

REPORT OF FOREST WARDEN

December 31, 1927.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my annual report as Forest Warden.

During the year there were 1,487 permits issued for the burning of grass, brush, and rubbish. The Fire Department had comparatively few calls where people were burning with permits, as strict caution was taken in regards to weather conditions, nearly all permits were for one day periods, and in some cases people were called upon to reimburse the Town for expense of calling the Fire Department for burning without a permit.

During the past year the work of the Boy Scouts in the

prevention and extinguishment of forest and grass fires, their willingness to co-operate with this department in this important work is greatly appreciated, and I desire to thank them and Scout Commissioner Mr. William A. Mann for their valued co-operation.

Residents desiring to build fires in the open between March first, and December first may obtain permits at Fire Department Headquarters, Needham, or at Station No. 2, Needham Heights.

The notices relative to securing a permit from the Forest Warden before setting a fire in the open were published in the *Needham Chronicle* during the month of February.

The following are extracts from The Massachusetts Forest Fire Laws.

Setting of Fires in the Open Air

No person shall set, maintain or increase a fire in the open air between March first and December first except by written permission of the state fire marshal, within the metropolitan fire prevention district as defined in section twenty-eight of chapter one hundred and forty-eight, or, outside thereof, of the forest warden or chief of the Fire Department in cities and towns, or, in cities having such an official, the fire commissioner; provided, that debris from fields, gardens, and orchards, and leaves and rubbish from yards may be burned on ploughed fields by the owners thereof, their agents or lessees, if such fire is at least two hundred feet distant from any sprout or forest land and at least fifty feet distant from any building and is properly attended until extinguished; and provided, further, that persons above the age of eighteen may set or maintain a fire for a reasonable purpose upon sandy land or upon salt marshes or sandy or rocky beaches bordering on tide water, if the fire is enclosed within rocks, metal or other non-inflammable material. The forest wardens in towns and officials performing the duties of forest wardens in cities shall cause public notice to be given of the provisions of this section, and shall enforce the same. Whoever violates any provision of this section shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than one month, or both. G. L. Chap. 48, Sect. 13.

Arrest Without Warrant

The Forest Warden or any of his deputies may arrest any persons setting or maintaining a fire in violation of the provisions of this Act. G. L. Chap. 48, Sect. 15.

Respectfuly submitted,

T. ROBERT QUINLAN,
Forest Warden.

REPORT OF COMMITTEE ON TOWN NURSERY

To the Selectmen of Needham:

The town nursery established in the spring of 1926, has shown very remarkable advancement during the past season. The winter killing during the winter of 1926–27 was almost inappreciable. The most remarkable growth has been shown by the American elms and the catalpas. The elm seedlings, six inches high when set in April, 1926, now average between four and five feet in height. Catalpa seedlings set at the same time are now about six feet tall with many individuals well above that mark. There are 1,000 of each of these kinds in the nursery. Street plantings will be made from the catalpas in the spring of 1929.

The tulip poplars, chestnut oaks, red and sugar maples are all showing very surprising growth. In connection with the maples it should be noted that great difficulty was experienced this year in obtaining trees of these species for street plantings. Several local nurseries were entirely sold out. They are replacing with seedlings and transplants smaller than are now established in our own nursery. The Tree Warden reports that maples for street planting will undoubtedly have to come from out of the state during the coming season. It is expected that maples will be available from the Town nursery before local dealers will again be able to supply them.

In the spring of 1927 a new piece of ground was set to 1,000 beech and 1,000 American linden. Fully 90 per cent of the linden are in thrifty condition. Beech are notoriously hard to handle and the loss with these was large, as might be expected. There are now about 500 beech in good condition and from now on the loss with these should be small.

The growth of the seedlings first set has necessitated some transplanting. About 500 transplants were made after the beginning of the dormant season this fall. About a half acre has been prepared to provide space for the transplanting that will be necessary in the spring. This will give nearly an acre and a half under cultivation in 1928.

The principle work for the coming season will consist of trimming, shaping, heading, and transplanting. The Town now has fully 7,000 young trees well established in the nursery. To date the work has cost something under $400 or less than six cents per tree. The estimates for both years have been considerably in excess of the expenditures. This was due to

the inexperience of the committee which has lead to an overestimate of the cost of care. It will be noted that the appropriation asked for this year is but half that for the preceding year.

The committee invites the citizens of Needham to inspect the nursery at any time. It is something of which our Town may well be proud and has already attracted the attention of the State Forestry Department.

Respectfully submitted,

GEORGE TWIGG,
ALLAN McINTOSH,
IRVING COWDREY, *Chairman.*

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Moth Department for the year ending December 31, 1927.

The gypsy moth is still found in all parts of the Town in varied numbers. More spraying had to be done for this pest this year than in the two preceding years, and by this means it was kept under control.

Our neighboring towns, Dover and Dedham, had a heavy infestation and considerable stripping of foliage took place in each town. It is in these towns that Needham's greatest menace from re-infestation lies, as the pest in the moth state may fly miles in favorable winds before depositing its eggs. It was the oak and elm trees in the neighborhood of these boundaries that gave us the most trouble, both in spraying and creosoting egg clusters this winter. Careful and timely work only will stop a re-infestation of the gypsy moth. This last summer thousands of acres of woodland in western and southern Massachusets were stripped of foliage by this pest.

The browntail moth appeared in very small numbers again this year and gave very little trouble. The usual amount of scouting for this insect has been done.

The oak leaf roller gave no trouble again this year. It is hoped that it has entirely disappeared.

The elm leaf beetle was again troublesome in places. A spray of arsenate of lead in these localities was effective and no defoliation resulted.

The tent caterpillar infestation in all parts of the Town was very bad. It was necessary to spray road sides all over

the Town. Over forty miles of this work was done with very good results. Fruit tree owners should destroy tent caterpillar nests when they first appear. Do this by tying a small piece of cloth to the end of a pole; wet the cloth with kerosene or creosote and draw it through the nest. This should be done in the early morning or early evening when the caterpillars are in the web. The surest and easiest way to destroy them is to spray arsenate of lead in the following proportion: five pounds of lead to fifty gallons of water. The proper time to apply this treatment is during the last week of May or the first week of June. Cut down all the wild cherry on your property and you will find it a great help toward the suppression of this pest.

The satin moth infestation was very serious this year, damaging the foliage of most all poplars in the Town on private estates. This caterpillar feeds exclusively on willow and all varieties of poplar, and destroys foliage quickly. This insect may be easily identified by two rows of white spots on its back. Owners of poplar trees would do well to spray them this year if they wish to save them. Between the first and fifteenth of June all poplars should be sprayed with arsenate of lead, using five pounds of lead to fifty gallons of water.

All the trees in our Town parks and school yards, and roadside shade trees that required it were sprayed. Two tons of chemicals were used in this work. More than $1,600 worth of work was accomplished this year on private estates.

The co-operation of property owners is very gratifying and we take this opportunity to thank them.

GEORGE TWIGG,

Local Superintendent of Moth Department.

REPORT OF TREE WARDEN

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Tree Warden Department for the year ending December 31, 1927.

Ninety-four shade trees were planted this year. They were all good stock of the elm and maple varieties, and they went into the winter in good condition.

Five young trees of the 1926 planting were broken by careless automobilists, and had to be removed. These trees cost $3.50 each by the hundred, and it seems as if these "hit-and-run" drivers might be honest enough to pay for the damage they cause.

Brush cutting was done on all the streets in Town that required it. All brush was cut back from street intersections far enough to give unobstructed vision in all directions, and a margin wide enough for pedestrians was cleared on roadsides of all streets in the Town not having sidewalks. The Department has received many compliments from out-of-town people for the standard of this work.

A great amount of trimming and removing dead limbs has been done, and a large amount still remains to be done, but there is a limit to what can be accomplished with the appropriation any year. Ten dead or practically dead trees had to be removed for safety and appearance. Four more will have to be taken down in the spring. These are all trees that did not recover from the ice storm of a few years ago. Bark injuries and wounds on the trunks of all shade trees have been cared for an treated to prevent and stop decay.

The Department asks that the same appropriation of $1,500 be made as last year so that the tree planting program may be carried out and other necessary work attended to.

GEORGE TWIGG,
Tree Warden.

REPORT OF DOG OFFICER

Needham Board of Selectmen:

Gentlemen:—The report of the Dog Officer is submitted for the year ending December 31, 1927.

Number of dogs licensed six hundred and twenty-nine, an increase of ninety over 1926.

WILLIAM H. STANTON,
Dog Officer.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Needham Board of Selectmen:

Gentlemen: — I submit the annual report of Sealer of Weights and Measures, one hundred and twenty-two annual inspections were made. No complaints or irregularities during year.

Fees collected and turned over to Treasurer, $92.83.

WILLIAM H. STANTON,
Sealer of Weights and Measures.

REPORT OF THE BUILDING INSPECTOR

December 31, 1927.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit my eleventh annual report as Building Inspector and the fifteenth of this department.

The estimated cost of construction, a total for the year of $1,060,225 is shown by the monthly issue of permits as follows:

	No. Permits	Estimated Value
January	12	$51,800 00
February	9	101,150 00
March	13	61,250 00
April	28	109,550 00
May	26	108,775 00
June	21	115,450 00
July	28	111,500 00
August	21	66,500 00
September	31	94,550 00
October	31	90,975 00
November	26	92,200 00
December	16	56,525 00
	262	$1,060,225 00

This is an increase in the value of construction from 1926 of $79,360 and an increase in the number of permits issued of 24. There were 21 more dwelling permits issued this year than last, and there was an increase in value over last year of $184,250.

The number of building permits issued from this office during the past year is 262, classified as follows:

	No. Permits	Estimated Value
Dwellings	112	$859,800 00
Garages	85	45,675 00
Additions and Alterations	41	72,300 00
Power Station	1	25,000 00
Store Block	1	20,000 00
Greenhouse	1	11,000 00
Farm Buildings	1	5,000 00
Remodel to 2-family	3	4,100 00
Miscellaneous	17	17,350 00
	262	$1,060,225 00

There have been three single houses changed to two-family; and the permit for one of these was issued under

authorization of the Board of Selectmen. One of the garages (commercial) was authorized by the same Board.

All of this construction has been carefully inspected and made to comply with the building laws.

The comparison for the past eleven years is shown by the following table of the estimated value of permits issued:

In 1917, Value	$221,120 00
In 1918, Value	102,485 00
In 1919, Value	384,876 00
In 1920, Value	332,825 00
In 1921, Value	655,090 00
In 1922, Value	716,620 00
In 1923, Value	1,166,950 00
In 1924, Value	1,376,100 00
In 1925, Value	1,223,720 00
In 1926, Value	980,865 00
In 1927, Value	1,060,225 00
Total for 11 years	$8,220,876 00

The number of plumbing permits issued for the year 1927 was 191. These permits are issued by the plumbing inspectors as are also the cesspool permits, which are required by Board of Health ordinance. It is made compulsory to obtain a permit before building a cesspool of any description; and it must be inspected by the plumbing inspector. The fee for such inspection is two dollars.

The plumbing inspectors are J. F. Buckley, 109 Dedham Avenue, Needham, and Henry Thomas, West Street, Needham Heights.

The amount collected, from permits issued, for the use of the Town and paid to the Town Treasurer, is $1,284.50, divided as follows:

Building Permits	$676 50
Plumbing Permits	374 00
Cesspool Permits	234 00
Total	$1,284 50

While builders for the greater part show a gratifying desire to comply with the building laws, it will be mutually helpful if owners, architects, engineers, contractors, and builders will carefully

Remember

Permits are required before starting any building operation.

All building operations, including alterations and additions, must comply with town ordinances.

Before lathing and plastering a building an inspection and approval by the building deparment is required.

A building may not be altered without a permit and then it must conform to the regulations.

The public must be safeguarded during building operations.

These ordinances were adopted and are enforced for your benefit and protection.

Accidents are avoided by guarding materials stored in streets and alleys with barricades and danger lights.

You save time and trouble by procuring a building permit before starting work.

It is not the business of the department to superintend the construction of a building.

The department should be consulted if there is any doubt about what the law requires when plans are being prepared.

Respectfully submitted,

H. HOWARD UPHAM,
Building Inspector.

REPORT OF THE PARK COMMISSIONERS

To the Honorable Board of Selectmen:

The Park Commissioners respectfully submit their annual report.

During 1927 Thorpe Memorial, Vesta and Noyes Parks, Needham Heights Common, the Bathing Reservation and minor plots located at Hurd's Corner, Central Avenue and Reservoir Street and at Webster Street and Greendale Avenue have come under our jurisdiction.

For the maintenance and improvement of these public properties we have expended the sum of $1,246.17 as follows:

Upkeep and improvement of parks	$948 90
Equipment and repairs	100 77
Bathhouse supervision	132 00
Water	11 00
Advertising	1 20
Flags and repairs	52 30
	$1,246 17

The Town appropriated in 1927 the sum of $1,150 which together with $100 transferred to our department from the Reserve Fund covered our expenditures, as routine matters only were carried on.

The usual use of the Bathing Reservation occurred as in former years.

The expenditure in the year 1926 of $1,530.96 for the permanent improvement of Needham Heights Common by the construction of granolithic walks, regrading and seeding has proven justified by the decreased cost of upkeep.

Gratified by this economy as well as by the improved appearance of the Common, the Commission desires to continue the policy of making a permanent improvement upon at least one park each year.

Recommendations for 1928: The State Highway Department having now completed the widening of Central Avenue at Noyes Park, the improvements deferred for two years should be made; the topmast of the flagpole on Needham Heights Common is in an unsafe condition and should be renewed; the small park at Central Avenue and Reservoir Street, from which the shrubs were removed last year to improve visibility and lessen danger of collision, should be curbed and provided with new sidewalk; the Street Department has requested the Commission to assume the care of the central planting spaces in Fair Oaks Park and Harris Avenue, which total some eight thousand five hundred (8500) square yards in area; in addition there will be the usual maintenance work at all parks including the plot at Hurd's Corner, Vesta Park, and Thorpe Memorial Park.

Consequently, the Commissioners, having in mind the foregoing necessary and permanent improvements, as well as the routine maintenance costs, now ask that the Town set aside for the use of this Commission during the year 1928 the sum of three thousand dollars ($3,000).

Respectfully submitted,

PRESTON MITCHELL, *Chairman*,
FREDERICK KINGSBURY, *Secretary*,
I. TUCKER BURR, Jr.

February 1, 1928.

REPORT OF MEMORIAL PARK TRUSTEES FOR THE YEAR 1927

The Memorial Park Trustees in submitting their report, wish to express their feeling of great loss in the passing of their fellow Trustee, Roscoe A. Carter. The town has lost a citizen of the highest type, who gave unsparingly of his time and energy to the service of his Town. As a Trustee of Memorial Park he was devoted to the achievement of this project. He will be remembered by his colleagues as a man of unusual keen intellect, for his courtesy, his ever present kindness and

regard for the opinions of others. We can best honour his memory by emulating his high standard of citizenship.

The main work on Memorial Park this year consisted in constructing a baseball diamond. It was carefully laid out and built according to regulation. Because of the unusually fine grass growing season, the result has been as fine a diamond as can be had and it will prove a great addition to the athletic equipment of the Town. The necessary repair and maintenance of the quarter mile cinder track and the football field was of course included in our work on the field.

The boulder also has been placed in its permanent position and the approaching walks have been laid out. A good start has been made on the grading, preparatory to carrying out the plans for the planting of shrubbery and the general beautifying of the park.

The athletic field is being used practically all of the time from April to November. The High School gymnasium classes are held on the field when the weather is suitable. The field is also used by the High School for baseball practice and games in the spring and by the girl's hockey teams in the fall.

The High School held two Track Meets; the first, a dual meet with Milton, the second on May 28th, an invitation School boy meet including Belmont, Braintree, Natick, Norwood, Wellesley and Needham. The Meet was won by Belmont.

The Town held a very successful Fourth of July celebration on the Park and the American Legion sponsored weekly band concerts during the summer.

THOMAS JAMES CROSSMAN,
AMOS H. SHEPHERDSON,
OSCAR H. STARKWEATHER,
WALLACE G. RAE.

REPORT OF PLANNING BOARD

February 2, 1928.

To the Citizens of Needham:

The Planning Board has held regular meetings during the past year as usual, and has given careful consideration to new street development, new streets and a general discussion of orderly Town Planning.

The new traffic highway plan has been discussed thoroughly, but no further action has been taken as the Town Engineer with whom the Planning Board was instructed to work, has not been appointed by the Board of Selectmen, so nothing can be done in that direction for the present.

No special expenditures have been necessary during the past year.

ARTHUR W. ROHN, *Chairman*,
ARTHUR G. CURREN, *Secretary*,
HAROLD B. CHURCH,
LAURENCE S. CALDWELL,
ERNEST B. ALLEN,

Planning Board of Needham.

REPORT OF THE BOARD OF HEALTH

To the Inhabitants of Needham:

The following is submitted as the first report of the Board of Health since its separation from the Board of Selectmen.

The first work undertaken was a revision of the Board of Health regulations, with special attention to quarantine and school exclusion for communicable disease.

In May, owing to the fact that two children in the Town were bitten by mad dogs, the restriction of all dogs for ninety days was recommended by the Board to the Board of Selectmen, who put into effect a restraining order on February 9, 1927.

Two public or Town dumps have been established, one on Central Avenue and one on Highland Avenue, and the private dumps closed. In October a contract was made with James Lawson for the care of the Central Avenue dump and it has been a satisfaction to the Board to note the excellent condition in which this dump has been kept, thus doing away with one of the chief sources of complaint.

The Board has worked in co-operation with the Sewer Commissioners in their endeavors to have house connections made on streets where the main sewers now are laid. The sanitation of a town is of utmost importance and the need, as a health measure, of doing away with cesspools and connecting with the sewers wherever possible, cannot be exaggerated. It has been a great pleasure to work with the

Sewer Commissioners and also to have the assistance of Mr. Hollis, the engineer. In planning the work for the next year, the Board was asked by the Commissioners for recommendations, and in making them consideration was given to the streets from which complaints of bad cesspool conditions come most frequently. It is to be hoped that the Town will see the very real need of authorizing the work of the Sewer Commission as now planned.

One of the most important things undertaken by the Board was to engage Miss Roberta B. Lovely for two months from June 15th to August 15th. Miss Lovely's work included completing the records of cases of tuberculosis in the Town and conducting pre-school clinics for children in the North Needham and Upper Falls sections of the Town. The privilege of using the room in the Boat House at North Needham given by Mr. Buitta was much appreciated as was the use of the Eliot school given by the School Committee. Sincere thanks are due the doctors who made the physical examination at the clinics. These were Doctors Mitchell, Thompson, MacGray and Mann. Miss Lovely's work was very efficient and valuable and a splendid foundation was laid for future efforts along the same lines.

Four clinics were held in North Needham, each one being well attended, due to the personal visits made by Miss Lovely who went from house to house asking the mothers to bring their children. A total of 44 children were examined, and of these 9 revisited the clinics, some attending every time. At the 2 clinics at the Eliot School, 17 children attended and with the exception of 3 all of them entered school in the fall. Out of the total of 61 children examined at the 6 clinics the following defects were found:

Tonsils	29
Adenoids	19
Teeth	18
Underweight	19
Deformities	3
Total	88

With the assistance of Miss Lovely a series of letters to all mothers of new-born babies was started, a personal letter being sent monthly. Through the courtesy of Doctor Champion of the Child Hygiene Division of the State Department of Public Health these form letters were made available.

Tuberculosis work begins in the schools and the State Department of Public Health has a splendid service available

to every Town where the Board of Health and School Committee make a joint request for it. It is the so-called "Ten Year Tuberculosis Program" under which all school children are given a thorough examination for tuberculosis. The report available on the work now accomplished covering a large area of the State, shows that of those children examined who come from homes where there has been tuberculosis, known as contact children and underweight children, 50% react to the tuberculosis test by the time they are six years old. Nearly 30% of the total examined were positive to the tuberculosis test. The Board of Health has asked the School Committee to request this service jointly, and it is hoped that before long it will be possible to accomplish this.

The report of the Agent to the Board accompanies this report and we wish to express our appreciation to Mr. Berger for his services. The report gives in detail the incidence of communicable disease and the milk analyses, but it does not give any adequate idea of the scientific, willing, and cheerful services given by Mr. Berger.

In closing, the Board of Health wishes to call the attention of the inhabitants of Needham to the most vital need before it. That is, the public health nursing service which so many communities have today. The infant mortality rate is the most sensitive index of public health work. The future welfare of the State, the Country and the race lies in how far we, of the present, discharge our duty to the children of this generation — today infants — tomorrow the fathers and mothers of the next generation. The infant mortality rate means the number of deaths under one year per thousand live births.

Infant Mortality of Needham

1922	65.2
1923	65.5
1924	74.4
1925	28.6
1926	28.0

Now the significance of these figures is just this — that the infant mortality rate is lowered by a public health nursing service, as these figures show for themselves, for in 1925 there was a public health nurse in Needham. Besides infant welfare work the duties of a public health nurse would include:

1. Child welfare clinics for the pre-school child.
2. Baby clinics.
3. Communicable disease follow-up work in close co-operation with the school nurse.

4. Other special clinics — such as the Schick Test and Habit clinics for difficult children.
5. Tuberculosis work of the community and co-operation with the school in the ten-year program of the State Department.

The conservation of children is recognized by the most eminent authorities as the most important consideration before the American people and there is no more significant factor than the health of the child. What will the citizens of Needham do about it? For the question is directly up to the taxpayers of the Town. Are you willing to pay an additional 6c on every $1,000 for the conservation of our children? The increase in the appropriation will amount to this much if a public health nurse is engaged. At present the per capita expenditure for this department is about 50c. With this small increase the following health program could be efficiently carried out and it is recommended by the American Public Health Association, and therefore it would be a very ideal program.

1. Administration and records, public health education and vital statistics, health officer, nurse, clerk.
2. Communicable disease control — of epidemic disease and tuberculosis and venereal disease.
3. Child Hygiene — infant hygiene and pre-school child.
4. Public health nursing service.
5. Inspection work, milk, water, waste disposal, garbage collection, cesspools, food handling establishments, complaints and nuisances.
6. Laboratory cultures for diagnosis and release of diphtheria and typhoid water samples and milk samples.
7. Improved sanitation of the Town — completing house connections to the main sewers.

The present Board of Health seeks the safety, welfare, and happiness of our Town. We seek to make it a model health Town of Massachusetts.

LESLIE B. CUTLER,
DAVID E. MANN, M. D.
RAY C. HALL,
Board of Health.

REPORT OF THE AGENT OF THE BOARD OF HEALTH, 1927

Needham Board of Health, Needham, Mass.

Gentlemen: — Below is my report as agent for your Board during the year 1927:

Diseases Dangerous to Public Health

The year 1927 finds the smallest number of communicable cases reported since 1924. The total of 163 cases is remarkably small. Massachusetts authorities report a decrease throughout the State of 16% for the year 1927 as opposed to the 1926 figures. Needham figures represent a decrease of 71.1%. The decrease is due to the small number of cases of minor infections reported. Table number I shows the monthly incidence of all the cases. Table No. II shows the cases over a ten-year period.

Scarlet Fever

Scarlet Fever cases numbered 34, a decrease of 40% over 1926. The majority of the cases have been mild and this very fact undoubtedly has led to the spread of the infection. Mild cases go unrecognized and infection of others, due to lack of quarantine, takes place. Evidence tends to support the theory that a carrier condition in Scarlet Fever may exist after a patient seemingly has recovered. Such individuals when released from quarantine offer excellent modes of infection. Until such time as laboratory means are found for the detection of carriers and the prevention of their release from quarantine the control of the infection becomes an important question. Time alone is not a sufficient guarantee that an infected person is bacteriologically safe to mingle with others. Once such a means is found we may expect a more perfect prevention of infection.

Chicken-pox

The outbreak of Chicken-pox in the last months of 1926 carried over into 1927 for the first five months and subsided during the month of May. A total of 32 cases were reported

during the year. The only reason for this disease being a reportable infection is that it might be confused with small-pox. With the increasing laxness in vaccination against small-pox it is very probable that a mild case of this disease may be the starting point of an outbreak. That small-pox is still active in these latitudes is borne out by the reporting of several cases in Connecticut. With modern modes of transportation it is very possible to imagine the transmission of the infection to other parts. With so many susceptibles among the adult population the writer dreads what may happen if once this infection gets a start. The best protection and the only one is vaccination. This treatment carried out every seven years will confer an immunity on the individual.

Mumps

Mumps cases increased the yearly total by 59 cases. All of the reports came in the first half of the year.

Acute Anterior Poliomyelitis (Infantile Paralysis)

During the state and country-wide outbreak of this infection Needham escaped with only one case being reported. The writer uses the word escaped, advisedly. So little is known about this infection that it constitutes one of the baffling questions of the medical and sanitary profession. Much has been said about raw milk being the infective vehicle but in the writer's humble opinion other sources must be found to satisfactorily explain the reasons for outbreaks of this infection. When the infective source is unknown the medical profession seem to select milk as the excuse for their lack of knowledge. The press always seeking the new, sees the opportunity of playing up new things and the public accept as authentic one individuals unsupported opinion. Much investigation must be done before all the blame can be put on raw milk. The presence of one case must go unexplained until such time as the question is answered by bacteriological research.

Tuberculosis

Seven new cases, five of which were pulmonary tuberculosis were reported during the year. Three of the five received sanitarium care. One case died shortly after being reported to the Board. For most of the year there have been five patients at the Norfolk County Hospital.

Laboratory

During the year the laboratory has made the following examinations for the physicians of the Town:

Diphtheria Cultures	13
Widals	4
Sputa	17
Malaria	2
Gonorrhea	5
Vincent's Angina	1
Total	42

Monthly tests have been made of the water supply to assure that no pollution existed. All samples gave negative tests.

Milk

The results of the milk analyses have been tabulated in the appended tables and need no further comment. The Agent is at all times ready to help persons interested in interpreting the results, but he can not, as some persons expect, recommend any one supply.

Complaints

The action on the various complaints as received by the Board have been taken up in the various meetings. In an effort to reduce unsightly spots the Board conducted a survey aided by boy and girl scouts. The results were such that only the surface was touched. If a Clean-Up campaign could be instituted much could be done to eliminate many of the unsightly places which are or may become offensive. A Clean-Up campaign properly conducted is an excellent thing. Community spirit must be aroused, committees must be appointed that will function. Work should be planned months ahead and when the appointed time comes all stress must be placed on the idea. Now is the proper time to begin working on such an idea if Needham is to have a real Clean-Up Week that is worthy of the name.

Quarantine Regulations

During the year the Board has adopted the minimum quarantine regulations as sponsored by the Massachusetts State Department of Health and the Massachusetts Associated Boards of Health. These regulations are an effort to

establish uniform regulations on quarantine throughout the State. In most instances the code is less severe than the one which it replaces.

Schick Test

Once again the writer urges that the parents of Needham make a determined effort to have the Schick Test and Toxin Anti-toxin treatment available for their children. Some people may argue that the small number of cases of this disease reported during the past few years is evidence that there is no need for agitation along these lines. The longer a community is without this disease, and not because of immunization work being carried out, the greater the number of susceptible children there is bound to be.

Public Sewer

The Board this year in co-operation with the sewer department is to make a determined effort to have all unconnected houses on streets where a sewer exists connected with the sewer. This will undoubtedly require legal orders to be issued but since the Town has the sewer it is only reasonable to expect that it shall be used at its full capacity. The sewer has been installed with the idea of making Needham a better place to live in and now that it has modern methods of sewage disposal it is no more than right that it be used. The sewer has been installed not for the benefit of a few but for the welfare of all.

Vital Statistics

As usual the agent has appended tables on such vital statistics as are of interest to sanitarians. In dealing with small populations such figures are not as truthful as those of larger communities.

Respectfully

H. E. BERGER, Jr.

REPORT OF THE SEWERAGE COMMISSIONERS

December 31, 1927.

To the Citizens of Needham:

We respectfully submit our first annual report.

The Commissioners met and organized on March 15, 1927, and have held meetings on the second and fourth Wednesdays of each month since.

In compliance with the vote of the Town the under-drain outlet in Memorial Park was discontinued on March 28, 1927.

We have endeavored to carry on the extension of the sewerage system on a basis of installing sewers which would benefit the greatest population and in the sections where most needed. In order to carry out this policy it was found necessary to install a low level trunk line sewer through Maple Court and private lands to Linden Street and in Linden Street northerly to Oak Street, from which point this sewer will eventually extend through Oak Street to

Marked Tree Road, thereby opening a large area to be served by this system.

It was also deemed advisable to install a trunk line sewer in Greendale Avenue, as this sewer also provides for another large area to be served.

The cost of the sewer construction in 1927 was $18,970; it was done under the supervision of our Superintendent with Town forces, and its cost was considerably less than it would have been by contract work as compared with 1926 figures as a basis. Sewers were laid in the following streets:

Warren Street from Dedham Avenue to Great Plain Avenue.

Dedham Avenue from Lincoln Street to Warren Street.

Great Plain Avenue from Maple Street to Nehoiden Street.

Manson Road.

Webster Street from Highland Avenue to Greendale Avenue.

Greendale Avenue from Webster Street to Central Street.

Maple Court.

Linden Street from Maple Court to Oak Street and beyond.

The above totals approximately one mile, which added to the previous construction makes a total of six and one-quarter miles of sewer.

In considering the sewer extensions for 1928 the Commissioners have consulted with the Board of Health and recommend appropriations for the following construction:

Webster Street from railroad to Norfolk Street	$1,000 00
Norfolk Street	3,560 00
Warren Street from Norfolk Street to Interceptor	1,100 00
Webster Street from High Street to Greendale Avenue	6,200 00
Pleasant Street	3,100 00
Grant Street	2,600 00
Dedham Ave. from railroad to Bradford Street.	3,000 00
Bradford Street	4,740 00
Manning Street	8,200 00
Thorpe Terrace	500 00
Linden Street	2,000 00
Total	$36,000 00

It is not our intention that any of this $36,000 be taken from the tax levy, but to ask the Town to appropriate such money now in the treasury that has been paid in on sewer assessments; the difference of about $15,000 to be obtained on short term notes of six to twelve months which are to be paid from the returns of outstanding assessments amounting to

approximately $40,000 together with returns from any sewer assessments levied in 1928.

We appreciate the hearty co-operation we have received from all departments which has contributed to the economical construction and operation of the sewers.

Respectfully submitted,

GEORGE A. LORD, *Chairman*,
EDWARD SEAVER, *Secretary*,
S. PAYSON WALDRON,
Sewerage Commissioners.

SUPERINTENDENT'S REPORT

To the Sewerage Commissioners:

Gentlemen:—I submit for your consideration the second annual report of the Sewer Department.

Conclusion

The principal work accomplished by the Sewer Department this year has been the construction of 4,817.8 linear feet of common sewers, 4,592 linear feet of house connections, and partial cleaning of main and lateral sewers. Surveys and plans were made, titles examined and papers drawn for the taking of a sewer easement through private lands from Maple Street to Linden Street.

Six additional *Record Sewer Plans* have been drawn this year making a total of thirty-one street plans and two index plans on file in this office.

Construction was carried on from April 25 to October 15 with an average force of twenty-two men. The total cost of sewers laid this year was $18,970.00 from which amount $786.00 was spent for a truck, $750.00 for tools and equipment and $500.00 for lumber which was left in place in the lower part of Linden Street and Maple Court.

Engineering Work Done by the Superintendent For Other Departments

Lines and grades were established, titles of abutting properties examined, plans drawn and furnished to the Board of Selectmen for the levying of assessments under the Betterment Act due to the construction of 3,032 linear feet or 1,678 square yards of granolithic sidewalks on the following streets:

Maple Street	490 linear feet	222 square yards
Great Plain Avenue	398 " "	344 " "
West Street	275 " "	148 " "
Central Avenue	103 " "	89 " "
Highland Avenue	12 " "	8 " "
Prince Street	1,296 " "	648 " "
Gordon Road	458 " "	219 " "
Total	3,032 linear feet	1,678 square yards

Lines and grades were furnished to the Highway Department for the construction of storm-water drains in the fol ow-ing streets:

Greendale Avenue	725 feet
High Street	250 "
Tower Street	205 "
Howland Street	120 "
Great Plain Avenue	1,150 "
Lincoln Street	1,511 "
Dedham Avenue	255 "
Great Plain Avenue	525 "
Highland Avenue	325 "
Total	5,066 feet

Lines and grades were established, titles of abutting properties examined, plans drawn and furnished to the Board of Selectmen in connection with the acceptance of the following streets:

Coolidge Avenue, Washburn Avenue, Washington Avenue.

Lines and grades were established and furnished to the

Highway Department for the construction of the following streets:

Rosemary Street . .	355	linear	feet	900	square	yards
Coolidge Avenue . .	1,246	"	"	2,325	"	"
Washington Ave. .	1,046.5	"	"	2,770	"	"
Fisher Street	1,425	"	"	3,000	"	"
Great Plain Avenue	(Widening)			3,300	"	"
Great Plain Avenue	(Lorrains Corner)			600	"	"

Titles of abutting properties were examined and plans drawn and furnished to the Board of Selectmen for the taking of a strip of land from Lincoln Street through Garfield Street (so called) and adjacent properties to the culvert on Warren Street for the purpose of establishing the outlet for storm water from a drainage area of 65 acres.

Street lines were reproduced on the following streets:

Dedham Avenue, Fair Oaks Park, Gage Street, Great Plain Avenue.

Profiles were established on the following streets:

Chestnut Road, Webster Street.

Plans were made and furnished to the Board of Selectmen in accordance with Land Court instructions for the purpose of filing land court titles on lots Nos. 1, 2, and 4, Central Avenue, Highland Park (so called) and land on corner of Nehoiden and May Streets.

Various meetings and special hearings have been attended and the usual amount of miscellaneous work requiring the services of an engineer has been accomplished.

The following tabulation shows sum paid by other departments to Superintendent and Assistant for engineering services rendered:

Streets	$386 31	
Sidewalks	80 10	
Drains	143 10	
General	109 75	
Total		$719 26

Acknowledgements

In closing this report the Superintendent most heartily thanks the other department heads who have so readily rendered their assistance and co-operation, and all those who in any way associated with him in an effort to make this year's work successful.

Very respectfully,

LESTER C. HOLLIS,

Member, Boston Society of Civil Engineers.

REPORT OF DEPARTMENT OF PUBLIC WELFARE

December 31, 1927.

To the Citizens of Needham:

In comparison with surrounding towns and cities our Town has been extremely fortunate in having had so few new applications for aid during the past year.

At present the increase in the number of applications from families who have never had to resort to such action before are so many that the Board find it necessary to ask for an appropriation of $15,000 — an increase of $3,000 over last year. We are asking for $1,000 deficiency appropriation, this is the same as last year.

We expended $344.73 in excess of our appropriation because of the demands made upon us during the last three months of the year. The Board feel that a great deal of money and effort are wasted during the Thanksgiving and Christmas holidays because of the lack of co-ordination and no co-operation of the different groups administering relief to families on these occasions.

The Kings Daughters and the home service department of the New Century Club have been very co-operative where temporary aid has been needed.

EVAN C. THORPE,
CATHERINE F. TAPPAN,
ALFRED T. BAKER.

Number of persons aided	109	143	128	165	137	101	125	106	70	96
Cost per inhabitant	$1.03 (1)	$1.47 (1)	$1.45 (2)	$1.90 (2)	$0.94 (2)	$1.42 (2)	$1.18 (3)	$1.07 (3)	$0.57 (4)	$1.13 (4)

NOTE: (1) Based upon 6,600 population.
(2) Based upon 7,000 population.
(3) Based upon 8,000 population.
(4) Based upon 9,000 population.

NOTE: Average cost per inhabitant for year 1922 as shown above is 94c. This seeming reduction over previous years is accounted for in the fact that the reimbursements in 1922 were for aid rendered in year 1921 and prior. In order to judge the average cost per inhabitant, we suggest that 1921 and 1922 be averaged which shows a cost of $1.42 for years 1921 and 1922. The low cost for the year 1926, namely 57c, is due to reimbursements received during 1926 for aid rendered in prior years.

REPORT OF THE TRUSTEES OF THE NEEDHAM FREE PUBLIC LIBRARY FOR 1927

The year 1927 has been one of accomplishment and efficient service given the community by the Library.

The circulation of volumes reached the record number of 56,862, including the deposit stations. The number of books and magazines read in the Library, and at its stations, has been large, how many thousands is unknown.

A deposit station was opened the middle of November in the schoolhouse at Riverside, on Highland Avenue, and is in charge of Miss Edith May McCann, the teacher there. The Trustees feel that this station has already justified its establishment. Many activities center about the Library, and the co-operation with the schools of the Town has been constant and effective. The Librarian has met a large number of the pupils in the schools, has given them information, in groups or by grades, as to the use of the Library, and has strengthened its position as a part of the educational system of the Town. The fortieth anniversary of the Needham Free Public Library is to be observed by exhibitions, illustrating its work, at the Great Plain and at Needham Heights.

At the close of 1927 Miss Dorothy Satterlee left the employ of the Library, much to the regret of the Trustees, to accept a position in Boston. She had served the Library as a substitute since July, 1921, had been a regular assistant since June 18, 1926, and its first assistant since October 14, 1926. She is reliable and efficient, and, we think, was appreciated by the patrons of the Library.

This year the interior of the Library should be painted and the ceilings whitened. With the growth of the Town and of the Library the time is near when the Town will presumably feel obliged to add to the main room galleries and steel stacks that will cost several thousand dollars. The space available for books has already been exhausted.

Respectfully submitted,

GEORGE K. CLARKE,

Chairman.

NEEDHAM FREE PUBLIC LIBRARY
LIBRARIAN'S REPORT

To the Board of Selectmen:

Gentlemen:— I have the honor to submit my annual report for the year 1927.

During the year we have tried to extend the Library's scope, in order to reach and serve as many people in the community as possible. That we have succeeded in some measure is shown by our increased circulation of books for the year — 56,862.

The Library has during the year co-operated with the clubs, and with students in every possible way. It desires and strives to help the schools and school children by providing the required and supplementary reading necessary to a fuller understanding of the school subjects. The librarian has visited the schools, and the individual classrooms in order to inform herself of the school curriculum, and how the Library may be of assistance. She has spoken to the children on subjects of Library and school interest, and has given library instruction to school grades which have visited the Library with their teachers.

A new deposit station has been opened in the Riverside School, in North Needham, to provide books for this neighborhood, which is at some distance from the Main Library.

It is the aim of the Trustees and the Librarian to make the Library building as attractive as possible, by having the books arranged neatly, by displaying colored posters and book jackets and special shelves of books. Not only is it important that the building should be attractive, but the collection of books we offer for circulation must be well selected and kept in good condition. The book appropriation should be generous enough to enable us to purchase the most desirable of the new books as they appear.

The lampshades and window-seat cushions have been recently recovered, and now look very well indeed. A new section of steel shelving was installed during the summer, and some of the books shifted into it. This relieves the crowded condition of the shelves temporarily.

Miss Dorothy Satterlee resigned from the staff in December, to accept a position in the Peter Bent Brigham Hospital, and has been succeeded by Miss Mary Grout, from the Springfield Public Library. The Library regrets having lost Miss Satterlee's services, since she was an admirable member of the staff, and was well liked by our readers.

The statistical report is as follows:

Library Statistics for 1927

Days the Library was open	300
Total circulation (Main Library and Deposit Stations)	56,862
Average daily circulation (Main Library)	170

Respectfully submitted,

BARBARA ABBOTT,

Librarian.

REPORT OF COMMITTEE ON JUNIOR HIGH SCHOOL FACILITIES

Appointed under Article 10 at the Town Meeting, March 21, 1927

To the Citizens of the Town of Needham:

At the annual Town Meeting held on March 21, 1927, it was voted:

That a committee of seven be appointed by the Moderator, at least two of whom shall be members of the School Committee, to investigate the needs for Junior High School facilities and report a plan of action to the Town at any Town Meeting after October 1, 1927, or at the annual Town Meeting in 1928.

In compliance with the above vote, the Moderator appointed the following committee:

Harry H. Bruns
Roscoe A. Carter
Margaret O. Chase
William W. Gallagher
Alfred P. Hartshorn
Harold W. Loker
Carleton G. McIntosh

The Committee met and organized with Harold W. Loker as chairman and Harry H. Bruns as Secretary.

Mrs. Margaret O. Chase later resigned from the Committee on account of sickness in her family, and later on the death of Roscoe A. Carter left another vacancy.

The Committee has held a large number of meetings. It has considered the advisability of adopting the Junior High School System in Needham. The school room facilities in the Town, the probable needs of school buildings for the immediate future, and the location of Junior High School facilities, and submits the following:

The growth of the Junior High School System in Massachusetts is proceeding very fast and Needham has made less headway in this matter than most of the towns in our immediate vicinity. The School Committee have decided to adopt the so-called 6–3–3 plan in this Town, which briefly is as follows:

The kindergarten and first six grades comprise the Elementary School System. The seventh and eighth grades

and so-called Freshman class of the High School comprise the Junior High School.

The sophomore, junior and senior classes of the High School comprise the Senior High School.

By this segregating the seventh and eighth grades and the freshman class of the High School, and with departmental teaching, and the earlier introduction of Latin and French and certain other studies, it is believed that pupils will enter upon the three-year course of the Senior High School better prepared.

This Committee heartily approves the adoption by the School Committee of the 6–3–3 System, for the schools of the Town of Needham.

School Accommodations

The new High School building was intended to accommodate five hundred pupils. It now has a membership of four hundred sixty-eight divided among the freshman, sophomore, junior, and senior classes. Of this number ninety will graduate in June, 1928, leaving 378 for the sophomore, junior, and senior classes in September. The entering class in September will number about 150 and with the ordinary increase of new pupils the high school will, in all probability have about 540 members in September, 1928.

The old High School building has 219 pupils of the seventh and eighth grades and the basement and an unsatisfactory room on the third floor are being used to accommodate even this number.

The William Carter School now has 367 pupils of the third, fourth, fifth, sixth, seventh, and eighth grades, and to accommodate this number the Assembly Hall is being used for a class room. This building was intended for only 350 pupils.

The Avery School, across the street from the William Carter School has kindergarten and the first, second, and third grades. There are 183 pupils there and in order to accommodate them a portable building is being used in conjunction with this Avery School.

The Stephen Palmer has 395 pupils in the kindergarten, first, second, and third grades. This building was designed for 350 pupils.

The Kimball School now has 350 pupils of the fourth, fifth, sixth grades and one of the rooms on the third floor of this old building is now being used because of necessity and in spite of the ever present fire hazard.

The Eliot School has 137 pupils distributed between the kindergarten and the first five grades.

The Riverside Building has 40 pupils in the kindergarten and the first and second grades.

The Harris School has 58 pupils in the kindergarten and the first five grades.

The Parker School has 16 pupils in the kindergarten and the first three grades.

The school population of the Town is increasing about 100 pupils yearly.

In September, 1928, there will be from the section of the Town north of Rosemary Street about 234 pupils of Junior High School grade; and on the southerly side of Rosemary Street about 324 pupils making a total of 558 pupils in the Town of Junior High School grade. If the Town should at once provide a Junior High School building to take care of pupils of the seventh, and eighth grades and freshman class of the High School, the present Senior High School building, being relieved of the present freshman class, could take care of the needs of the Town without any addition for probably five years.

A new Junior High School building designed for perhaps 750 or 800 pupils would supply the needs of Junior High School accommodations for probably a like period of five years.

The rooms in the William Carter School, and the old High School building vacated by the pupils of the seventh and eighth grades would become available for pupils of the elementary grades and thus the crowded conditions of the other buildings in the Town would be taken care of for some time.

This committee believes that a Junior High School building designed to accommodate from 750 to 800 pupils should be erected at once and if it is done the needs of the pupils from the seventh grade through the Senior High School will be taken care of for approximately the next five years.

Location of Junior High School

There are many Junior High Schools with a membership of only 250 which are doing efficient work. There are other Junior High Schools with a membership of 2,000 which the Principal and Superintendent will tell you are most efficient. However, there is probably a point at which it is desirable to limit the membership of the Junior High School if it is to produce the most efficient results. Perhaps a school of 500 can be run a little more economically than two schools of 250 pupils, but there is not the same proportionate saving between the maintenance of 1,000 pupils in two schools of 500 pupils each; and whatever little saving there may be in dollars and cents, if any, is more than offset by the fact that

in a smaller school the opportunity for contact between principal, teacher, and pupils is very much greater and likewise the efficiency of the school is greater.

This committee believes that it is their duty to try to anticipate the future as well as recommend for the present needs of the Town.

In view of the fact that there are now 558 pupils of Junior High School age and in view of the fact that this Town is growing very rapidly this Committee is of the unanimous opinion that our recommendation should be made, and action taken by the Town with the express intention of ultimately establishing and maintaining two Junior High School buildings in the Town.

For pupils north of Rosemary Street and for pupils south of Rosemary Street two Junior High Schools should be erected.

We all believe that the location of the present Avery School offers the ideal location for a Junior High School building for the northerly end of the Town. The building was designed for extension and there is a large lot of land in connection with it.

For the southerly end of the Town we have considered all locations possible so far as we know and we believe that Green's Field is the most desirable location. The lot is owned by the Town. It is level. It contains approximately three acres. It is in the approximate center of the present Junior High School population of the Town. It is readily accessible from all parts of the Town and there is no other location in the Town on which a building could be so economically erected.

By thus constructing a Junior High School building on Green's Field at the present time all the pupils of the Town from the seventh grade through the Senior High School will have the best of modern facilities and adequate for at least five years. Furthermore the crowded conditions of the elementary school buldings will be relieved for some time to come.

This Committee therefore recommends that the Town at once construct a Junior High School building on Green's Field to accommodate 750 to 800 pupils and that as soon as the growth of the Town demands it, the present Avery School building be remodeled and enlarged for additional Junior High School accommodations.

It was not possible for this committee to consider the matter of Junior High School conditions without at the same time noticing conditions in our elementary school buildings.

We therefore hope we may be pardoned for making a few suggestions which may possibly furnish a basis for some future committee which may be asked to report on the needs

and desirability of the Town securing at an early date locations for our elementary school accommodations.

The Kimball, Eliot, Harris, Dwight and Riverside buildings are all old wooden buildings and some of them should have been replaced long ago.

We therefore suggest the advisability of the Town securing in the immediate future a tract of some six or eight acres of land at the northerly end of the Town; that an underpass be secured under the tracks of the New York, New Haven & Hartford Railroad so that all the pupils of elementary school age at this end of the Town can be taken care of in one building thus ultimately doing away with the Eliot and Riverside buildings and saving the Town the present charges for transporting pupils.

We also suggest the advisability of securing a tract of land in the vicinity of the intersection of Great Plain Avenue and Central Avenue. A building approximately at this location would provide for the pupils on the westerly side of the New Haven Railroad and would do away with the old wooden Dwight School building and to a large extent the Kimball School building.

We also believe that the Town should not fail to secure before it is too late a suitable tract of land in close proximity to Bird's Hill. The rapid development in this section of the Town will soon necessitate additional school accommodations for this vicinity and a school building might be so located so as to also dispense with the old Harris School.

We must strongly urge the voters of the Town to consider the advisability of securing land for buildings to accommodate the above growing sections of the Town. It is possible now to secure land for buildings which must ultimately be erected in approximately the above locations and it can be secured much more cheaply now than in the future. In the meantime the land can be used for playgrounds which are needed in the Town, and the Town will be assured of suitable locations for buildings as soon as they are absolutely needed.

Respectfully submitted,

HAROLD W. LOKER,
WILLIAM W. GALLAGHER,
CARLETON G. McINTOSH,
ALFRED P. HARTSHORN,
HARRY H. BRUNS.

In signing the above report, as the only member of the committee who represents the School Committee, I wish to reserve for the present my endorsement of the location recommended.

HARRY H. BRUNS.

REPORT OF THE WATER COMMISSIONERS

To the Inhabitants of the Town of Needham, Massachusetts:

We submit herewith the thirty-eighth annual report of the Water Department for the year ending December 31, 1927.

Mr. Charles W. Jones, after faithfully serving as Water Commissioner for eight years, resigned early in 1927. At the Annual Town Meeting in March, Mr. William W. Gallagher was elected to fill the unexpired term, and Mr. Henry Thomas was re-elected for a term of three years.

The Board organized by electing Mr. Henry Thomas, chairman; Mr. William Gallagher, secretary; and appointing George A. Adams, clerk and superintendent.

Extension of Mains

The following extensions were made in 1927:

Cedar Street—from Wellesley Avenue to residence of Robert R. Cranton.

Coolidge Avenue—from 1926 extension to Harris Avenue.

Fairfield Street—from Great Plain Avenue to residence of W. E. Doane.

Green Street—from South Street to residence of C. A. Perry.

Kingsbury Street—from 1914 extension to Fair Oaks Park.

Lewis Street—from 1925 extension to Newell Avenue.

May Street—from 1916 extension to Highland Avenue.

Mellen Street—from 1912 extension to Webster Street.

Washington Avenue—from 1926 extension, south.

Wilshire Park—from 1926 extension, south.

For length of pipe see Superintendent's report.

Extensions of pipe smaller than four-inch have been laid in the following streets:

Charles River, Kingsbury, Manning, Morley, Parish, Sargent, Coulton Park, Newell Avenue and Page Road.

A six-inch fire service main was laid to the box-shop of the William Carter Company on Hillside Avenue, the cost being borne by the owners. The extension on Cedar Street was made without a guarantee in accordance with the vote of the Town. The remaining extensions are covered by guarantees or rates, excepting Mellen, May and Kingsbury Streets, which were made to do away with the dead ends of pipe and make circuits to improve both the domestic and fire service as recommended in our previous reports.

At the Special Town Meeting, October 17, 1927, the Town authorized the Water Commissioners to make extensions of the water main in Cedar, Fairfield and DeLue Streets, Oak Hill, and Needham Gardens and appropriated money for the same. The material for the extensions has been purchased and a portion of the extensions made but the weather conditions were such it was impossible to finish them in 1927. The work will be taken up when the frost is out of the ground and carried on to completion.

Hydrants

Nine steamer hydrants have been set during the year as follows:

Two each on Newell Avenue and Cedar Street, one each on Fairfield and Kingsbury Streets, one on Great Plain Avenue at the corner of Garden Street to replace a standard, one on Highland Avenue at the corner of Hunnewell Street to replace a standard, one on Sachem Road at the corner of Highland Avenue to replace the standard moved from Highland Avenue.

For location of steamer hydrants to date see Superintendent's report.

The hydrants have received their customary inspection and are in good working order.

Future Extensions

We believe that in all cases before a street is built or rebuilt provision should be made for the extension of the water main, especially is this true in regard to Chestnut Street and Central Avenue. Chestnut Street has been surveyed by the State Engineers with the intention of rebuilding in 1928. While there is no call at the present time for this extension only the matter of improving the service, if a few hundred feet of pipe were laid from the dead end opposite the residence of Mr. Channell, on Chestnut Street, to the dead end on High Rock Street, or better still, way through to South Street, thus making circuits so the streets could be fed in either direction, it seems to us the improvement in the service would warrant the expenditure.

The same condition exists on Central Avenue. The whole Charles River section of the Town from the junction of South and Webster Streets to the Wellesley line is fed through a single eight-inch pipe. If a line were laid connecting the two dead ends on Central Avenue, giving another feed to this section of the Town it would greatly improve both the domestic and fire service. While it will cost a few thousand dollars to make this extension we believe the Town should give it serious consideration.

Water Rates

As authorized by vote of the Town in 1924.

The minimum advance water rate on each service shall be $10 per annum, from April 15 to April 15, and pays for 2,500 cubic feet of water if used between these dates.

Water used in excess of 2,500 cubic feet and under 202,500 cubic feet will be charged at the rate of twenty cents per 100 cubic feet.

Water used in excess of 202,500 cubic feet will be charged at the rate of eleven cents per 100 cubic feet.

Bills for the minimum advance water rate of ten dollars shall be rendered April 15, and will include the charges for excess water for the year ending on that date, except if the water used between April 15 and October 15 in the same year exceeds 2,500 cubic feet a bill for such excess shall be rendered and payable October 15, or, if the meter readings indicate that a large amount of water is being used on any service the bills shall be rendered and payable monthly.

1942	1,000
1943	1,000
1944	1,000

Total outstanding bonds	$91,000 00
Total bonds matured and paid	239,000 00
Total authorization and issued	$330,000 00

Short Term Bonds

Four thousand dollars of the bonds issued in 1924 and three thousand dollars of those issued in 1926 to be paid from the earnings of the water department as per vote of the Town, have been paid in 1927.

Bonds of the two issues are due as follows:

	1924 Bonds	1926 Bonds	Total
1928	$4,000 00	$3,000 00	$7,000 00
1929	4,000 00	3,000 00	7,000 00
1930		3,000 00	3,000 00
1931		3,000 00	3,000 00
	$8,000 00	$12,000 00	$20,000 00

Respectfully submitted,

HENRY THOMAS,
WILLIAM W. GALLAGHER,
PHILIP A. RAND,
Water Commissioners.

SUPERINTENDENT'S REPORT

To the Honorable Board of Water Commissioners:

Gentlemen:—I present herewith the report of this department for the year ending December 31, 1927.

Summary of Receipts

Cash in treasury, January 1, 1927		$6,425 56
Water rates	$48,044 60	
Repairs	857 79	
Fines	186 56	
Rent of building	100 00	
Sale of ashes	20 00	
Sale of cord wood	186 82	
Sale of junk	43 51	
Interest on bank balances	69 87	
		49,509 15
		$55,934 71
Extension of services	$2,793 05	
Sale of meters	84 00	
Sale of pipe, for street construction	66 87	
Appropriation	19,100 00	
		22,043 92
		$77,978 63

Summary of Expenditures

Extension of main	$13,636 35	
Extension of service	7,130 60	
Purchase of meters	1,766 68	
Payment of bond	7,000 00	
Increasing and protecting water supply	620 27	
		$30,153 90
Coal	$2,741 45	
Engineers	3,889 60	
Lighting station	95 14	
Labor on station and grounds	116 63	
Telephone service	50 80	
Supplies for station	403 84	
Pump parts and repairing	160 48	
Boiler tubes and repairing	585 22	
Insurance on buildings	100 00	
Connecting sewer at engineer's house	149 59	
Carried forward	$8,292 75	

Brought forward	$8,292 75	
Power for new station	1,470 20	
Labor at new station	520 00	
Repairing and painting station and house	355 27	
Office and meter reading	1,525 69	
Telephone service	141 09	
Printing, stationery, and postage	217 61	
Treasurer's department	300 00	
Salaries	2,860 00	
Liability insurance	536 93	
Graham Bros., truck	868 05	
Repairing parts and care of meters	816 56	
Labor and material on leaks	651 72	
Labor, supplies and general repairing	5,087 62	
Refund	14 14	
		$23,657 63
Interest on bonds	$5,038 75	
Interest on loans	511 95	
Payment of loan	10,000 00	
		15,550 70
Cash in treasury, December 31, 1927		8,616 40
		$77,978 63

MAINTENANCE ACCOUNT

Receipts and Assets

Balance, January 1, 1927	$6,425 56	
Rates, rentals, etc.	49,509 15	
Amount due from all sources less abatements		
Water rates $511.94 less $40.00	471 94	
Repairs $22.95 less $2.10	20 85	
		$56,427 50

Expenditures

Orders drawn	$23,657 63	
Interest on bonds and loans	5,550 70	
Payment of loan	10,000 00	
Transferred to construction account	16,109 98	
		55,318 31
Balance		$1,109 19
Total amount transferred from earnings of department for construction to December 31, 1927.		$109,455 25

CONSTRUCTION ACCOUNT

Receipts

Extension of services, etc.	$2,943 92	
Appropriation	19,100 00	
Transferred from earnings of department	16,109 98	
Amount due this account	54 24	
		$38,208 14

Expenditures

Orders drawn	$23,153 90	
Payment of bond	7,000 00	
		30,153 90
Balance		$8,054 24

Cost of Works

Cost of works as reported December 31, 1926	$488,758 70
Expended in 1927	29,706 61
	$518,465 31

Meters

One hundred and fifty-five meters have been purchased, three condemned and renewed, making two thousand five hundred and forty in the department.

SUMMARY OF STATISTICS
For the Year Ending December 31, 1927

Needham Water Department, Norfolk County, Mass.
Population by census of 1925, 8,977.
Date of construction 1890. Owned by the Town of Needham.
Source of supply, wells. Mode of supply, pumping to standpipes.

Pumping

1. Builders of pumping machinery, the George F. Blake Mfg. Co., the Laidlaw-Dunn-Gordon Co., and the Gould's Mfg. Co.
2. Description of fuel used:
   (*a*) Bituminous coal, cost per net ton $7.18.
3. Coal consumed for the year, 730,000 pounds.
4. Total pumping for the year, without allowance for slip of the pumps:
   (*a*) Steam pump, 198,180,000 gallons.
   (*b*) Auxiliary pump, 28,151,100 gallons.
5. Average static head, 242 feet.
6. Average dynamic head, 277 feet.
7. Number of gallons pumped per pound of coal, 271.4.
8. Duty of Laidlaw-Dunn-Gordon Pump, 62,716,640 foot pounds.
   Cost of pumping figured on pumping station expenses, viz.: $8,598.93.
9. Per million gallons pumped, steam pump, $43.38.
   (*a*) Per million gallons pumped, auxiliary pump $72.44.
10. Per million gallons raised one foot (dynamic) steam pump, .0156.
    (*a*) Per million gallons raised one foot (dynamic) auxiliary pump, .0261.
    Total cost of pumping figured on total maintenance, including interest on bonds, viz: $29,208.33.
11. Per million gallons pumped, $147.38.
12. Per million gallons raised one foot (dynamic) $.0532.

Consumption

1. Estimated population of the Town, 9,975.
2. Estimated population on lines of pipe, 9,960.
3. Estimated population supplied, 9,960.
4. Total consumption, 226,331,100 gallons.
5. Average daily consumption, 620,085 gallons.
6. Gallons per day to each inhabitant, 62.1
7. Gallons per day to each consumer, 62.2.
8. Gallons registered by meters, 119,116,620.
9. Water for public purposes not metered.

Distribution Mains

1. Kind of pipe, cast iron.
2. Sizes, 4 to 18 inches.
3. Extended during the year, 4,148.5 feet.
4. Total now in use, 46.54 miles.
5. Number of hydrants added during the year, 10.
   (*a*) Discontinued during the year, 3.
6. Number of hydrants now in use; public, 387; private, 26; total 413.
7. Number of stop gates added during the year, 18.
8. Number of stop gates now in use, 426.
9. Range of pressure on mains, 63 to 120 pounds.

Services

10. Kind of pipe, cast, cement-lined, lead-lined, galvanized iron and lead.
11. Sizes, $\frac{1}{2}$ inch to 8 inches.
12. Extended during the year, 10,412.0 feet.
    (*a*) Discontinued during the year, 719.6 feet.
13. Total now in use, 44.21 miles.
14. Number of services added during the year, 129.
    (*a*) Discontinued during the year, 1.
15. Number now in use, 2,601.
16. Number used for public purposes, 26.
17. Number of meters now in the department, 2,540.
18. Percentage of services metered (domestic), 100.

Respectfully submitted,

GEORGE A. ADAMS,
Superintendent.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Needham:

We submit herewith reports of the various departments of the school system and urge all citizens to read them carefully.

Our Superintendent's report will show you the crowded conditions of our schools. We are compelled to use space for class rooms in some school buildings, which is very unsuitable.

At our request, at the last Town Meeting you voted to name a committee to consider the building of a Junior High School, and we trust that action may be taken at the coming Town Meeting that will get such a building started. If this is done, we believe it will relieve the crowded conditions in all our schools for the present.

The next development in school buildings, we believe, should be the erection of elementary schools in one or two outlying sections of the Town. This would probably allow us to discontinue the use of the Kimball School building.

In the passing away of Mr. Peters, the principal of the William Carter and Avery Schools, our Town suffered a great loss. He had accomplished a great deal in his work in that section of the Town, and earned the greatest confidence and respect of the School Committee and citizens of the Town. The love and respect of the children in his schools was evidenced by the gift by the graduating class of last June of $50.00 in gold, to be used for a memorial to Mr. Peters to be placed in the William Carter School.

We believe that we have in our schools today a very efficient corps of officers and teachers and their work merits the heartiest support of all our citizens. We have lacked in Needham the strong "School Spirit" that any such organization requires to carry on its best work. We find signs of the awakening of this "School Spirit" among our pupils, and earnestly urge all parents to help us develop this to a still greater extent.

While we have heard criticism of the fact that some of our High School graduates have not been able to enter certain colleges, our records show that a large number have entered colleges and accomplished splendid work there. We must remind parents that each year it is becoming more difficult for students to enter college, as the requirements have become more rigid on account of lack of accommodations for the

large number who desire college training, and a students' marks and attendance in High School count for a larger part each year in his gaining admission to college.

We thank the citizens of the Town for the splendid support they have given all matters coming before them for the good of our schools, and we feel that with a continuance of this support our schools can be placed in a position second to none in the State.

HARRY H. BRUNS, *Chairman.*
JOSEPH SATTERLEE,
WARREN W. LOOMIS,
G. WALDO CRAWLEY,
J. WALTER SCHIRMER,
MARGARET O. CHASE,
Needham School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of Needham:

I am submitting for your consideration my seventh annual report as Superintendent of Schools, together with reports from the Principal of the High School, Principal of the Evening School, Director of Physical Education, Teacher of Manual Training, Teacher of Domestic Science, and reports of the School Physicians and School Nurse. The usual statistical tables are appended.

This report is an effort to set forth to you and the citizens of Needham the condition of the schools with recommendations regarding their needs and future development.

In my last report, emphasis was placed upon the pressing need of additional room for the increased number of pupils. The need is still greater this year. It is hoped that some

action will be taken in the near future that our schools may not be further handicapped by lack of room in developing a progressive educational program.

Membership

The following table shows the number attending the different schools in Needham from 1920 to 1928:

	1920	1921	1922	1923	1924	1925	1926	1927
High	222	262	310	320	391	433	417	468

Need of Additional Room

The great problem confronting us at the present time is that of providing school accommodations for the constantly increasing number of pupils. The completion of the Stephen Palmer School increased the seating capacity by 350 and four rooms were unoccupied when it was opened in January, 1915; the completion of the William Carter School in the fall of 1922 provided 350 additional seats but 252 seats in the old Avery were given up, so the net gain was 98; the completion of the new High School gave us accommodations for another 500. The total addition to the seating capacity since 1915 has been 948 while the increase in the number of pupils has been over 1,000. It is evident that our need at the present time is greater than before any of these buildings were constructed and the only reason for this is the increase in numbers.

At the present time one class at the William Carter School is using the auditorium and the Kindergarten children in two divisions are using the portable building in the rear of the Avery School. At the Kimball School we are using one of the rooms on the top floor, although it was hoped to discontinue the use of this floor on account of the feeling on the part of parents as to the fire hazard. There was no alternative; no other place was available. Next year both rooms on this floor must be used.

The Stephen Palmer School now has 395 pupils, 45 more than it normally accommodates. At the old High School we are using the basement room and the room on the third floor, rooms that should be abandoned. The new High School accommodates not over 500 and the present enrollment is 468, leaving a margin of but 32. Next year's enrollment is expected to exceed 500.

This means that construction must be undertaken right away or the department will be forced to discontinue the kindergarten or place the first grades on half time. There will probably be vigorous objection to this plan on the part of many parents, but it will be necessary next fall or soon afterwards.

It would seem that additions must be made to at least four of our present schoolhouses or that a new building must be constructed to take care of the seventh, eighth, and ninth grades.

We have reached the stage where it is necessary to determine what kind of a school organization Needham is to have before construction takes place, whether we are to continue on the 6–2–4 plan or re-organize our schools on the 6–3–3 plan. After a careful study of the situation by the School Committee and a survey by the State Department of Education, it has been decided to re-organize our schools on the 6–3–3 plan as soon as room is available. This means six years for the Elementary schools, three for the Junior High, and three for the Senior High.

The following is the report of two supervisors from the State Department who were asked to study the situation:

THE COMMONWEALTH OF MASSACHUSETTS
Department of Education State House, Boston

Mr. John C. Davis,
Superintendent of Schools,
Needham, Massachusetts.

My dear Mr. Davis:

We are herewith submitting a report of our recent visit to Needham made for the purpose of studying the need of additional school accommodations for the Town. As a result of such knowledge of the situation as we have been able to gain from a visit to the more important school buildings in the Town and the study of data submitted to us by you, we have reached certain conclusions which are briefly set forth below.

There is at the present time rather serious crowding in the Avery district. In the old high school building the room

in the basement and one on the third floor now being used as classrooms are not suitable for this purpose and their use should be discontinued. The new high school building is already near the limit of its pupil capacity under the one-session plan. The two-platoon plan, under which a part of the school attends in the forenoon and the rest in the afternoon, ought, in our opinion, to be adopted only as a last and desperate resort.

Besides accommodations for the pupils, there is presented in Needham the very important question of a possible and desirable re-organization of the school system. At the present time the schools of the Town are organized on the so-called 8–4 plan. Under this plan eight years are given to the elementary grades and four years to the high school. This plan is now being extensively replaced throughout the country by the arrangement known as the 6–3–3 plan, under which six years are devoted to the elementary grades, three to the junior high school, and three to the senior high school. While other forms of re-organization are found, the 6–3–3 plan is probably the most common and most generally approved. This form of re-organization would mean the establishing of a junior high school in Needham. In our judgment, no building program should be undertaken at this time without giving serious consideration to this subject. The junior high school form of organization is as yet hardly twenty years old in the United States but has already shown remarkable growth. Probably the first junior high school in the United States was established in Berkeley, California, in 1909. From this beginning, the movement has spread until at the present time junior high schools or important beginnings of re-organization looking to the establishment of such schools are found in hundreds of places in the country. In Massachusetts, in 1924, there were 156 junior high schools; for the year 1926–27, the number is 169. Without attempting any extended discussion of the merits of the junior high school movement, it may be appropriate to point out briefly some of the generally conceded advantages of this plan:

1. It segregates the pupils during the adolescent period and makes possible a form and content of instruction suited to their need.

2. It makes better provision for dealing with individual differences of the pupils by an enriched curriculum, and by homogeneous grouping of pupils.

3. It makes possible the use of exploratory courses designed to discover the interests and aptitudes of the pupils, and thereby makes possible desirable educational and vacational guidance.

4. In practice, it makes possible the introduction of other desirable features such as promotion by subject, gradual introduction of departmental teaching and supervised study.
5. As a result of these and other changes in the traditional form of procedure, it diminishes the number who drop out of school during grades 7, 8, 9, and 10. Under the old form of organization, this elimination was very great in grades 7 and 8. Of those who finished the 8th grade, only 50 or 60% formerly entered the high school and only 35 or 49% remained as long as two years. Under the junior high school plan of organization, there is much evidence of very great improvement in the retention of pupils.

In view of the distinct advantages of the junior high school plan of organization, which are now very widely accepted by the ablest students of education, we are of the opinion that the best plan for meeting the need of additional accommodations for the schools in the Town of Needham will be met by erecting in some central location a junior high school building designed for grades 7, 8, and 9, and capable of accommodating 700 pupils. Such a building would of course be constructed on the unit plan so that there would be possibility of future enlargement. The enrollment in the Needham schools has shown a steady and rapid growth. During the years 1918 to 1926, the enrollment has increased from 1395 to 2074, a gain of nearly 56%. This indicates quite clearly that the need for school facilities will increase at a steady and rather rapid rate during the next decade as it has in the ten years ending in 1926. The enrollment in grades six to twelve at the present time is as follows: Grade 6, 208; Grade 7, 177; Grade 8, 193; Grade 9, 113; Grade 10, 112; Grade 11, 113; Grade 12, 66. It is evident from these figures that if Needham were at present time organized on the 6–3–3 plan there would be 291 pupils in the senior high school and 483 in the junior high school. By the time a junior high school building could be made ready, both of these figures would be materially increased. In fact, the enrollment in the grades just given indicates that the senior high school is sure to have a rather rapid development in the future. We would further recommend that the old high school building be used for the sixth grades of the Town. This chaneg would relieve the crowding in the Avery district by making available at least two rooms. We would further recommend that special class pupils be placed in this building. We would also recommend that the rooms for the School Committee and Superintendent of Schools be located therein, also the room for the attendance officer and rooms for the health work in the schools.

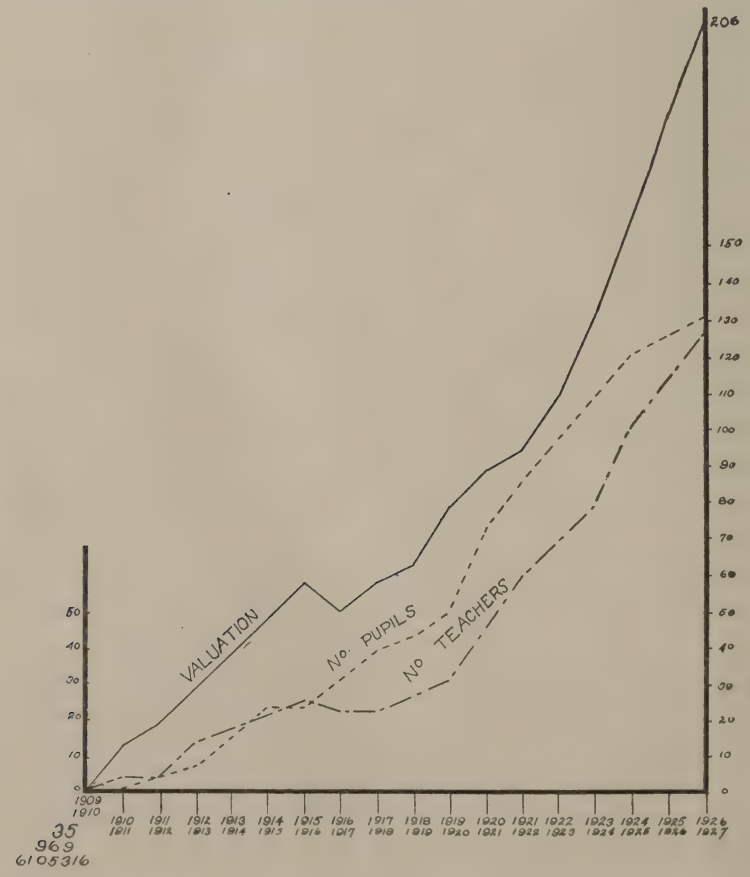
We are of the opinion that the recommendations which we have made above would satisfactorily meet the need for building accommodations in Needham, and also would result in a re-organization of the school, which, in our judgment, is important and highly desirable.

Yours very truly,

FRANK P. MORSE,
Supervisor of Secondary Education.
BURR F. JONES,
Supervisor of Elementary Education.

School Costs

The following graph shows the percentage of increase in valuation as compared with the increase in number of pupils and increase in the number of teachers.



35
969
6105316

That part of the local tax taken for the support of schools in Needham as reported by the Department of Education is as follows:

1922	$9.06	1925	$9.54
1923	9.57	1926	9.41
1924	9.74	1927	9.29

Teachers

During the year just passed several important changes have taken place in our department. We lost two principals by resignation, Mr. Gilman H. Campbell, Principal of the High School and Mr. Alvin H. Parker, Principal of the seventh and eighth grades in the old High School Building, to accept positions elsewhere. Mr. Thomas H. Peters, Principal of the William Carter School and Miss Mildred C. Fraser, Head of the English Department of the High School were taken from us by death.

These changes in our staff presented problems both in arrangement of work and choice of successors so that the school work might go on with as little interruption as possible.

Mr. William F. Pollard was elected Principal of the High School, and began work September 26th. Mr. Clarence B. Washburn was placed in charge of the Old High, William Carter and Avery Schools. There is already ample evidence that the department was most fortunate in securing the services of these gentlemen to carry on the work in their respective schools.

The following table shows the changes in the teaching force:

RESIGNATIONS, APPOINTMENTS, AND TRANSFERS

Resignations January 1, 1927—January 1, 1928

School	Name	Date
High	Gilman H. Campbell	June, 1927
High	Helen B. Leavitt	Feb., 1927
High	Herbert C. Dimlich	June, 1927
High	Georgiana E. Taylor	June, 1927
Junior High	Alvin D. Parker	June, 1927
Kimball	Myrtle A. Dixon	June, 1927
Wm. Carter	Helen B. Peterson	Mar., 1927
Avery	Ruth Cushman	June, 1927
S. Palmer	Dorothy E. Mercer	Aug., 1927

Appointments

School	Name	Date 1927	Where Educated
High	William F. Pollard	Oct.	Middlebury College
High	Asa M. Small	Sept.	Bowdoin College
High	Murray G. MacLauchlan	Sept.	Boston University
High	Mary F. Clark	Mar.	Boston University
High	Martha E. Robbins	Sept.	Wellesley College
High	Catherine L. Bird	Sept.	Framingham Normal
High	Hildegard Berthold	Oct.	Leipzig Conservatory
High	Gerald F. Frazee	Oct.	New Eng. Conservatory
Jr. High	Clarence B. Washburn	Sept.	Colby College
Kimball	Celia A. Dean	Sept.	Plymouth Normal
Kimball	Wilma F. Mayo	Sept.	Castine Normal
Wm. Carter	Esther Nickerson	Mar.	Hyannis Normal
Wm. Carter	Margaret M. Peters	Sept.	Lowell Normal

Transfers

Name	Date	Schools
Gladys Johnson	Sept., 1927	Kimball to S. Palmer

The total number of teachers is now 81, two more than last year. An additional teacher should have been employed for those pupils three years or more retarded, but lack of room compelled abandonment of the plan.

Commencing September, 1927, the maximum salary of teachers, of all grades was increased one hundred dollars, making the Needham salaries compare more favorably with that of other towns and cities. This action cannot fail to have a good effect upon the teaching force and gives the department a better chance to secure good teachers when vacancies occur.

Repairs

The usual repairs were made on our buildings during the summer vacation. It was found necessary to re-tube one of the boilers in the old High School, and the Parker and Avery School buildings were painted. A new fence was built on the east side of the Kimball School lot; walls were tinted and ceilings whitened in several buildings.

Much work of this nature must necessarily take place each year to keep the property in a good state of repair. One of the greatest problems at the present time is to find out what should be done about the corridor floors and the gymnasium floor in the new High School, which are causing trouble.

Safety Education

Safety Education leaflets are being furnished our schools by the Massachusetts Safety Council, a Junior Safety Council has been organized in the seventh and eighth grades, teachers

are emphasizing, especially to the younger children, the need of special care going to and from home especially on the part of the younger children and everything possible is being done in our department to protect the children from accidents.

Two places dangerous to children have been remedied during the year by the Selectmen; one by building a sidewalk from the William Carter School to Webster Street; another by constructing a sidewalk under the railroad bridge on Chestnut Street. Whenever new streets are built for the benefit of the automobile, I hope some attention will be paid and some money expended to provide children with a safe sidewalk to use going to and from school. This is an important matter. All Town departments and all other organizations and individuals should co-operate in an effort to prevent accidents to our children.

Education Week

Education week was observed by sending an invitation to the parents to visit the school upon a particular day. The result was most gratifying. During the week 594 parents visited the schools. All days are visiting days and parents are always welcome in the schools.

Parent-Teachers Organization

The Parent-Teachers organization is offering a most interesting program this year and all teachers and all parents should be members. It helps the school by giving the parents a better understanding of what we are trying to accomplish and helps the teachers by establishing a closer acquaintance with the home.

"The object of this association shall be to foster a closer sympathy and co-operation between the home and the school in the Town of Needham; and to promote the educational and social welfare of the community."

Program

Thursday Evening, October 20:

Mr. Ernst Hermann, Speaker; Superintendent of Playgrounds, City Newton—Subject: "Playgrounds the Ally of Education."

Special Music — Refreshments.

Thursday Evening, December 15:

Mr. Adelbert R. Morrison; Principal Mechanic Arts High School, Boston — Subject: "A Cross-Continent Trip by Automobile."

Stereopticon Views.

Special Music — Refreshments.

Thursday Evening, February 16:
Mr. Milton E. MacGregor, Speaker; Subject: "The National Playground in the Whiet Mountains."
Stereopticon Views.
Special Music — Refreshments.

Thursday Evening, April 12:
Program in charge of School Department.
Special Music — Refreshments.
Election of Officers.

Officers

President	Milton E. MacGregor
1st Vice-President	Miss Mary E. Glancy
2nd Vice-President	Julius F. Haller
Secretary	Mrs. Everett F. Poland
Treasurer	Mrs. Raymond A. Gillette
Assistant Treasurer	Mrs. Phillips Salmon

Executive Committee

Mrs. William E. Boyer
Mrs. Harold B. Church
Mrs. John C. Davis
Miss Florence E. Eaton
Mrs. Frank Gordon
Mr. Robert P. Joy
Mr. Frank A. Kennedy
Mrs. R. H. Kimball
Mrs. Albert D. Pomeroy
Mrs. Lincoln P. Rice
Mrs. Irvine E. Ross
Dr. J. Walter Schirmer
Mrs. Evan C. Thorpe
Mr. Carl H. Ward
Mrs. H. G. Whittredge

Auditor — Francis J. Stanwood

Scholarship Fund Committee

Ex-Officio:
John C. Davis, Superintendent of Schools.
William F. Pollard, Principal High School.
Milton E. MacGregor, President Parent-Teacher Association.
Mrs. Florence L. Lyman, President New Century Club.
James H. Whetton, by election from Parent-Teacher Association.

Chairmen of Committees

Publicity Committee, Mrs. Albert W. Hopson
Entertainment Committee, Miss Dorothy Mercer
Hospitality Committee, Mrs. William Gallagher
Membership Committee, Mr. H. H. Bruns

Acknowledgments

Acknowledgment is hereby made:

To the New Century Club for its gift to the Scholarship Fund.

To the Needham Grange for its reception to teachers.

To Mr. David Murdoch for the gift of auditorium chairs to the William Carter School.

I wish again to express my appreciation to the School Committee for your continued confidence and support and to the teachers and other employees in the Department for their splendid spirit of co-operation.

Respectfully submitted,

JOHN C. DAVIS,
Superintendent.

SCHOOL BUDGET, 1928

Administration Expenses:		
Salaries:		
Superintendent and Attendance Officer	$4,750	
Janitor	95	
Clerk	1,144	
Rent, School Committee rooms, Expenses —coal, printing, traveling, telephone, lighting	900	
		$6,889
Expenses of Instruction:		
Salaries:		
Supervisors	$6,450	
Principals	7,950	
Teachers, High	38,600	
Teachers, Elementary	83,000

REPORT OF PRINCIPAL OF HIGH SCHOOL

Mr. John C. Davis, Superintendent of Schools,
Needham, Mass.

Dear Sir: — I herewith submit the annual report of the Needham High School.

In the class of 1927, the following pupils were graduated:

Name	Present Occupation
Sumner Frederick Adams	At Home
Frank H. Allman	Working in Filene's
Arthur Hampson Birkett, Jr.	Dartmouth
Doris Colby Blackman	Boston University
Willard Mason Bond	Brae Burn Nurseries
Frank Leo Castagnetti	At Home
Raymond Percy Chambers	Ralph Chambers Dairy
Marion Melvina Clews	Training, Deaconess Hospital
Francis Woodworth Coburn	With Roessler & Hasslacher Chem. Co.
Anastasia Coughlin	Carter's Office
Dorothy Crane	Office, Doctor Fuller
Lydia Eva Cranton	Carter's Office

Name	Present Occupation
Helen Winifred Crawley	Simmons College
Harlan George Crossett	Northeastern
Rose Alice Cylinski	At Home
Russell Frederick Davis	Boston University
Harry Delbert Dodge	Carpenter
John Russell Drinkwater	Bryant & Stratton's
Donald Alexander Eaton	Boston University
Harrie H. Fairweather	Carter's Office
Maybelle E. Fall	Schauffler Missionary Tr. School
Mary Barbara Ford	Katherine Gibbs Secretarial School
John Francis Gilfoil	At Home
Howard Johnson Godfrey	Tufts College
Kathryn Gloria Greene	Office, John Hancock Ins. Co.
Margaret Louise Hartshorn	Boston University Art School
Emily Kimball	Training, Faulkner Hospital
Phyllis Emma Koldenborg	Training, Deaconess Hospital
Frederick Kroog	Office, Shawmut Corporation
William Bollom Ludlow, Jr.	Office, First National Bank
Ethel Pauline Lyndon	At Home
Mary Carol Marshall	Northampton School for Girls
Robert Bradford Marshall	Northeastern
Harold Gordon Martin	Northeastern
Elinor Marion Mason	Boston University
Jessie Will Milton	Nurses' Training School
Eleanor J. Morris	Office, Brown Bros., Boston
Evelyn L. Morris	Office, Nobscott Spring Water Co.
Leonard Leslie Morrison	Mass. Institute Technology
R. Fletcher Murray	Northeastern
Doris M. Murtfeldt	Physical Education School, Wash.
Pearl Ella Nanscawen	Boston University
Donald Albert Nickerson	Tufts
Arthur W. Oakman	Designers' Art School
Mildred Hayden Packard	Simmons College
Madeleine Pease	Boston School Physical Education
Alice Chapman Peterson	Office, Old Trusty
Evelyn Marie Peterson	Needham Trust Company
Robert E. Polley	Training Ship, *Nantucket*
Dorothy Ruth Queen	Nurses' Training School
Richard Niels Rawlings	Lincoln Institute
George C. Rice	Boys' Latin School
Charlotte M. Richards	Bryant & Stratton's
Virginia Richwagen	New England Conservatory of Music
Doris Edna Robinson	Boston Pace Institute
Richard Derby Rodgers	F. W. Woolworth Co.
Eleanor Elwell Rohn	Wheaton College
Louise Schirmer	Wheaton College
Eugene Francis Smith	Boston College
Florence M. Stanley	Carter's Office

Name	Present Occupation
Daniel Leonard Sullivan, Jr.	Office, Employers' Liability, Boston
Donald Walker Taylor	Huntington School
Ruth Margaret Thomas	Framingham Normal School
Marguerite Toombs	Office, Erie Bay State Elevator Co.
Harold T. Vincent	Nickerson's Factory
Annie Westin	Office J. J. Coppinger Company
Josephine Weston	Carter Company
Kenneth Irving Wood	Art Dept., Goodspeed's Book Shop, Boston
Robert William Wright	Mass. Institute of Technology
Theodore Carl Zirsch, Jr.	Office, American Indemnity Ins. Co.

The total enrollment to date is 468, divided as follows: Post-Graduates, 2; Seniors, 91; Juniors, 92; Sophomores, 108; Freshmen, 175. The total enrollment to the corresponding date last year was 414. Last year at this time 17 had left school and this year 27 have withdrawn so that the actual present membership shows 441 for 1927–28 as compared with 395 for 1926–27.

Of the 27 who have left school, 13 have moved out of town and the other 14 have gone to work.

Of the 189 graduates of last year's eighth grade, 160 entered Needham High School, 5 moved away, 12 entered other schools, 11 went to work, and 1 is staying at home.

Although I did not take over my duties as Principal of the Needham High School until Monday, September 26th, approximately three weeks after the school opened, I found it well organized and running smoothly. Credit for such a happy state of affairs belongs to Mr. Davis, who gave unsparingly of his time and energy to the double task of running both the high school and the schools of the Town.

This report will be brief. I have not been here long enough to have become thoroughly acquainted with my new environment. Consquently, it would be entirely out of place for me to recommend changes in the present system unless it was very obvious that they were absolutely necessary for the best interests of the school. I am sure that the few which I shall recommend in the latter part of this report fall into that category.

Attendance. The matter of regular and punctual attendance has been stressed this year. The following facts indicate that there has been a marked improvement over last year:

Percentage of Attendance

	1926	1927
September	96.9	97.64
October	96.	97.16
November	95.	95.88
December	92.48	95.01

Tardy

	1926	1927
September	105	60
October	129	90
November	164	56
December	229	88
Total	627	294

Dismissed

	1926	1927
September	58	24
October	87	52
November	95	31
December	91	46
Total	331	153

The number of cases of tardiness and dismissal, respectively, has been reduced by more than one-half.

Athletics. From the standpoint of victories won our football season was not a success. Our opponents, with perhaps one exception, were too large and skillful for us. Next season will find us prepared in every way to give a better account of ourselves on the gridiron.

In spite of the fact that defeat followed defeat the school body remained extremely loyal and conducted itself at all times in a manner worthy of commendation.

Due to Mr. Frost's managerial ability, backed by a willing, faithful corp of pupil assistants, the season was a success financially. After all bills contracted prior to and during the season were paid, a balance remained sufficient to defray the expenses entailed in getting the winter sports underway.

The Advocate. "The Advocate," edited and managed by able, enthusiastic pupils and supervised by competent faculty advisers, gives every indication of being a successful publication and a distinct credit to the school.

Orchestra. We were very fortunate to secure Miss Hildegard Berthold to direct our school orchestra this year. She has taken up her work with a great deal of enthusiasm and, judging by results obtained so far, I have every reason to feel that the organization will be a source of pride to both the instructor and the school.

Recommendations 1. *Vocal Music.* At the present time every pupil is required to sing in a choral group during one of the music periods on Monday. Pupils are taken from the study room without reference to age, sex, class or voice and assigned to a chorus. Consequently, the groups vary greatly in size, balance, and ability to sing.

Enthusiasm for the work is almost entirely lacking because no credit is given for it. Under the circumstances, the average pupil would much rather be in the study hall preparing lessons for the next day than in a chorus.

We now have two Glee Clubs, a boys and a girls, respectively. The latter has a membership of about 125 voices. It is much too large to get the best results. Members of these organizations receive one and one-fourth credits each year for work faithfully done.

I have seen the present system in operation long enough to know that it is unsatisfactory to me, the teacher and the pupils, and that a change must be made for the good of all concerned. Therefore, I recommend that a plan be adopted which would embody the following features: namely, required choral singing for all members of the freshman class who can sing (said fact to be determined by the vocal music teacher) and that one and one-fourth credits be given to each pupil who satisfctorily completes the year's work; a boys' and a girls' Glee Club, each limited to forty carefully selected voices, which can be combined for special occasions to form the Needham High School Choral Club, one and one-fourth credits be given to each member of the organization who faithfully and successfully meets all the requirements.

It is my candid opinion that we must adopt the plan outlined above, or one of a similar nature, if our vocal music is to be put upon the plane where it ought to be.

2. *Credits for Drawing.* It seems to me that several adjustments ought to be made relative to credits for graduation. At the present time every pupil who completes his work in drawing for the year in a satisfactory manner receives five-eighths of a diploma credit, whereas a pupil who sings in the Glee Club gets one and one-fourth credits for his efforts. The time spent on both subjects is practically the same. The pupil in the Glee Club can usually secure credit if he behaves himself; the pupil taking drawing must not

only behave, but must complete definite pieces of work to the satisfaction of the teacher before he can obtain credit for the same.

In view of the above facts, I recommend that the same credit be given for drawing as is now given for Glee Club; namely, one and one-fourth credits for each year of work satisfactorily completed. Such an adjustment would make drawing in our high school more popular, I am sure, than it now is, and also give proper recognition for work that is being exceedingly well done.

3. *Credit for Physical Education.* Every pupil, unless excused by a doctor's certificate, takes physical training twice a week. No credit is given for it, which I feel is a mistake. It is human nature to expect recognition of some sort for all energy expended. One and one-fourth credits for each year's work successfully completed would serve as an incentive to each pupil to go into the work more wholeheartedly than he has in the past and also cause the instructor to feel that he has more of a hold on the pupils than heretofore.

The practice of giving credit for physical education is common in high schools. Therefore, I recommend that each pupil who completes the year's work in physical education in a satisfactory manner be granted one and one-fourth credits for the same and that, as a consequence of said action, the number of credits for graduation be raised from eighty to eighty-five.

4. *More Room.* Our enrollment in September, 1928, promises to be at least five hundred (500) which means that it will be just about all we can do to take care of it in our building as it now stands. Cramped for room as we shall be, it will be impossible for both teachers and pupils to work up to their maximum efficiency. In a short time, if more room is not provided, both the morale and the scholastic standards are bound to be lowered. It stands to reason that some relief for the situation will have to be provided sooner or later. In justice to the community, teachers, and pupils it ought to be available when school opens in September, 1929.

5. *Additional Teachers.* At the present time several of our teachers are overloaded. In September, 1928, we shall have at least fifty more pupils to take care of than we now have. Therefore, at least two more teachers ought to be added to the faculty if the work is to be properly carried on.

6. *Heating.* I have noticed that on very cold days our heating plant is inadequate. The west side of the building is decidedly uncomfortable. Something ought to be done about the matter at once. I leave the solution of the problem to experts in that field.

I trust that the above recommendations will receive your serious consideration. If further information is desired relative to them or any phase of our school work, it will be furnished gladly upon request.

I cannot urge too strongly the necessity of parents visiting school while it is in operation. It leads to a better understanding between the school and the home and is bound to bring about more intelligent co-operation between the two institutions. I assure parents and friends that a cordial welcome always awaits them at the Needham High School.

My relations as principal of the school to citizens, teachers and pupils have been very happy. I trust that I shall continue to merit their friendship and support.

Before closing this report I desire to express my sincere thanks to all who in any way have assisted me in my work as Principal of the Needham High School.

Respectfully submitted,

WILLIAM F. POLLARD,
Principal.

REPORT OF PRINCIPAL OF THE EVENING SCHOOL

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — The Evening School this year opened in the Old High School building. It began upon the fourteenth of November. A review of reports of previous years seems to indicate that this was a later date than usual. The classes organized in this building include citizenship, elementary school subjects and an advanced class of students desiring work of high school grade. There is a class in dressmaking and sewing which meets in the High School for its work.

The first Monday of the third week of Evening School a group of twenty-eight young men and women reported and expressed a desire for a course in stenography and typewriting. Inasmuch as this expression came at so late a date and would involve the opening of another room in the High School as well as the employment of someone fitted to teach this special line, to say nothing of the expense of equipment necessary, it was decided best not to undertake this course the present season.

The general enrollment has been very small. There are a number of possible reasons for this fact. The change from the Carter building to the Old High School; the lack of the

Principal's broad acquaintance with the community; that there was no attempt to bring pressure upon pupils of former seasons to return and that beyond the usual printed posters there was no campaign in any respect for a large enrollment.

It is my personal opinion that the citizens of Needham are acquainted with the fact that the Town offers the privilege of evening instruction free and but for the effort of attending the classes. In doing this the Town performs its duty and it should not be necessary to go out into the highways and byways to summon those who need Evening School instruction.

I find merit in the recommendation of former Principal Thomas H. Peters that pupils enrolling be made to pay a fee which may be returnable at the close of the season to those maintaining a satisfactory record of attendance.

It is with pleasure that I commend the faithful work of the Evening School teachers. Their interest and helpfulness has been genuine and fine. They have deserved the support of larger classes in view of the effort put forth in behalf of the pupils attending. The support of the School Committee and all who have contributed in any respect toward the Evening School work is fully appreciated.

Respectfully submitted,

CLARENCE B. WASHBURN,
Principal.

REPORT OF DIRECTOR OF PHYSICAL EDUCATION

January 16, 1928.

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — I herewith submit my fourth annual report of the Physical Education Department.

The past year has been one of expansion in no little degree. The program of previous years has been carried on with an increase in the interest of the grade school teachers and students and with much better co-operation. This, I think, is due to a better understanding of what is expected and to the growth of the idea of the importance of Physical Education.

Because of added assistance in the coaching of high school athletics, it has been possible to allot more time to the grade schools and also have more students take part in after-school activities.

Preventive dentistry is being introduced in the form of competition between teams for the best appearance and care of teeth as well as the execution of gymnastic drills and health tests. The children are being taught the results that come indirectly from poor teeth and infected gums and how most of these can be avoided by regular care with at least an annual examination of the teeth by a dentist.

Competitive inter-mural games could be carried on extensively if an appropriation for physical education could be secured. Each school should have an allotment of equipment depending upon the number of pupils enrolled. As the situation is now, the pupils are eager to play but must play games that do not require athletic equipment which obviously cannot be as interesting or as worth-while.

Respectfully submitted,

CHESTER K. DELANO.

REPORT OF INSTRUCTOR OF MANUAL ARTS

January 7, 1928.

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — I herewith respectfully submit the annual report of the Manual Arts Department.

The number of pupils enrolled in the Manual Training classes increased decidedly during the year of 1927, but the time allotment per pupil remained the same as in 1926, the High School pupils having six hours per week, the seventh and eighth grade boys one to one and one-half hours.

It is my earnest desire that the boys of grades seven and eight be given three periods a week instead of one and one-half periods of shop work. The recognized value and the plainly apparent popularity of this course should warrant an increase of time per pupil, especially in view of the fact that after the eighth grade approximately only one boy out of every five ever has further supervised instruction in this work.

Much has been done this past year toward the upkeep of the school furniture and many new small pieces have been added, made at the request of the principals and teachers.

The aims of the department have been successfully carried out, plans outlined satisfactorily completed, including the reshingling of the barn on the Fisher Estate at the rear of the Avery School.

The task of keeping all tools sharp is becoming increasingly difficult, and I would like to take this opportunity to recommend the installation of a motorized grinder.

It is hoped that the Manual Arts Department will attain a greater degree of efficiency and offer a broader field of endeavor for the pupil by the proposed addition of new equipment during the coming year.

Allow me, at this time, to express my appreciation for the hearty co-operation of all the school authorities with whom I have come in contact.

Respectfully submitted,

ALFRED H. JOHNSON,
Manual Arts Instructor.

REPORT OF INSTRUCTOR OF DOMESTIC SCIENCE

January 6, 1928.

To Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — I herewith respectfully submit an annual report of the Needham High School Lunch Room for the year 1927.

In the High School Lunch Room two hundred and seventy-five to three hundred pupils are served daily a hot lunch at a cost of five to ten cents per portion. The menu is planned for the welfare of the students and to serve wholesome, appetizing and nutritious foods at a low cost. It is quite general that pupils who bring sandwiches from home purchase soup, milk, or cocoa to eat with them. Candy, pastry, and frankforts are absent from the menu and because of this more hot dishes and soups are served which we feel is more beneficial to the student at noon time.

The Lunch Room is a self-supporting department and pays for the services of one woman and a twenty-cent lunch daily to each pupil who assists in the completion of the daily menu. To make the lunch counter self-supporting, co-operation is necessary and pupils are asked to substitute one food for another in order to serve all foods and sell out each day. Foods of good quality are purchased at wholesale prices from reliable concerns. The menu is planned to give as much variety as possible for the small amount charged for foods. It consists of soups, hot dishes, vegetables, salads, white and graham bread sandwiches, fresh fruits, cocoa, milk, ice cream and a simple dessert.

The following are two typical menus served in our lunch room:

Menu I

Tomato Soup	$0.05
Baked Spaghetti and Cheese with Bacon	.10
Tuna Fish and Olive Salad	.10
Lettuce Sandwich	.05
Olive Relish Sandwich	.05
Cocoa	.05
Milk	.05
Ice Cream	.10
Fruit Gelatine—Whipped Cream	.05

Menu II

Cream of Asparagus Soup	.05
Roast Lamb—Mashed Potato	.10
Fruit Salad	.10
Cream Cheese and Nut Sandwich	.05
Chopped Egg Sandwich	.05
Cocoa	.05
Milk	.05
Ice Cream	.10
Chocolate Blanc Mange—Whipped Cream	.05

Respectfully submitted,

FLORENCE DUDLEY,

Domestic Science Teacher.

REPORT OF THE SCHOOL PHYSICIANS AND NURSE

January 1, 1928.

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — I respectfully submit a report of my work in the High, Junior High, William Carter, Avery, Riverside, and Eliot Schools for the year 1926–27.

Number children examined	1,460
Number visits to school	110
Defective Teeth	302
Defective tonsils	252
Defective glands	25
Orthopedic defects	4
Pulmonary disease	1
Cardiac disease	25

Sincerely yours,

WILLIAM MITCHELL,

School Physician.

Mr. John C. Davis, Supt. of Schools, Needham.

Dear Sir: — The following is a report of my work in the Stephen Palmer, Kimball, Harris, Dwight and Parker Schools, and at my office during the school year 1926–27.

Number children examined	796
Number visits to schools	57
Number office calls	40
Pupils with defective teeth	485
Pupils with defective tonsils	189
Pupils with cardiac disease	10
Pupils with orthopedic defects	5
Pupils with slightly too much enlarged glands	127

Respectfully submitted,

CHARLES L. MacGRAY, *School Physician.*

Mr. John C. Davis, Supt. of Schools, Needham.

Dear Sir: — I herewith submit my report as School Nurse for the year 1927.

Visits to school	544
Number inspections	3,058
Number children examined	2,233
Number temporarily excluded	45
Number home calls	97
†Number children sent to camp	2
Number weighed and measured	2,233
Free milk	9
Poor posture	356
Orthopedic defects	9
Enlarged glands	149
Enlarged tonsils	441
Defective teeth	787
Defective nasal breathing	6
Discharging ears	2
Cardiac trouble	3
Cardiac adolescence	109
Sore throats	122
Eye and ear tests given	2,026
Number needing glasses	12
Poor hearing	6
Surgical dressings (minor)	83
Pediculosis	48
Uncleanlines	14
Letters or notices sent to parents	1,027

I wish to express my appreciation to the Superintendent, Principals, and Teachers and all who have helped in various ways for their assistance and co-operation during the year.

Respectfully submitted,

RUTH V. CARLSON, *School Nurse.*

†One child stayed at camp sixteen weeks.

TABLE I — MEMBERSHIP AND ATTENDANCE

ROLL OF HONOR

Pupils neither absent nor tardy during the school year 1926–1927.

Seven Years

Edward E. Hansis, Sophomore, High.

Five Years

Aaron Loomis, Grade VIII, Junior High.

Four Years

George C. Slack, Grade IV, Kimball.
Ruth Brooks, Grade VI, William Carter.

Three Years

June Waldron, Sophomore, High.
Julia Bacchiochi, Grade VIII, William Carter.
Wercno Marino, Grade IV, Eliot.
John Newbury, Grade VI, Harris.

Two Years

Harlan Crossett, Senior, High.
Robert Polley, Senior, High.
Robert Mann, Sophomore, High.
Barbara Cowdrey, Freshman, High.
Julia V. Mullan, Freshman, High.
Barbara Hervey, Grade VIII, Junior High.
Elinor L. Sturtevant, Grade VIII, Junior High.
Arthur Wilkes, Grade VIII, Junior High.
Ruth Stanwood, Grade VIII, Junior High.
Janet Lewis, Grade VII, Junior High.
Jessie Lansberg, Grade VII, Junior High.
Mary Vancavage, Grade VIII, William Carter.
Maurice Holman, Grade VII, William Carter.
Annie Maciumski, Grade VII, William Carter.
Marjorie Waining, Grade V, William Carter.
Hazel Chamberlain, Grade IV, William Carter.
Ruth Thayer, Grade III, Stephen Palmer.
Frances M. Blackman, Grade V, Harris.
Stella Sienczuk, Grade II, Eliot.

One Year

Pearl Nanscawen, Senior, High.
Richard Rawlings, Senior, High.
Marion Nickerson, Junior, High.
Francis Cleaves, Sophomore, High.
Charlotte Cushman, Sophomore, High.
Herbert Bacon, Sophomore, High
Karl A. Flint, Sophomore, High.
Edna N. Inge, Sophomore, High.
Elizabeth Atkinson, Freshman, High.
Elizabeth L. Hopson, Freshman, High.
Olive B. Hasenfus, Freshman, High.
Rosalie Leahy, Freshman, High.
Ruth Small, Freshman, High.
William A. Draheim, Grade VIII, Junior High.
Margaretha Roper, Grade VIII, Junior High.
Roger Huston, Grade VIII, Junior High.
Phyllis Walter, Grade VIII, Junior High.
Mildred Hunter, Grade VIII, Junior High.
Frederick Broadley, Grade VIII, Junior High.
Harold Hunter, Grade VIII, Junior High.
Elizabeth May, Grade VII, Junior High.
Edwin Starkweather, Grade VII, Junior High.
William Simpson, Grade VII, Junior High.
John Turney, Grade VII, Junior High.
Edward Donald, Grade VII, Junior High.
Priscilla Bacon, Grade VII, Junior High.

Eva Church, Grade VII, Junior High.
Eugene Gordon, Grade VI, Kimball.
Carroll Cobb, Grade VI, Kimball.
Richard Carmichael, Grade VI, Kimball.
Frances Dunn, Grade VI, Kimball.
Alice Warne, Grade VI, Kimball.
Irene Knowles, Grade VI, Kimball.
Albert Hopson, Grade VI, Kimball.
Richard Fortune, Grade V, Kimball.
James Mullan, Grade V, Kimball.
Selma Whitehead, Grace V, Kimball.
Susan Loomis, Grade IV, Kimball.
Roger Stanwood, Grade IV, Kimball.
Richard Roberts, Grade IV, Kimball.
Prescott Tucker, Grade IV, Kimball.
Vito Cascio, Grade VIII, William Carter.
John Eagan, Grade VIII, William Carter.
Angeline Ferrara, Grade VIII, William Carter.
Flora Guimetti, Grade VIII, William Carter.
Wallace Rae, Grade VIII, William Carter.
Blanche Stupak, Grade VIII, William Carter.
Florence Armstrong, Grade VII, William Carter.
Maynard Barnes, Grade VII, William Carter.
Ruth Chamberlain, Grade VII, William Carter.
Burnadette Chambers, Grade VII, William Carter.
Mary Kalassian, Grade VII, William Carter.
Alexina Mitchell, Grade VII, William Carter.
Joseph Marino, Grade VI, William Carter.
Janette Ramsey, Grade VI, William Carter.
Jessie Stewart, Grade VI, William Carter.
Joseph Stupak, Grade VI, William Carter.
Laurice Ferran, Grade V, William Carter.
James Whalen, Grade V, William Carter.
Carl Willgoose, Grade V, William Carter.
Russell Beech, Grade IV, William Carter.
Alvin Kershaw, Grade IV, William Carter.
Harold Wheeler, Grade IV, William Carter.
Dorothy Morris, Grade III, Avery.
Marjorie Spicer, Grade III, Avery.
Virginia Spicer, Grade III, Avery.
Andrew Anderson, Grade I, Avery.
James Maxwell, Henry, Grade I, Avery.
Harry Ryan, Grade III, Stephen Palmer.
Ruth J. Rodgers, Kindergarten, Stephen Palmer.
Helen Sienczuk, Grade V, Eliot.
Norman McCarthy, Grade V, Eliot.
Stephen Sienczuk, Grade IV, Eliot.
Mary Loback, Grade III, Eliot.
William Lansberg, Grade V, Dwight.

Alexander Lansberg, Grade V, Dwight.
Louisa Mastropieri, Grade IV, Dwight.
Rocchinella Mastropieri, Grade II, Dwight.
Miranda Nardone, Grade I, Dwight.
Sophia Sherminski, Kindergarten, Dwight.
Marion Boyce, Grade I, Harris.
Helen Ravinski, Grade II, Riverside.
Walter Wallace, Grade I, Riverside.
Joseph Keris, Kindergarten, Riverside.
Walter Prescott, Kindergarten, Riverside.
Annie Sammarko, Kindergarten, Riverside.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

TREASURER, COLLECTOR

AND

TOWN ACCOUNTANT

FOR THE YEAR 1927

NEWTON
GARDEN CITY PRESS, INC.
1928

TREASURER'S REPORT

CHARLES E. STANWOOD, *Treasurer*,
In account with TOWN OF NEEDHAM
January 1, 1927, to December 31, 1927.

SUMMARY

TOWN OF NEEDHAM

REPORT

OF THE

FINANCE COMMITTEE

TO THE TOWN

AT THE

ANNUAL MEETING, MARCH 21, 1927

ELECTION, MARCH 14
BUSINESS MEETING, MARCH 21, AT 7.30 O'CLOCK

NEWTON
GARDEN CITY PRESS, Inc.
1927

REPORT OF FINANCE COMMITTEE

To the Inhabitants of the Town of Needham:

In making their report this year, your Committee has again sought to make an analysis of the proposed financial program in terms of its relation to the tax rate. It should be clearly understood that at this time it is not possible to do more than make rough estimates, since many factors (such as State and County taxes and assessments) which affect the tax rate are not determined until later in the year. Town appropriations, however, constitute the chief factor in determining the rate, so that an increase in Town appropriations in excess of the additional revenue from a normal increase in valuation is bound to cause an increase in the tax rate unless offset by additional receipts from other sources.

The Town may well take considerable satisfaction in the position in which it is today. The 1925 tax rate of $32 per $1,000 was reduced last year to $29.70 through an increase in valuation of about $1,800,000 and a policy of rigidly limiting Town appropriations. Those whose valuations were increased in the process of bringing assessed valuations in line with present actual valuations will not perhaps derive as much satisfaction, but the fact remains that the Town's tax rate is now under $30 per $1,000 and should be kept there. This reduction is all the more significant when it is realized that it has been accomplished while installing a municipal sewerage system, an undertaking which is usually estimated as adding $1.50 to a tax rate.

The Town may also derive much satisfaction from the manner in which its affairs have been handled this past year. The various departments have been efficiently and economically administered, and there has been a splendid spirit of co-operation which has resulted in many actual savings to the Town.

The increases in appropriations requested this year represent, in general, a desire to serve the Town more efficiently. Your Committee has examined these proposals with care

and has come to the conclusion that the Town's interests demand a considerable increase in the appropriations for police, fire, and school purposes, together with other items mentioned later in this report. The Committee has, therefore, recommended appropriations which, with certain changes in other fixed charges, will increase the amount to be raised for Town purposes by approximately $35,000. Due to the excess of actual receipts over estimated receipts in 1926, it is expected that this amount can be absorbed without increasing the tax rate beyond $30. This estimate is, of course, based upon the recommendations contained in this report. Voters may estimate that appropriations beyond the recommended amounts will probably be represented by an increase in the tax rate of about 5 cents for each $1,000.

RECOMMENDATIONS ON ARTICLES IN THE WARRANT

ARTICLE 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1926.

Recommended: That all unexpended balances be returned to the Treasury. Unexpended balances of regular appropriations total $16,651.11.

Overdrafts of 1926 total $10,542.68 (Snow Removal, $3,328.13; Soldiers' Relief, $5.00; interest accounts, $7,209.55). Unpaid bills in the hands of the Town Accountant total $4,569.34.

In 1926 the following departments improperly incurred liabilities in excess of appropriations: Assessors, $4.45; Police, $84.50; Moth Department, $41.09; Library, $21.13; Schools, $433.46. This is a decided improvement over 1925, but no department should be permitted to incur such a liability. The Town is probably under no legal obligation to pay the $584.63 listed above, and the Committee recommends that next year any department which improperly exceeds its appropriation be required to insert a special article in the warrant calling for the appropriation of the amount of such an excess. Some such methods are necessary in order to check the practice of exceeding appropriations.

To meet all overdrafts and deficiencies of 1926 an appropriation of $15,200 is requested, which should be taken from the accumulated revenue on hand, Dec. 31, 1926.

ARTICLE 5. To see what disposition the Town will make of the money received from dog licenses.

Recommended: That this money, $1,202.92, be appropriated for the use of the Public Library.

ARTICLE 6. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Recommended: That the sum* of **$512,081.96** (increase of $24,799.22 over corresponding amount in 1926) be appropriated as follows:

Board of Selectmen, $3,184.50. To include salaries of board and clerk, $2,140 (same rate as 1926); expenses, $544.50; R. R. transportation committee, $500. The Committee does not approve a requested increase of $265 in the salary of the clerk to the Board. Net increase over 1926, $374.50.

Town Clerk, $800. To include salary and fees, $600; expenses, $200. Same as in 1926.

Assessors, $6,525. To include salaries of board, $3,000 (same as in 1926); clerk, $1,325 (increase of $181); expenses, $1,200(increase of $140); block-plan maps, $1,000 (increase of $500).

Tax Collector, $2,750. To include salary and expenses; same as in 1926. Collector's salary is based upon collections (see Art. 9).

Treasurer, $1,375. To include salary of Treasurer, $900; clerk, $100; bond, $165; expenses, $210. Same as in 1926.

Accounting Department, $1,850. To include salary, $1,700; expenses, $150. Same as in 1926.

Finance Committee, $250. For printing and distributing reports. Same as in 1926.

Election and Registration, $1,030. To include salaries of board, $300 (same as in 1926); expenses, $730 (decrease of $370).

Town Hall and Grounds, $5,000. To include janitor, $1,590 (same rate as 1926); extra labor, $200; janitor's supplies, $50; police service, $50; fuel and water, $525; miscellaneous, $110; grounds, $100; general repairs, $400; painting building, weather-stripping windows, etc., $1,975. This represents a total increase of $1,375 over 1926, and while $505 less than requested should provide for maintenance and needed repairs.

Police Protection, $22,591. To be divided as follows:

Police Department, $22,141. This amount includes $19,235 for salaries, as follows: Chief, $2,385 (same as in 1926); one Sergeant, $2,100 (new position to be filled by advancement); four men at $2,000 (same as in 1926); two men at $1,900 (increase from $1,828 due to length of service); two new men, $2,550 (salary for 9 mo. at $1,700 per year); specials, $400 (decrease of $500 in amount). The Committee believes that it is in the interest of public safety to have Police Headquarters covered 24 hours a day, which should now be possible. In emergencies, men should be withdrawn from motorcycle patrol work, rather than leave Headquarters uncovered.

The balance of the appropriation, $2,906, is for maintenance and equipment, including traffic signs and their maintenance, $750; auto expense $1,281; office expenses and miscellaneous, $575; equipment for men, $300.

* This does not include appropriations to be considered under special articles.

The Committee does not approve a request of $500 for uniforms for all men, and recommends only $100 to provide extra uniforms where needed by motor-cycle officers.

Increases in Police Department appropriations over 1926 total $3,079, of which $2,294 is for salaries and $785 (including $200 for maintenance of new automatic traffic signal) is for maintenance.

Automatic Traffic Signal, $450. New item; to be considered under Art. 32.

Fire Protection, $28,616.88. To be divided as follows:

Fire Department, $23,669.50. This amount includes $20,044.50 for salaries, as follows: Chief, $2,400; one Lieutenant, $2,100; five men at $2,000; one new man, $1,144.50 (35 weeks at $1,700 per year); two Fire Engineers (Assistant Chiefs) at $250; Combination and Engine call men, $2,450 (two Captains at $225; ten men at $200); Ladder call men, $900 (Captain, $150; six men at $125); Hose Company call men, $200 (Captain, $55.00; steward, $25.00; four men at $30.00); Paid service, $350.

On account of the separation of the offices of Fire Chief and Building Inspector, the Chief's salary is recommended on a new basis this year ($100 less than paid by combined offices in 1926). Similarly, the offices of Lieutenant and Assistant Superintendent of Fire Alarm are separated, and recommended salary of Lieutenant is same as for Police Sergeant. Recommended salaries of Fire Engineers have been increased $50.00, and minor adjustments made in pay of call Captains. The new man is needed to cover days off, vacations, lunch hours, sickness, etc.

The balance of the appropriation, $3,625, is for maintenance, including equipment and repairs, $1,825; fuel, $400; supplies and printing, $150; house repairs and furnishings, $500; horse hire, $75.00; insurance, $75.00; telephone, light, laundry, water, $300; sewer connection, $200; miscellaneous, $100. On account of the large increase in fire-protection appropriations the Committee recommends postponing painting Engine 1 and reducing other maintenance items by $300.

Increases in Fire Department appropriations over 1926 total $2,049.50, of which $1,624.50 is for salaries and $425 for maintenance.

Fire Alarm Department, $4,802.38. This includes a regular appropriation of $2,128.38 (increase of $441.38 over 1926) and a special appropriation of $2,674 to carry out the plan of zoning and renumbering all boxes ($500), installing school-house and hospital boxes ($1,350), replacing obsolete boxes at the rate of three a year ($405), and installing boxes in Needham and Needham Heights Squares on special posts ($419).

Regular appropriation includes $150 to be paid to a permanent fireman for Fire-Alarm work, and $1,100 for new construction (five new boxes). The Committee is of the opinion that the zoning and new construction will greatly improve the efficiency of the Fire-Alarm system.

Forest Warden, $145. To include salary, $100 (to go to Fire Chief as in 1926); expenses, $45.00 (same as in 1926).

Inspection Department, $3,000. To include salaries (based on number of inspections) of inspectors of buildings, plumbing, and wiring, $2,400 (increase of $400 over 1926); cattle inspector, $150; sealer of weights and measures, $200; expenses, $250 (increase of $100).

Tree Work, $7,300. To be divided as follows:

Moth Department, $5,500. Of this amount, $3,500 is to be for public work (increase of $500 over 1926), including salaries, labor, supplies, equipment, etc., and $2,000 (same as in 1926) is to be for moth suppression on private property, the cost of which will be charged to the owners.

Tree Warden, $1,500. This amount (increase of $500 over 1926) to include salary, labor, supplies, etc.

Town Nursery, $300. Same as in 1926. The Committee in charge requests that the unexpended balance of $62.38 be carried over from 1926, but the Finance Committee disapproves this practice.

Health and Sanitation,* $17,790.14. To be divided as follows:

Board of Health, $6,491.20. To include hospitalization, $3,823.20 (increase of $2,363.20 over 1926, due to additional cases at Norfolk County Hospital and cases in other cities having settlements in Needham); salary and transportation of agent, $1,800 (same as in 1926); clerk hire and expenses, $400; care of dumps, $468. Net increase for all purposes, $2,245.20.

Removal of Garbage, $1,950. Increase of $150 over 1926 on contract price.

Sewer Department, $5,650. To include salary of superintendent, $3,000 (increase of $500 over 1926); clerk, $950; labor, $1,000; auto expense, $300; supplies and equipment, $400. Net decrease from 1926 appropriation, $1,185.27.

In addition to the above amount, the Town will have to meet an assessment of $11,103.38 (new item) as the first of five annual payments on the Metropolitan entrance fee, and one of around $13,000 (same as in 1926) for Needham's share of Metropolitan maintenance and Metropolitan bond requirements. See also Art. 28.

Norfolk County Hospital, $3,698.94. Assessed by Norfolk County; same as in 1926.

Charities, $13,100. To be divided as follows:

Department of Public Welfare, $12,000. To include agent's salary, supplies, allowances, medical care, etc. Decrease of $1,500 from 1926.

Other Allowances, $1,100. To include State Aid, $200 (decrease of $100 from 1926); Military Aid, $300 (same as 1926); Soldiers' Relief, $600 (increase of $81.00 over 1926.)

*This total does not include $24,103.38, which represents the estimated amount of Needham's assessments in 1927 by the Metropolitan Sewerage System.

TABLE FOR COMPARISON OF 1927 RECOMMENDATIONS ON APPROPRIATIONS

Department	Appropriations and Transfers, 1925	Expended, including Deficiencies, 1925	Appropriations and Transfers, 1926	Expended, including Deficiencies, 1926	Amount Requested 1927	Amount Recommended 1927	Change from 1926
Selectmen	$2,150 00	$2,117 50	$2,810 00	$2,809 11	$3,449 50	**$3,184 50**	+$374 50

[1] In this column, the + sign indicates an increase over the corresponding amount in 1926, and the — sign indicates a decrease.
[2] Does not include $24,103.38, which represents the estimated amount of Needham's assessments in 1927 by the Metropolitan Sewerage system.
[3] Bird's Hill Avenue appropriation, $12,500, was returned to the Treasury.
[4] These figures are incomplete on account of Arts. 14, 15 and 20, 21.
[5] Includes an appropriation of $1,000 to provide permanent care of the G. A. R. lot in the cemetery.
[6] See recommendations under Art. 4.

STATE AND COUNTY TAXES AND ASSESSMENTS

In addition to the total recommended above, an amount somewhere around $92,000 will have to be raised in 1927 to provide for State and County taxes and assessments. In 1925, State and County taxes and assessments totaled $60,337.91; in 1926, they totaled $78,023.40. In 1927, State assessments will be increased $11,103.38 by the first annual payment on the Metropolitan Sewerage entrance fee.

Highways, $127,500. This amount is to be divided as follows:

General Appropriation, $60,000. Although $85,000 is requested, and could well be spent upon our highways, the Committee is of the opinion that the $9,000 increase recommended is all that present conditions warrant. With sewer and gas construction, the Town cannot expect to have perfect highways for some time.

This appropriation is also recommended with the understanding that at least $5,000 of it will be used for main drains. The sum of $10,000 is requested for this purpose, but the Committee approves $5,000 to cover urgent cases and recommends that a careful survey of drainage needs be made by the Town Engineer before any further appropriations are made.

Special Appropriations, $18,500. To be considered under Arts. 11-15 and 18-21, inclusive. Such appropriations represent part of the Town's highway program for the year, and should be considered in relation to appropriations under Art. 6.

Sidewalks, $13,000. To include $7,000 (decrease of $3,000 from 1926) for construction under the Betterment Act and $6,000 (same as in 1926) for general construction and repairs. Approximately 50% of the $7,000 appropriation will be paid back to the Town.

Snow Removal, $9,000. Decrease of $3,600 from 1926. This appropriation can only be roughly estimated, the amount spent depending wholly upon weather conditions.

Street Lighting, $18,500. Increase of $500 over 1926 to cover new installations. Average cost per light per year is $18.00.

Bridges, $8,500. To be considered under Art. 18.

Education, $192,385. This amount (increase of $10,191 over 1926) is to be divided as follows:

School Department, $189,885. This is to be met by an appropriation of $189,675 and the income ($210) of the Dwight School Fund, and is to be distributed as follows: Administration, $6,354 (increase of $423); instruction, $133,895 (increase of $10,075); books and supplies, $9,000 (increase of $112); maintenance, repairs, and new equipment, $32,186 (increase of $586); school physicians and nurse, $2,650 (increase of $200); transportation of pupils, $3,800 (increase of $295); miscellaneous, $2,000 (same as in 1926. Net increase is $10,191, which is due to increases in number of pupils and teachers, to raising the maximum salary scale $100 for all teachers, and to greater cost of transporting pupils. The Committee does not recommend $5,300 for a new heater at the Eliot School as slight repairs to present one will make it usable until such time as an appropriation for a new system may be made.

Vocational Tuition, $2,500. Same estimated amount as in 1926. The State reimburses the Town for one-half of what is spent for this purpose.

Public Library, $8,265. To be met by appropriating $6,488.38, and transferring the income ($573.70) from the Barr and Greenwood Fund and

the money from dog licenses ($1,202.92 under Art. 5). The increase of $593.99 over 1926 is due to slight salary increases, to repairs to building, and to need of new stacks.

Parks, $3,150. To be divided as follows:

Park Commissioners, $1,150. To cover upkeep of public parks and routine improvements. Decrease of $950 from 1926.

Memorial Park, $2,000. To cover extension of athletic field and beautifying park according to original plan. Although $3,000 is requested for this purpose, the Committee recommends the same appropriation ($2,000) as last year. See also Art. 25.

Planning Board, $400. To include general expenses, town map, hearings, etc. Same as in 1926. See also Arts. 40—41.

Board of Survey, $100. For advertising, maps, and supplies. Same as in 1926.

Insurance, $3,230. For insurance premiums on Town property (increase of $630 over 1926.)

Interest on Temporary Loans, $14,000. This amount can only be estimated, and represents an increase of $4,000 over 1926 appropriation. The attention of the Town is called to the fact that the total of 1927 interest charges will be in excess of $40,000.

Municipal Indebtedness, $73,190. To include $46,400 to meet payments of principal on bonds maturing in 1927, and $26,790 for bond interest due in 1927. The Town's bonded indebtedness, as of Jan. 1, 1927, stands at $770,200, of which $607,000 is outside and $163,200 is inside the Town's debt limit of $472,473.34.

Soldier Graves, $700. To be divided as follows:

Upkeep of Soldier Graves, $400. Same as in 1926.

Memorial Day Observance, $300. Same as in 1926.

Unclassified, $4,635. To include Town reports, $1,200; dog officer, $35.00; miscellaneous, $250; damage awards, $500; certification of notes, $50.00; Town counsel fees, $600; R. R. transportation counsel, $500; tax titles in Land Court, $1,000; engineer's fees, $500. The total represents a decrease of $7,531.75, the large appropriation of 1926 being necessary on account of damage awards in widening Great Plain Avenue.

Reserve Fund, $2,500. Same as in 1926, to provide for emergencies and to be expended only with the approval of the Finance Committee.

ARTICLE 7. To see if the Town will authorize borrowing money in anticipation of revenue of the current year.

Recommended: That the substance of this article be adopted.

ARTICLE 8. To see what action the Town will take relative to the salaries of its Town officers.

Recommended: That the salaries of all elected Town officers be the same as in 1926.

ARTICLE 9. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Recommended: That the taxes be collected in the same manner as in 1926, and that the compensation be at the same rate; namely, one-half per cent of the tax warrant, payable as and when collected, same to include all expenses except payment of the Collector's bond.

ARTICLE 10. To see if the Town will authorize a Committee to procure plans for a Junior High School Building and recommend a location for the same.

Recommended: That a Committee of Five, at least two of whom shall be members of the School Committee, be appointed by the Moderator, and that this Committee be so authorized.

ARTICLE 11. To see if the Town will appropriate $15,000 for the construction of Central Avenue, provided the County and the State Department of Public Works will each allot an amount equal to one-half of this appropriation.

Recommended: That the sum of $10,000 (same as in 1926) be appropriated under these conditions.

ARTICLES 12, 13. To see if the Town will accept Coolidge Avenue from Great Plain Avenue to Harris Avenue under provisions of the Betterment Act, and appropriate $8,500 for its construction.

Recommended: That the substance of these articles be adopted.

ARTICLES 14, 15. To see if the Town will accept Washington Avenue for a distance of 1,050 feet southerly from Great Plain Avenue, under provisions of the Betterment Act, and appropriate $6,500 for its construction.

Recommended: Pending investigation of the desirability of extending Washington Avenue through to Harris Avenue, which has an important bearing on these articles, the Committee withholds any recommendation at this time.

ARTICLE 16. To see if the Town will accept Washburn Avenue as a Town way (no betterments).

Recommended: That the substance of this article be adopted. This street was accepted by the Town Meeting of 1924, but through error was not properly filed, thus demanding reacceptance.

ARTICLE 17. To see if the Town will accept a deed from David Murdoch and David Simon for 251.2 square feet of land at the corner of Nehoiden Street and May Street.

Recommended: That the substance of this article be adopted.

ARTICLE 18. To see if the Town will appropriate $8,500 for its share of a new bridge on Charles River Street between Needham and Dover.

Recommended: That the substance of this article be adopted. The $5,000 appropriated in 1926 was insufficient and was returned to the Treasury.

ARTICLE 19. To see if the Town will appropriate $3,000 for the widening and construction of Greendale Avenue near the corner of Kendricks Road.

Recommended: That this article be dismissed. The Committee believes that such work at a single point should be postponed until a general widening and relocation is undertaken.

ARTICLES 20, 21. To see if the Town will take by eminent domain for highway purposes a gravel bank situated near Avery Street and Pine Grove Street, and appropriate $6,500 for the same.

Recommended: Since the necessary hearings specified by law have not yet been held by the Selectmen on this proposal, the Committee withholds making any recommendation at this time.

ARTICLES 22-24. To see if the Town will take by eminent domain for municipal storage purposes 28,800 square feet of land and the buildings thereon situated in the rear of the Needham Trust Co. building, and appropriate therefor $35,000, issuing bonds in part payment.

Recommended: Recommendation withheld for the same reason as under Arts. 20, 21.

ARTICLE 25. To see if the Town will appropriate $1,000 for dry-wells or sub-drains on Memorial Park.

Recommended: That the substance of this article be referred to the Town Engineer for study and report.

ARTICLE 26. To see what sum the Town will appropriate for house connections with the sewer system.

Recommended: That the sum of $10,000 (same as in 1926) be appropriated. Sewer regulations require that the cost of such connections be paid in advance by the property owner, and this article simply legalizes the use of these payments for this specific purpose.

ARTICLE 27. To see what action the Town will take relative to charges for particular sewers draining directly into the Metropolitan system.

Recommended: That this article be referred to the Sewer Commissioners with authority to arrange equitable terms. This article applies to houses connected with the Metropolitan system prior to Needham's entrance into the system.

ARTICLE 28. To see if the Town will appropriate $5,458.49 to pay sewer assessments against Town property.

Recommended: Since the amount is not needed this year for construc-

tion purposes, the Commmittee recommends that this article be dismissed, to be appropriated at a later date.

ARTICLE 29. To see if the Town will transfer $19,000 from the sewer assessment fund for the purpose of new construction under the direction of the Sewer Commissioners.

Recommended: That the substance of this article be adopted. The entire amount is already in the Treasury.

ARTICLE 30. To see if the Town will amend its By-Laws, as specified, to permit the Sewer Department to retain its original plans.

Recommended: That the substance of this article be adopted.

ARTICLE 31. To see if the Town will vote to amend its By-Laws, as specified, so as to provide for a Town Engineer.

Recommended: That the substance of this article be adopted.

ARTICLE 32. To see if the Town will appropriate $450 for the cost of installing the automatic traffic signal at Great Plain Avenue and Webster Street.

Recommended: That the substance of this article be adopted.

ARTICLE 33. To see if the Town will authorize the Selectmen to demolish, or otherwise dispose of, the house on the Fisher lot.

Recommended: That the substance of this article be adopted. The house is a potential menace to school children.

ARTICLES 34-39. To see if the Town will authorize the Selectmen to install lights, as specified, on Avery Street, Washington Avenue, Newell Avenue, Ledge Street, Fairview Terrace, and Wilshire Park.

Recommended: That the substance of these articles be adopted.

ARTICLE 40. To see if the Town will appoint a Committee of Five to ascertain the cost and recommend a plan of financing the street development for traffic routes, as set forth in the report of the Planning Board.

Recommended: That this article be referred to the Town Engineer for study and report.

ARTICLE 41. To see if the Town will appropriate $500 for the use of the Committee under Art. 40.

Recommended: That this article be dismissed.

ARTICLES 42-44. To see if the Town will make certain specified changes in the Zoning By-Law.

Recommended: That favorable action be taken on changes from single residence to business districts at Webster Street and Central Avenue (Art. 42) and on Highland Avenue near old car barn (Art. 44), as recommended by the Planning Board. The Committee recommends the dismissal of Art. 43 (change from single residence to business district on Great Plain Avenue at Bird's Hill Ave.), as recommended by the Planning Board.

ARTICLE 45, 46. To see if the Town will pay $900 to Katherine Gross as compensation for injuries received by her son, and petition the Legislature for permission to pay the same.

Recommended: That these articles be dismissed. Despite whatever sympathy the Committee has in the matter, it is of the opinion that there is no legal or moral obligation on the part of the Town to pay damages in this case.

ARTICLES 47, 48. To see if the Town will appropriate $1,000 for the celebration of the Fourth of July, 1927, and appoint a committee of five citizens to expend the same.

Recommended: That the substance of these articles be adopted.

ARTICLE 49. To see if the Town will vote to have the reports of its officers, the proceedings of this and subsequent Town meetings, and the Valuation List of the Assessors printed and distributed.

Recommended: That these reports be printed and distributed in the same manner as in the past.

Respectfully submitted,

SAMUEL H. WRAGG, *Chairman.*
EDWARD L. MORSS, *Secretary.*
FRED L. DONAHUE,
ALGER E. EATON,
FRED L. GREELY,
JOHN A. KEITH,
CARLTON A. PERRY,
EBEN W. SMITH,
BRAD STEPHENS.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF ASSESSORS

FOR THE YEAR 1927

NEWTON
GARDEN CITY PRESS, INC.
1928

ASSESSORS' REPORT

In past years everything has been touched upon, with the exception of betterment assessments on street, sidewalk, and sewer. The answer is this: if the citizens wish to extend the time for payment they should return their bill to the Assessors at once and have it proportioned for a period of years not exceeding ten, and no payment to be less than five dollars.

We receive communications by letter, telephone, and personal calls from the abutters to explain to them how we arrive at the yearly total of the betterment tax.

The first payment is without interest, thereafter the balance is subject to interest at 6% which amount is added to the yearly payment. In nearly every instance the first payment varies slightly in order to make the second and succeeding yearly payments the same amount.

Following is an example:

	1927	1928	1929	1930	1931
Balance	$145.52	$130.95	$116.40	$101.85	$87.30
Yearly Payment		14.55	14.55	14.55	14.55
Interest		7.85	6.98	6.11	5.24
Yearly Total	$14.57	$22.40	$21.53	$20.66	$19.79

	1932	1933	1934	1935	1936
Balance	$72.75	$58.20	$43.65	$29.10	$14.5
Yearly Payment	14.55	14.55	14.55	14.55	
Interest	4.37	3.49	2.62	1.75	.87
Yearly Total	$18.92	$18.04	$17.17	$16.30	$15.42

ARTHUR H. GODFREY, *Chairman*,
GEORGE W. HOLT,
CHARLES W. WOODBURY,
Members of the Board of Assessors.

RECAPITULATION

AMOUNT TO BE RAISED BY TAXATION

Town appropriation	$552,090 59
State assessments	40,120 12
State tax	26,760 00
County assessments	3,698 94
County tax	22,316 91
Overlay (of the current year)	10,067 74
Total	$655,054 30
